Cruel Illusions Margie Fuston, 2022-11-01 “The perfect sinisterly magical escape...full of longing, desperation, and betrayal.” —Stephanie Garber, New York Times bestselling author of the Caraval trilogy and Once Upon a Broken Heart Caraval meets Buffy the Vampire Slayer in this “beguiling” (Publishers Weekly, starred review) young adult fantasy about a girl who makes a deal with a magical secret society to enter a potentially deadly competition for the chance to avenge her mother’s death. Ever since a vampire murdered her mother, Ava has been determined to get revenge. This all-encompassing drive has given her the fuel she needed to survive foster home after foster home. But it’s been ten years since anyone’s seen a vampire, and Ava has lost hope that she’ll ever find one...until she stumbles across a hidden magic show where she witnesses impossible illusions. The magicians may not be the bloodsuckers she’s hunting, but Ava is convinced something supernatural is at play, so she sneaks backstage and catches them in acts they can’t explain. But they’ve been waiting for her. The magicians reveal they’re part of an ancient secret society with true magic, and Ava has the same power in her blood that they do. If she joins them, they promise to teach her the skills she needs to hunt vampires and avenge her mother. But there’s a catch: if she wants to keep the power they offer, she needs to prove she’s worthy of it. And to do so, she must put on the performance of her life in a sinister and dangerous competition where illusion and reality blur, and the stakes are deadly.

Changer Jane Lindskold, Wild and unpredictable, brother to the sea, older than the creatures that walk the earth or swim in her waters, the Changer delights in countless shapes. When someone attempts to wipe out his family, the Changer discards coyote form and descends from the wilderness to call in a few favors from none other than King Arthur himself. But Arthur has problems of his own. The Lustrum Review is about to meet and the tenuous accord that holds the athanor community in loose alliance is being challenged. Some of the challengers merely desire to see a few restrictions dropped. Others wish to see the Accord destroyed – and if Arthur and his closest allies are destroyed with it, they would be delighted.

For Arthur, the Changer's arrival, ominous as it may be could also be a wonderful opportunity to demonstrate how the Accord serves even the most ancient among their immortal community. He also hopes that their alliance will serve to anchor this wild one more firmly to his cause. Yet nothing is ever that simple. Before the Changer takes his revenge, those who have called themselves gods and have been the root of many a heroic legend will find themselves threatened with destruction. The very earth itself will shake. And a coyote pup—sole survivor of the Changer's murdered family—will discover both her weakness and her hidden strength. New to this edition of Changer—special introduction by the author!

The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for le mot juste (the precise word). Madame Bovary takes place in provincial northern France, near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid, kindhearted man without much ability or ambition. Madame Bovary Flaubert, Gustave,2015-10-15 Madame Bovary (1856) is the French writer Gustave Flaubert's debut novel. The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for le mot juste (the precise word). Madame Bovary takes place in provincial northern France, near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid, kindhearted man without much ability or ambition. As the novel opens, Charles is a shy, oddly dressed teenager arriving at a new school amidst the ridicule of his new classmates.

Later, Charles struggles his way to a second-rate medical degree and becomes an officier de santé in the Public Health Service. His mother chooses a wife for him, an unpleasant but supposedly rich widow named Heloise Dubuc, and Charles sets out to build a practice in the village of Tostes (now Tôtes). One day, Charles visits a local farm to set the owner's broken leg, and meets his client's daughter, Emma Rouault. Emma is a beautiful, daintily dressed young woman who has received a good education in a convent and who has a latent but powerful yearning for luxury and romance imbibed from the popular novels she has read. Charles is immediately attracted to her, and begins checking on his patient far more often than necessary until Heloise's jealousy puts a stop to the visits. When Heloise dies, Charles waits a decent interval, then begins courting Emma in earnest. Her father gives his consent, and Emma and Charles are married.
