Faith Healers and the Bible Stephen J. Pullum, 2015-04-14 An insightful read for anyone who is interested in religion, this book offers fresh, biblical insight into the preaching of faith healing from a Christian perspective. Faith healing has been a popular religious phenomenon in this country for well over a hundred years, gaining thousands of followers and raking in millions of dollars annually. What faith healers teach, however, often goes unchallenged. *Faith Healers and the Bible: What Scripture Really Says* offers an informed critique of many of the themes found in faith healers' preaching that documents that much of what they teach is not biblically based—contrary to what they would like their listeners to believe. Drawing on a lifetime of study and nearly two decades of teaching a university course titled *The Rhetoric of Faith Healing*, Stephen J. Pullum, PhD, provides scriptural insight into the false claims frequently found in the preaching of healing revivalists. After an introductory chapter that explains why faith healers have been so persuasive, the author addresses a breadth of topics, including the miraculous, the providential, demon possession, the call of God, the indwelling of the Holy Spirit, and the health and wealth gospel. Meeting faith healers on their own turf—the Bible—Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported.

Father Amorth Fr. Gabriele Amorth, 2018-11-06 Tall and balding with laughing eyes and a welcoming smile, Father Gabriele Amorth spent decades battling the Devil one-on-one, performing literally tens of thousands of exorcisms. When Father Amorth died in 2016, he was the world's most famous exorcist, a legendary, miraculous chaser of demons.

Manual for Spiritual Warfare Paul Thigpen, 2014-12 A fierce war rages for your soul. Are you ready for battle? Like it or not, you are at war. You face a powerful enemy out to destroy you. You live on the battlefield, so you can't escape the conflict. It's a spiritual war with crucial consequences in your everyday life and its outcome will determine your eternal destiny. You must engage the Enemy. And as you fight, you need a *Manual for Spiritual Warfare*. This guide for spiritual warriors will help you recognize, resist, and overcome the Devil's attacks. Part One, "Preparing for Battle," answers these critical questions: • Who is Satan, and what powers does he have? • What are his typical strategies? • Who fights him alongside us in battle? • What spiritual weapons and armor do we possess? • How do we keep the Enemy out of our camp? Part Two, "Aids in Battle," provides you these essential resources: • Teaching about spiritual warfare from Scripture and Church documents • Scripture verses for battle • Wisdom and inspiration from saints who fought Satan • Prayers for

protection, deliverance, and victory • Rosary meditations, hymns, and other devotions for spiritual combat St. Paul urges us to “fight the good fight of the faith” (1 Tim 6:12). Take this Manual for Spiritual Warfare with you into battle. The beautiful Premium UltraSoft gift edition features sewn binding, ribbon marker and silver edges.

Holy Ghosts Gary Jansen, 2010-09-16 In this remarkable true story, the haunting of a Long Island household forces a respected writer and editor to reevaluate the mysteries of life and death as he struggles with the frightening truths of his childhood home and his town's past. Growing up in Rockville Center, Long Island, Gary Jansen never believed in ghosts. His mother—a devoutly Catholic woman with a keen sense for the uncanny—claimed that their family house was haunted. But Jansen never found anything inexplicable in how their doorbell would sometimes ring of its own accord; or in the mysterious sounds of footsteps or breaking glass that occasionally would fill their home; or even in his mother's sometimes unsettlingly accurate visions of future events and tragedies. Though he once experienced a supernatural encounter in a Prague church as a young man, Jansen grew up into a rationalist, as well as a noted writer and editor. Decades later, in 2001, Jansen moved back into the very same house where he had once grown up to raise a family with his wife. One day in 2007, he encountered a strange physical sensation in his toddler son's bedroom: As I reached into his dresser drawer, I felt something very strange behind me. Startled, I quickly turned around, but there was nothing there. I shrugged it off, grabbed the socks and, as I was walking to the doorway, experienced an odd phenomenon—sort of like an electrical hand rubbing the length of my back. I stopped and stood transfixed. What the hell is that? I said to myself. The pressure then seemed to break apart and, for a brief moment, I felt like I had a million little bugs crawling all over my back. Within seconds, however, the sensation was gone. This became the first step in uncovering a frightening, fullblown haunting in his home—a phenomenon that lasted an entire year and eventually included unveiling the identities of the spirits who occupied his house; discovering the chilling story of a century-old murder in his hometown; encountering mind-boggling coincidences between local history and events in his own family; and finally engaging in a climactic exorcism with the help of Mary Ann Winkowski, the real-life inspiration for TV's *The Ghost Whisperer*. The events of that year—in which Jansen's family was terrified of and terrorized by ghosts in their own home—forever changed how he viewed the mysteries of life and death. *Holy Ghosts* is not only a gripping true-life ghost story but a funny and touching memoir, as well as a meditation on the relationship between religion and the paranormal, which are often considered at odds with each other but which the author shows are intimately linked.

