**Grand Gin Rummy Card Game Winning Tactics** Sebastian Hale, Meld quickly and knock early. Use discard history to track opponent strategy, and save high-potential cards for last-minute gin opportunities.

**The Hunger Games** Catherine Driscoll,Alexandra Heatwole,2018-05-11 The 2012 film The Hunger Games and its three sequels, appearing quickly over the following three years, represent one of the most successful examples of the contemporary popularity of youth-oriented speculative film and television series. This book considers The Hunger Games as an intertextual field centred on this blockbuster film franchise but also encompassing the successful novels that preceded them and the merchandised imagery and the critical and fan discourse that surrounds them. It explores the place of The Hunger Games in the history of youth-oriented cinema; in the history of speculative fiction centred on adolescents; in a network of continually evolving and tightly connected popular genres; and in the popular history of changing ideas about girlhood from which a successful action hero like Katniss Everdeen could emerge.

**Making Love with Scripture** Jacob D. Myers,2015-11-01 Nothing has been more contentious in the history of Christianity than the meaning of the Bible, and that debate continues today. Arguments over scripture have divided

denominations, churches, and families, and these squabbles have led many to abandon the faith altogether. Jacob D. Myers, a rising young scholar, has a solution to the problem with scripture. The instability of the Bible's meaning, he argues, is not a weakness but a strength, and it can benefit conservatives and liberals alike. In a conversational style peppered with pop culture references, Myers provides a variety of tools for readers of the Bible, helping the experienced and inexperienced alike appreciate the sacred text in new ways. Finally, he proposes the intriguing alternative of an 'erotic' interpretation, one that makes love with the Bible and opens new vistas of understanding.

**A Companion to Media Fandom and Fan Studies** Paul Booth, 2018-02-26 A Companion to Media Fandom and Fan Studies offers scholars and fans an accessible and engaging resource for understanding the rapidly expanding field of fan studies. International in scope and written by a team that includes many major scholars, this volume features over thirty especially-commissioned essays on a variety of topics, which together provide an unparalleled overview of this fast-growing field. Separated into five sections—Histories, Genealogies, Methodologies; Fan Practices; Fandom and Cultural Studies; Digital Fandom; and The Future of Fan Studies—the book synthesizes literature surrounding important theories, debates, and issues within the field of fan studies. It also traces and explains the social, historical, political, commercial, ethical, and creative dimensions of fandom and fan studies. Exploring both the historical and the contemporary fan situation, the volume presents fandom and fan studies as models of 21st century production and consumption, and identifies the emergent trends in this unique field of study.

**The Entrepreneurial Project Manager** Chris Cook, 2017-09-11 Doing more with less is a skill mastered by entrepreneurs. Budgets are tight, deadlines are short, and time is of the essence. Entrepreneurial project managers use these parameters to their benefit. Hurdling over obstacles with the bare minimum of effort makes their projects and teams stand out. Focusing inward to develop the skills and mindset necessary to accomplish anything with anyone sets an entrepreneurial project manager apart from the group. This book builds on the basics of project management knowledge with tools and techniques to get you as well as your projects and teams performing on an advanced level. No matter your industry or experience level, this book gives you practical ways to improve any project. More importantly, it shows how you can improve your own performance. The biggest improvements a project manager can make are about him- or herself. Personal limitations can be the hardest obstacle to overcome, and this book explains how to overcome them. The techniques have been tried and tested by the author who shares them with you in this book. Whether in your projects or career, all the right things can be said and done, yet the results are always unpredictable. We all have little control over events. This book's tools and techniques give you the ability to handle anything that may come your way. Entrepreneurs are constantly changing and adapting to the world around them. They must stay cutting-edge to make their businesses thrive. This book explains how to take a cutting-edge approach to project management. The goal is to take your technical skills as a project manager, add the

elements of an entrepreneur, and create a high-powered team around you as well as become the best project manager you can be.

**Acting Professionally** Robert Cohen, James Calleri, 2024-03-21 Filled with essential advice and highlighting pitfalls to avoid, *Acting Professionally* gives a clear understanding of how acting careers are built and sustained. Now in its 9th edition, this book has become the leading book in the field since the first edition published in 1972. Critically, this new edition reflects the vital changes in the industry as a result of the Black Lives Matter, Time's Up and MeToo movements, and the Covid-19 pandemic. This new edition acknowledges and seeks to address the challenges of the industry often faced by actors when it comes to race, ethnicity, gender, diversity, and sexuality. It includes an extensive new section on the industry to reflect the 21st century, including signposting new resources and insights for the young actor, and considers the shifting landscape and opportunities offered by TV streaming, films, voiceover, internet, audiobooks, and podcasts. This 9th edition speaks to the changed landscape of unions, representation, self-tape auditioning and other best and up to date practices in the industry, ensuring that it's a book that's useful, relevant and accessible to every actor starting out today.

Outpacing the Competition Robert L. Cantrell, 2009-03-25 Praise for *Outpacing the Competition* Patent-Based Business Strategy *Outpacing the Competition* provides a useful IP management framework for rapidly evolving and inherently unpredictable R&D environments where companies are partners, customers, and competitors at the same time. Marshall Phelps, Corporate Vice President for IP Policy & Strategy, Microsoft Robert Cantrell's book *Outpacing the Competition: Patent-Based Business Strategy* should be read by anyone involved in the practice of litigating or licensing patent rights or policymakers responsible for patent issues. Mr. Cantrell provides a cogent approach for applying decisional methodology and game theory to enhance the utilization and understanding of patent rights. Bradley J. Olson, Esq., patent attorney, Washington, DC Robert Cantrell makes a compelling case for using intellectual property as a core for building solid business strategy. He provides a unique and valuable perspective on competitive advantage, as delivered through patent-based business strategy. This is an excellent addition to anyone's business strategy arsenal. Jeff Hovis, Managing Principal, Product Genesis, Innovation Genesis LLC Robert truly treats patents and related intellectual property as both a weapon and a shield to help the reader use patents to out-manuever global competitors of all kinds the low-cost producer, the high-end innovator, etc. CEOs, attorneys, business and engineering professionals and the like will enjoy the military imagery and flavor provided by Robert. Thanks for clarifying how critical it is to have an understanding of patents in running a truly competitive global business today. José W. Jimenez, Esq., Chief Intellectual Property Officer, AMS Research Corporation

**Day Trade Online** Christopher A. Farrell, 2008-12-16 Day trading can be quite lucrative, but only if you know what you are doing. As Farrell points out: Trading for a living is hard. Trading for a living over the Internet is even harder. There are many challenges and obstacles that confront you. Venturing into this jungle unprepared is a recipe for disaster. This straightforward guide provides the head start and heads up necessary to thrive as a day trader, covering everything from the

dangers and pitfalls of trading online to an in-depth analysis of which trading techniques work and which don't. Day Trade Online, Second Edition presents inside information on the strategies of top trading firms, including the most secretive, misunderstood, and profitable function on Wall Street. Most importantly, you will learn to look at ten different stocks and pinpoint which one to trade, when, at what price, and why. With the right know-how, you will be able to apply this knowledge to every single stock that you screen.

### ***The Metal Worker, Plumber, and Steam Fitter* ,1919**

Looking at Life with Eagle Vision Eleanor Foland,2006-09-27 Having been born in an era when there seemed to be a right way to do things and authority was not to be questioned, Eleanor noticed at an early age that she knew things that did not conform to what was being taught; so after years of trying to conform, she began her own search for her truth. Since more information is now available with the invention of TV and Internet, she has been using those mediums to learn more about where some beliefs originated.
