

# Sri Lankan Kandyan Dance

**Robert Aldrich**

**An Introduction to Kandyan Dance** Dilini Seneviratne, 2021-09-29 Explore Sri Lanka's most traditional dance form Kandyan, its rich history and practices as well as terminologies associated with the dance. In this book, you will learn about Sri Lanka, its rich history in performing arts and making of a Kandyan dancer supported by colourful illustrations! The author, Dilini Seneviratne is a British-Sri Lankan Kandyan dance practitioner. She has been teaching, choreographing, performing and practising Kandyan dance in England for over 10 years. She has performed at various reputable Sri Lankan events and venues under the guidance of Miss Kumudu Perera and Professor Mudiyanse Dissanayake in the U.K. Her main research area lies in Kandyan dance and its practices beyond Sri Lanka. In this book, Dilini introduces Kandyan dance to dance enthusiasts by sharing valuable theoretical knowledge complimented by colourful illustrations, in the hope that it encourages the next generation to take their first Kandyan step! Suitable for all ages.

*The city guide for Kandy (Sri Lanka)* YouGuide Ltd,

Historical Dictionary of Sri Lanka Patrick Peebles, 2015-10-22 Sri Lanka has had a celebrated history, a long colonial past, and since independence in 1948 has passed through a series of crises and political experiments. It has had a remarkable record of voters turning out unpopular governments, often by sweeping margins. On 8 January 2015 voters again

performed this feat when Maithripala Sirisena, representing a coalition of disparate parties, defeated Mahinda Rajapaksa for the presidency. Rajapaksa was turning the nation away from its democratic heritage towards authoritarianism and militarism. Independent Sri Lanka's economy stagnated for decades before it began to grow in the 1980s. It has had significant economic growth since the end of the 26-year war against the separatist Liberation Tigers of Tamil Eelam (LTTE) in 2009. Although reconciliation between the Sinhalese Buddhist majority and Hindu, Muslim and Christian minorities seems distant, prospects for Sri Lanka seem better than they have been for decades. The Historical Dictionary of Sri Lanka contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Sri Lanka.

Traditional Dance of Sri Lanka Anuradha Seneviratna, 1984

*Dance and the Nation* Susan Anita Reed, 2010 Around the globe, dances that originate in village, temple, and court rituals have been adapted and transformed to carry secular meanings and serve new national purposes. In stage performances, dance competitions, and festivals worldwide, dance has become an emblem of ethnicity and an index of national identity. But what are the backstage stories of those dances, and what have been the consequences for their communities of origin? In *Dance and the Nation*, Susan A. Reed brings to light the complexities of aesthetic politics in a multi-faceted exploration and analysis of the Kandyan dance of Sri Lanka. The dance, which is identified with the island's majority Sinhala ethnic group, is heavily supported by the state. Derived from the Kohomba kankariya, an elaborate village ritual performed by men of the hereditary drummer caste, the dance was adopted by the state as a symbol of traditional Sinhala culture in the postindependence period and opened to individuals of all castes. Reed's evocative account traces the history and consequences of this transition from ritual to stage, situating the dance in relation to postcolonial nationalism and ethnic politics and emphasizing the voices and perspectives of the hereditary dancers and women performers. Kandyan dance is characterized by an elegant and energetic style and lively displays of agility. The companion DVD includes unparalleled footage of this vibrant dance in ritual, stage, and training contexts, and features the most esteemed performers of the Kandyan region.

*Introduction to Sri Lanka* Gilad James, PhD, Sri Lanka, formerly known as Ceylon, is an island nation located in the Indian Ocean. The country has a rich cultural heritage that spans over 2,000 years, having been influenced by South Indian, Buddhist, and European cultures. Sigiriya, a UNESCO World Heritage site is a popular tourist destination featuring a 200-meter high rock fortress, frescoes, and gardens in the central part of the island. Along with the historical sites, the island nation is also well-known for its beaches, wildlife, culinary delights, and tea plantations. The country has eight UNESCO World Heritage sites, including the ancient city of Polonnaruwa, which was the second capital of Sri Lanka during the 11th

and 13th centuries. Sri Lanka has evolved from its past as a newly independent state to a modern, globalized economy. Over the past few decades, major industries such as information technology, tourism, and textiles have all contributed to the country's growth. Additionally, Sri Lanka is also known for its high-quality tea production, which is exported internationally. While there are still some concerns regarding human rights and corruption, the country is making strides to address these issues and attract more foreign investment. Despite its size, Sri Lanka has a rich history, vibrant culture, and interesting geography, making it an increasingly popular destination for travelers around the world.

**The Rough Guide to Sri Lanka** ,2012-11-01 The Rough Guide to Sri Lanka is the most comprehensive and user-friendly travellers' guide to this fascinating country. This is the time to discover Sri Lanka - the Rough Guide is your perfect companion. Make the most of your time with The Rough Guide to Sri Lanka. Now available in ePub format.