Metanoia: A Catholic Book Series, Book Number Three: Vocation: Common Priest by Baptism Cecil Donald Leighton, Jr., 2023-09-23 *Metanoia: A Catholic Book Series, Book Number Three: Vocation: Common Priest by Baptism* is the author's third publication in this series of Catholic books. In *Vocation: Common Priest by Baptism*, the author sets forth his personal experience in discerning whether Jesus Christ is calling him to share or participate in The Eternal Priesthood of Christ, as a common priest by Baptism or as a ministerial priest by Holy Orders. In answering this question, the author recounts 25 years

of priestly misidentifications and associations made by strangers, parishioners, family, friends, and neighbors, connecting the 50+ priest-comments with the spiritual gifts and call of a Catholic priest. Despite his sacerdotal gifts and interior call, he explains why he will remain a layman, serving Jesus Christ and His Church as a holy, knowledgeable, and charitable common priest by Baptism. By publishing his vocation story, the author hopes to inspire other men in discernment with their own sacerdotal gifts and interior call from Christ to become ministerial priests, especially in light of the crisis of vocations in the U.S. Church. Finally, this book is part of the author's personal response to and promotion of the Church's "universal call to holiness" (Lumen Gentium) and the "new evangelization" (Novo Millenio Ineunte), in the electronically and globally connected virtual world of the Internet. All of his books are also available in the Amazon Kindle Store, worldwide.

An Exorcist Explains the Demonic Fr. Gabriele Amorth, 2016-10-31 Fr. Gabriele Amorth, the renowned exorcist in Rome, gives us this powerful, eye-opening book on the deadly antics of Satan and his fallen angels.

The Devil Is Afraid of Me Fr. Gabriele Amorth, Marcello Stanzione, 2020-01-19 "We can do nothing against you because you are too protected!" So declared a frustrated host of devils to Father Gabriele Amorth, the priest exorcist in Rome who spent thirty years battling the Devil and his minions by performing more than sixty thousand exorcisms. All the while, he deftly used modern media to awaken our disbelieving modern culture — and even the Church — to the reality of the Devil and his nefarious actions at all times and everywhere. In these eye-opening pages, angelologist Father Marcello Stanzione tells the fascinating story of Father Amorth and his life as an exorcist. You'll learn of his daily schedule and how he managed to perform dozens of exorcisms each week. You'll find out what his exorcism room looked like, and how various devils responded to his bold practice. Best of all, you'll read Father Amorth's own startling explanations of many truths about the Devil that our culture has forgotten — and about th

William Friedkin Christopher Lane, 2020-03-18 Academy Award-winning director William Friedkin (b. 1935) is best known for his critically and commercially successful films *The French Connection* and *The Exorcist*. Unlike other film school-educated filmmakers of the directors' era, Friedkin got his start as a mailroom clerk at a local TV station and worked his way up to becoming a full-blown Hollywood filmmaker by his thirties. His rapid rise behind the camera from television director to Oscar winner came with self-confidence and unorthodox methods. Known for his gritty and auteurist style, Friedkin's films tell the story of a changing America upended by crime, hypocrisy, the occult, and amorality. Although his subsequent films achieved varying levels of success, his cultural impact is undeniable. *William Friedkin: Interviews* collects fifteen articles, interviews, and seminars spanning Friedkin's career. He discusses early influences, early successes, awards, and current projects. The volume provides coverage of his directorial process, beliefs, and anecdotes from his time serving as the creative force of some of the biggest films of the 1970s and beyond—from his early days in Chicago to his run-ins with Alfred Hitchcock to firing guns on set and witnessing an actual exorcism in Italy. Through previously unpublished and

obscure interviews and seminars, the story of William Friedkin's work and life is woven together into a candid and concise impression for cinephiles, horror junkies, and aspiring filmmakers alike. Readers will gain insight into Friedkin's genius from his own perspectives and discover the thoughts and processes of a true maverick of American cinema.

New Proof of God & Satan James L. Ryave, 2025-01-01 This is the second edition of a divinely inspired nonfiction book that the author was compelled to write in 2020. It contains foundational information regarding the war that human beings are born into. God and Satan exist, and they are very active in human lives. Satan and his forces of evil are the cause of much of the human conflict that we have today, including threats of global nuclear war, heinous crimes, racism and xenophobia, political strife, etc. Imagine the unprecedented benefits that we can all enjoy by bringing humanity together to improve our world! In *New Proof of God & Satan*, join the author on an adventure to overcome unprecedented hardships and risk everything to reveal lifesaving truths to the world. After being enlisted by God in an ingenious plan to deceive and infuriate Satan into revealing himself in a photograph for the first time in history, the author must navigate various challenges and preparations in order to go public. Confronted directly by Satan multiple times, including direct threats and verbalizations, and even invasion of the author's conference calls, the author derived strength from God, which enabled the creation of this book.

