The God of Jesus Christ Walter Kasper, 2012-03-01 Kasper is a master synthesiser, and his display of erudition alone makes this book a worthy read and an invaluable resource for questions of God and Trinity. Using admittedly polemical language, he calls for a 'theological theology' which makes the explanation of the confession of the triune God its first priority, not only for speculative but also for pastoral reasons. This is the reissue of a theological work of considerable importance for which Cardinal Kasper has written an entirely new introduction taking modern developments in theology fully into account.

The Prophet Is the People: An Answer to "Why Elijah?" in Second Temple Jewish and Early Christian Literature Alicia R. Hein, 2025-07-24
The question of why the prophet Elijah comes to hold such enduring significance in early Jewish and Christian tradition has previously remained largely unaddressed. Why is it Elijah, as opposed to any other prophet of the Hebrew tradition, who is associated with Israel's future restoration? Why is his return predicted by the book of Malachi? Why are both Jesus and John the Baptist associated with Elijah in the New Testament Gospels? This study argues that Elijah's literary character is portrayed and received throughout early Jewish and Christian literature as the paradigmatic prophet who simultaneously embodies the righteous people of God, and thereby, by his ongoing life, ensures a remnant's survival and restoration.
