

Little Black Goes To The Circus

Jim Robison

Little Black Goes to the Circus Walter Farley, 1963 Little Black, the pony, fails at the circus, but after his young master's encouragement, returns to become a popular success.

I Can Read It All by Myself Paul V. Allen, 2021-05-28 In the late 1950s, Ted Geisel took on the challenge of creating a book using only 250 unique first-grade words, something that aspiring readers would have both the ability and the desire to read. The result was an unlikely children's classic, *The Cat in the Hat*. But Geisel didn't stop there. Using *The Cat in the Hat* as a template, he teamed with Helen Geisel and Phyllis Cerf to create Beginner Books, a whole new category of readers that combined research-based literacy practices with the logical insanity of Dr. Seuss. The books were an enormous success, giving the world such authors and illustrators as P. D. Eastman, Roy McKie, and Stan and Jan Berenstain, and beloved bestsellers such as *Are You My Mother?*; *Go, Dog. Go!*; *Put Me in the Zoo*; and *Green Eggs and Ham*. The story of Beginner Books—and Ted Geisel's role as “president, policymaker, and editor” of the line for thirty years—has been told briefly in various biographies of Dr. Seuss, but *I Can Read It All by Myself: The Beginner Books Story* presents it in full detail for the first time. Drawn from archival research and dozens of brand-new interviews, *I Can Read It All by Myself* explores the origins, philosophies, and operations of Beginner Books from *The Cat in the Hat* in 1957 to 2019's *A Skunk in My Bunk*, and reveals the often-fascinating lives of the writers and illustrators who created them.

Little Black Goes to the Circus ... With Illustrations by James Schucker Walter Farley, 1965

Horse Crazy! Jessie Haas, 2009-07-15 *Horse Crazy!* is a jam-packed treasure chest of a book that will keep horse-obsessed kids ages eight and up busy for hours on end. It offers practical information about horses, from anatomy and history to the details of training, grooming, and showing. It also has lots of great ideas for horse-related projects, such as writing horse stories and drawing or photographing horses. There are books to read, movies to see, unusual ways to have fun with a horse, tips on how to choose a horse camp, information on horse-loving careers, and much more.

Project Head Start , 1973

Project Head Start Economic Opportunity Office,

Healed by Horses Carole Fletcher, 2011-02-22 Carole Fletcher's story opens on a November morning in 1975. She began this day as a striking young teacher in a happy relationship; a horse lover and car enthusiast -- ultimately, a young woman eager for what lay ahead. But a gasoline explosion changed all that, leaving her with second- and third-degree burns over sixty-five percent of her body. At day's end, surgeons warned she had a one-in-ten chance of surviving the night and that even if she did, it would be more than likely she would never walk again -- let alone ride a horse. Carole surprised everyone: her family, her doctors, even herself. After seven months in the hospital and twenty-eight skin graft surgeries, she began to ride her beloved horse, Bailey. Thanks to the therapeutic nature of riding, she slowly regained almost full use of her legs. And though more surgery and almost four years of rehabilitation would follow, Carole eventually plunged into the world of performance with a clever trick horse named Dial. Carole Fletcher tells an inspiring and eloquent story of recovery and rebirth. *Healed by Horses* offers a compelling account of one woman's uncommon courage and perseverance, and illustrates the extraordinary connection possible between humans and horses, and how that bond can restore, motivate, and heal.

Selected Letters of Theodore Roosevelt Theodore Roosevelt, 2018-03-21 This eBook edition of *Selected Letters of Theodore Roosevelt* has been formatted to the highest digital standards and adjusted for readability on all devices. Most of the letters in this book were written by Theodore Roosevelt to his children during a period of more than twenty years. A few others are included which he wrote to friends or relatives about the children. He began to write to them in their early childhood, and continued to do so regularly till they reached maturity. Whenever he was separated from them, in the Spanish War, or on a hunting trip, or because they were at school, he sent them these messages of constant thought and love, for they were never for a moment out of his mind and heart. Long before they were able to read he sent them what they called picture letters, with crude drawings of his own illustrations of the written text, drawings precisely adapted to the childish imagination and intelligence. That the little recipients cherished these delightful missives is shown by the tender care with which they preserved them from destruction. They are in good condition after many years of loving usage. A few of them are reproduced on these pages—written at different periods as each new child appeared in the household.

Theodore Roosevelt's Letters to His Children Theodore Roosevelt, 2023-12-13 In Theodore Roosevelt's *Letters to His Children*, the reader is granted an intimate glimpse into the formative thoughts and values of one of America's most dynamic presidents. This compilation of personal correspondence, characterized by its candid tone and playful prose, showcases

Roosevelt's ability to blend didactic advice with storytelling. The letters are rich in moral undertones, reflecting the author's belief in the importance of character, resilience, and adventure, imbuing them with a literary style that seamlessly marries familial affection with educational intent. Set against the backdrop of early 20th-century America, the collection also encapsulates the ideals of masculinity and citizenship prevalent during Roosevelt's era, fostering an understanding of his multifaceted personality as both a father and a national leader. Theodore Roosevelt, a champion of progressive ideals and an advocate for vigorous living, penned these letters during a time of personal and national evolution. His own upbringing in a prominent New York family instilled in him a deep appreciation for education and a relentless pursuit of knowledge. As an avid naturalist and storyteller, Roosevelt's letters emerge as a pedagogical tool, designed to impart wisdom and foster a love for nature and leadership in his children, reflecting his convictions on the importance of a well-rounded upbringing. I highly recommend Theodore Roosevelt's Letters to His Children for readers seeking a profound understanding of both the man and the values he endeavored to impart to future generations. This work appeals not only to fans of Roosevelt but also to anyone interested in the intersections of politics, family, and literature. It is a treasure trove of insights into the character formation that shaped one of America's most influential figures.

Delphi Complete Works of Theodore Roosevelt (Illustrated) Theodore Roosevelt, 2021-10-23 The 26th President of the United States, Theodore Roosevelt was a historian, conservationist, naturalist and soldier. The youngest person to become President, Roosevelt was a leader of the progressive movement and championed his 'Square Deal' domestic policies, promising average citizens fairness. He expanded the Navy and prioritised conservation and established national parks, forests and monuments, preserving the nation's natural resources. His successful efforts to broker the end of the Russo-Japanese War won him the 1906 Nobel Peace Prize and he continued to promote progressive policies. Roosevelt was a prolific author, writing with passion numerous political essays, seminal historical studies and insightful hunting and naturalist works. For the first time in publishing history, this eBook presents Roosevelt's complete works, with numerous illustrations, many rare texts, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Roosevelt's life and works * Concise introductions to the major texts * Features rare historical books, appearing for the first time in digital publishing * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Rare hunting books, available in no other collection * Includes Roosevelt's letters and addresses- explore the President's personal correspondence and official messages * Roosevelt's memoirs * Features 8 biographies - discover Roosevelt's incredible life * Ordering of texts into chronological order and genres Please visit www.delphiclassics.com to browse through our range of exciting titles CONTENTS: The Political Works Essays on Practical Politics (1888) American Ideals (1897) The Strenuous Life (1899) Inaugural Address (1905) State of the Union Addresses (1901-1908) American Problems (1910) The New Nationalism (1910) Realizable Ideals