Confessions of an Illuminati, Volume III Leo Lyon Zagami, 2017-05-01 Zagami pushes the boundaries once again with this unique and personal journey into the mysteries of the secretive world of the Dark Cabal. In the third book of this acclaimed series, Zagami explores a variety of cryptic topics that are always verified with documentation. This is not a work of fiction, but a tool with which readers can comprehend topics that range from the truth about the mythical Knights Templars to the Jesuits and their Vatican espionage game. Zagami uncovers the most credible candidates of the Grail mystery with proven testimony from an official saint of the Catholic Church. Zagami also upholds what he calls conspiracy reality, a way to fight back against the system of lies and deceit responsible for the rise of Satanism in the Vatican, showing in the process the magical practices of the Illuminati.

The Healing Reawakening Francis MacNutt, 2006-09-01 For the first three hundred years of Christian history, healing prayer was fundamental in the life of the church. It even proved the main method of converting the unbelievers of the day. Then began the long slide of healing prayer into near insignificance. Ironically, Christians themselves, by reserving healing prayer for the most holy, were the ones who almost killed this mission so central to the gospel itself. The mystery of how this happened is described by Francis MacNutt in this fascinating history, which includes his own personal journey. MacNutt sees this loss as tragic and shows how necessary it is for us to rediscover healing prayer and once more embrace it, according to Christ's original mandate--with amazing results! Christian leaders and anyone involved in the healing ministry must read this book.

Nightmares with the Bible Steve A. Wiggins,2020-11-16 Demons! Nightmares with the Bible views demons through two lenses: that of western religion and that of cinema. Sketching out the long fear of demons in western history, including the Bible, Steve A. Wiggins moves on to analyze how popular movies inform our beliefs about demonic forces. Beginning with the idea of possession, he explores the portrayal of demons from ancient Mesopotamia and the biblical world (including in select extra-biblical texts), and then examines the portrayal of demons in popular horror franchises The Conjuring, The Amityville Horror, and Paranormal Activity. In the final chapter, Wiggins looks at movies that followed The Exorcist and offers new perspectives for viewing possession and exorcism. Written in non-technical language, this book is intended for anyone interested in how demons are perceived and how popular culture informs those perceptions.

The Encyclopedia of Demons and Demonology Rosemary Guiley,2009 Explores this dark aspect of folklore and religion and the role that demons play in the modern world. Includes numerous entries documenting beliefs about demons and demonology from ancient history to the present.

The Rite Matt Baglio,2010-06-15 The inspiration for the film starring Anthony Hopkins, journalist Matt Baglio uses the astonishing story of one American priest's training as an exorcist to reveal that the phenomena of possession, demons, the Devil, and exorcism are not merely a remnant of the archaic past, but remain a fearsome power in many people's lives even today. Father Gary Thomas was working as a parish priest in California when he was asked by his bishop to travel to Rome for training in the rite of exorcism. Though initially surprised, and slightly reluctant, he accepted this call, and enrolled in a new exorcism course at a Vatican-affiliated university, which taught him, among other things, how to distinguish between a genuine possession and mental illness. Eventually he would go on to participate in more than eighty exorcisms as an apprentice to a veteran Italian exorcist. His experiences profoundly changed the way he viewed the spiritual world, and as he moved from rational skeptic to practicing exorcist he came to understand the battle between good and evil in a whole new light. Journalist Matt Baglio had full access to Father Gary over the course of his training, and much of what he learned defies explanation. The Rite provides fascinating vignettes from the lives of exorcists and people possessed by demons, including firsthand accounts of exorcists at work casting out demons, culminating in Father Gary's own confrontations with the Devil. Baglio also traces the history of exorcism, revealing its rites and rituals, explaining what the Catholic Church really teaches about demonic possession, and delving into such related topics as the hierarchy of angels and demons, satanic cults, black masses, curses, and the various theories used by modern scientists and anthropologists who seek to quantify such phenomena. Written with an investigative eye that will captivate both skeptics and believers alike, The Rite shows that the truth about demonic possession is not only stranger than fiction, but also far more chilling.