*Cultural Encounters and Homoeroticism in Sri Lanka* Robert Aldrich,2014-10-17 Ceylon, or Sri Lanka, was long known to travellers for its luxuriant landscapes, colourful temples and friendly inhabitants - the island once named Serendip. This book explores the sojourns of gay visitors from the late 1800s to the modern day, providing a history of homosexuality, travel and cultural encounter on the island. The book offers profiles of major figures in Sri Lankan culture and of homosexual visitors, both famous and infamous, to the island. It discusses the experiences of sojourners including the Victorian social reformer Edward Carpenter and the German naturalist Ernst Haeckel, such British and American writers as Paul Bowles and Arthur C. Clarke, and the Australian painter Donald Friend. It also pays particular attention to Lionel Wendt, one of the most important modernist photographers outside Europe. For these figures, an erotic appreciation of young men whom they encountered mixed with interest in Sinhalese art, Buddhist and Hindu spirituality, and the flora and fauna of the island. Their experiences influenced modern writing, art and dance. Cultural influences moved in both directions, however, and Sri Lankans also found inspiration from abroad. The book argues that homosexuals played a major role in the transmission of cultural influences from Sri Lanka to the rest of the world, and from the wider world to this Indian Ocean island. Providing an original analysis of gay cultures in Sri Lanka from Victorian encounters to the present day, this book is the first study of Sri Lanka as a site of gay travel. An excellent study of trans-national cultural exchange, sexuality and the relationships between them, it will be of interest to academics in the field of Asian Studies, Colonial History and Gay and Queer Studies.

*Who's Who in Research: Performing Arts* Intellect Books, 2013-01-01 Increasingly, academic communities transcend national boundaries. "Collaboration between researchers across space is clearly increasing, as well as being increasingly sought after," noted the online magazine *Inside Higher Ed* in a recent article about research in the social sciences and humanities. Even for those scholars who don't work directly with international colleagues, staying up-to-date and relevant requires keeping up with international currents of thought in one's field. But when one's colleagues span the globe, it's not always easy to keep track of who's who—or what kind of research they're conducting. That's where Intellect's new series comes in. A set of worldwide guides to leading academics—and their work—across the arts and humanities, *Who's Who in Research* features comprehensive profiles of scholars in the areas of cultural studies, film studies, media studies, performing arts, and visual arts. *Who's Who in Research: Performing Arts* includes concise yet detailed listings including each academic's name, institution, biography, and current research interests, as well as bibliographic information and a list of articles published in Intellect journals. The volumes in the *Who's Who in Research* series will be updated each year, providing the most current information on the foremost thinkers in academia and making them an invaluable resource for scholars, hiring committees, academic libraries, and would-be collaborators across the arts and humanities.

The SAGE International Encyclopedia of Music and Culture Janet Sturman,2019-02-26 The SAGE Encyclopedia of Music and Culture presents key concepts in the study of music in its cultural context and provides an introduction to the discipline of ethnomusicology, its methods, concerns, and its contributions to knowledge and understanding of the world's musical cultures, styles, and practices. The diverse voices of contributors to this encyclopedia confirm ethnomusicology's fundamental ethos of inclusion and respect for diversity. Combined, the multiplicity of topics and approaches are presented in an easy-to-search A-Z format and offer a fresh perspective on the field and the subject of music in culture. Key features include: Approximately 730 signed articles, authored by prominent scholars, are arranged A-to-Z and published in a choice of print or electronic editions Pedagogical elements include Further Readings and Cross References to conclude each article

and a Reader's Guide in the front matter organizing entries by broad topical or thematic areas Back matter includes an annotated Resource Guide to further research (journals, books, and associations), an appendix listing notable archives, libraries, and museums, and a detailed Index The Index, Reader's Guide themes, and Cross References combine for thorough search-and-browse capabilities in the electronic edition

*Excursions in World Music, Seventh Edition* Bruno Nettl, 2016-08-05 *Excursions in World Music* is a comprehensive introductory textbook to world music, creating a panoramic experience for students by engaging the many cultures around the globe and highlighting the sheer diversity to be experienced in the world of music. At the same time, the text illustrates the often profound ways through which a deeper exploration of these many different communities can reveal overlaps, shared horizons, and common concerns in spite of and, because of, this very diversity. The new seventh edition introduces five brand new chapters, including chapters by three new contributors on the Middle East, South Asia, and Korea, as well as a new chapter on Latin America along with a new introduction written by Timothy Rommen. General updates have been made to other chapters, replacing visuals and updating charts/statistics. *Excursions in World Music* remains a favorite among ethnomusicologists who want students to explore the in-depth knowledge and scholarship that animates regional studies of world music. A companion website is available at no additional charge. For instructors, there is a new test bank and instructor's manual. Numerous student resources are posted, including streamed audio tracks for most of the listening guides, interactive quizzes, flashcards, and an interactive map with pinpoints of interest and activities. An ancillary package of a 3-CD set of audio tracks is available for separate purchase. PURCHASING OPTIONS Paperback: 9781138101463 Hardback: 9781138688568 eBook and mp3 file: 9781315619378\* Print Paperback Pack - Book and CD set: 9781138666443 Print Hardback Pack - Book and CD set: 9781138666436 Audio CD: 9781138688032 \*See VitalSource for various eBook options (mp3 audio compilation not available for separate sale)

The Routledge Companion to Cultural Text and the Nation Sheera Talpaz, Anuradha Dingwaney Needham, 2025-03-31 *The Routledge Companion to Cultural Text and the Nation* brings together over 30 articles by leading and emerging scholars from around the world who engage fresh critical lenses, from affect studies to the medical humanities, and re-energize established frameworks to examine the interplay between cultural production and conceptualizations of the nation and nationalism. The scholarship in this volume takes as its objects of analysis various forms of aesthetic and cultural production, from film and literature to museums and costume books, enriching the conversation that has often siloed these forms. Geared toward scholars, graduate students, and upper-level undergraduates across the humanities and social sciences, this timely, interdisciplinary collection is issued at a critical juncture in the transformation of the nation and the global resurgence of regressive and populist nationalist movements. Both offering new insights reorienting our understanding of canonical materials and bringing noncanonical works to light, this volume challenges long-held assumptions about the nation while

establishing its continued significance and future possibilities.