The Sin of Omission as I Understand It Mihai Chituc,2025-07-29 For bad things to happen, it is enough for good people to do nothing -Edmund Burke The book is essentially a journal written in memory of my brother, Daniel, who was very

involved and knowledgeable in religion, theology, and history; a journal written for my daughter, Christina, who is a master in psychology. This journal includes my life experience with good and bad, expressing the role my family and my faith played in my life. It is a historical, political, spiritual investigation of the role the sin of omission played. More or less, we are all guilty of this sin, and the more important we are in society, the deeper and more grave this sin is, and the more severe the consequences for society at large.

A Layman's Chronology of Mary Armiger Jagoe, 2013-08-06 100 BC In the pagan temple on the site of the Chartres Cathedral, the Druids devoted space to the Virgin who gave birth. 620 The Koran was written with thirty-four references to Mary. 1522 At Christmas Mass, Martin Luther said, This is the consolation and overflowing goodness of God that man, insofar as he believes, can glory in the precious act that Mary is his true Mother, Christ his brother, and God his father. If you believe this, then you really sit in the Virgins lap as her dear child. 1926 Mahatma Gandhi wrote, The feeling I had in Paris about the Virgin Mary has since been growing on me, that all this kneeling and prayer could not be mere superstition. The devout souls kneeling before the Virgin could not be worshiping mere marble. I have an impression that I felt then that by this worship they were not detracting from, but increasing, the glory of God. 2009 Michelle Obama said that President Obama always carries in his wallet a picture of Mary Help of Christians.

An Exorcist Tells His Story Gabriele Amorth, 2015-07-21 In this powerful book, the renowned exorcist of Rome tells of his many experiences in his ministry as an exorcist doing battle with Satan to relieve the great suffering of people in the grip of evil. The importance of the ministry to expel demons is clearly seen in the Gospels, from the actions of the Apostles, and from Church history. Fr. Amorth allows the reader to witness the activities of the exorcist, to experience what an exorcist sees and does. He also reveals how little modern science, psychology, and medicine can do to help those under Satan's influence, and that only the power of Christ can release them from this kind of mental, spiritual or physical suffering. *An Exorcist Tells His Story* has been a European best-seller that has gone through numerous printings and editions. No other book today so thoroughly and concisely discusses the topic of exorcism.

Padre Pio Gabriele Amorth, 2021-08-16 This colorful memoir offers a rare, up-close glimpse of the life and personality of St. Pio of Pietrelcina, the beloved Italian monk who was blessed with extraordinary gifts. The late Fr. Amorth—well-known as an exorcist—enjoyed over two decades of a close friendship with the holy, quirky Padre Pio, whom he considered his spiritual father. Adding his own personal experience to a foundation of biographical research, Amorth gives an entertaining and illuminating account of perhaps one of the best-known saints of the twentieth century. In this book, we span from Padre Pio's childhood—where he cured himself of a disease by wolfing down all his mother's fried bell peppers—to his miracle-filled priesthood, to his Italian gift for mimicry, humor, and storytelling. Rather than a plaster image of a saint, this book is a portrait of a fully human kind of holiness, proof that even the most astonishing graces can be lived out with simplicity and

joy.

The Best of "The Spirit of Medjugorje" June Klins, 2007-09-24 In 1981 a beautiful lady appeared to 6 young people in the village of Medjugorje in what is now Bosnia-Herzegovina. She told them that She was the Blessed Virgin Mary, the Queen of Peace, and came with a message of peace. She has continued to appear since 1981 to give messages to the world of peace, love and joy. She is confiding ten secrets to each visionary (some are chastisements for the world) and promises to leave a visible sign at the place of the apparitions in Medjugorje for all humanity. This time, this period of grace, is for conversion and deepening faith. After the visible sign, those living will have little time for conversion. Many books have been written about Medjugorje, but this one and Volume I of this series are different. They both include not only information about Medjugorje and talks and interviews with the visionaries, but also heartfelt testimonies of those who have been healed and changed through Medjugorje, as well as advice, written from the heart, on how to live the messages. This book is for EVERYONE - all Our Lady's children, Catholic and non-Catholic. If you have not heard about Medjugorje, it will tell you everything you need to know. If you have been following the messages of Medjugorje or have been one of the millions of people blessed to have been there, this book will light your fire all over again. I desire to lead you all on the way of holiness. Live my messages and put into life every word that I am giving you. May they be precious to you because they come from Heaven. (Our Lady of Medjugorje, 6/25/02)

Exorcism and Deliverance Ministry in the Twentieth Century James M. Collins, 2009-11-10 This study seeks to demonstrate that exorcism/deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades, through its heyday in the 1970s and 80s, on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical Fundamentalist, are identified and examined as the environment in which two related streams of exorcism/deliverance ministry was practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism and the practice of this rite within non-Western churches.
