

# The Seas By Samantha Hunt

## Samantha Hunt

**The Seas** Samantha Hunt, 2004 A strange young woman who thinks she's a mermaid falls in love with an ex-soldier who is haunted by the sea.

**The Seas** Samantha Hunt, 2019-07-16 National Bestseller Moored in a coastal fishing town so far north that the highways only run south, the unnamed narrator of *The Seas* is a misfit. She's often the subject of cruel local gossip. Her father, a sailor, walked into the ocean eleven years earlier and never returned, leaving his wife and daughter to keep a forlorn vigil. Surrounded by water and beckoned by the sea, she clings to what her father once told her: that she is a mermaid. True to myth, she finds herself in hard love with a land-bound man, an Iraq War veteran thirteen years her senior. The mesmerizing, fevered coming-of-age tale that follows will land her in jail. Her otherworldly escape will become the stuff of legend. With the inventive brilliance and psychological insight that have earned her international acclaim, Samantha Hunt pulls readers into an undertow of impossible love and intoxication, blurring the lines between reality and fairy tale, hope and delusion, sanity and madness.

**The Dark Dark** Samantha Hunt, 2024-07-02 A “wonderfully spooky” story collection exploring the strangeness that inhabits our mundane lives (*The New Yorker*). Best Book of the Year: NPR, Vogue, The Huffington Post, The Chicago Review of Books, The National Post, Electric Literature, Kirkus Reviews From the acclaimed author of *Mr. Splitfoot*, Samantha Hunt's first collection of stories, *The Dark Dark*, blends the literary and the fantastic and brings us characters on the verge—girls turning into women, women turning into deer, people doubling or becoming ghosts, and more. Step into *The Dark Dark*, where an award-winning, acclaimed novelist debuts her first collection of short stories and conjures entire universes in just a few pages—conjures, splits in half, mines for humor, destroys with absurdity, and regenerates. In prose that sparkles and haunts, Samantha Hunt playfully pushes the bounds of the expected and fills every corner with vibrant life, imagining numerous ways in which the weird might poke its way through the mundane. Each of these ten haunting, inventive tales brings us to the brink—of creation, mortality and immortality, infidelity and transformation, technological innovation and historical revision, loneliness and communion, and every kind of love. Laced with lyricism, hope, Hunt's characteristic sly wit, and her unflinching gaze into the ordinary horrors of human existence, *The Dark Dark* celebrates the mysteries and connections that swirl around us. It's never all the same, Hunt tells us. It changes a tiny bit every time. See for yourself.

Praise for *The Dark Dark* “A feminist manifesto threaded through imaginative fiction; it’s the most evocative, impressive collection I’ve read this year.” —Daniel Johnson, *The Paris Review*, staff pick “Grab your comforter and a flashlight for this tour de force collection from one of our most inventive storytellers.” —Kirkus Reviews, starred review “If you love strange fiction—Kelly Link, Aimee Bender, Karen Joy Fowler, Karen Russell, *Twin Peaks*, *Stranger Things*—Samantha Hunt’s *The Dark Dark* is a must-read title.” —Chicago Review of Books

**The Seas** Samantha Hunt, 2019-07-16 National Bestseller *The Seas* took me back to how I felt as a kid, when you’re newly falling in love with literature, newly shocked by its capacity to cast a spell... ?Maggie Nelson (from the Introduction) A Most Anticipated Book of Summer at BuzzFeed, NYLON, and more. Moored in a coastal fishing town so far north that the highways only run south, the unnamed narrator of *The Seas* is a misfit. She’s often the subject of cruel local gossip. Her father, a sailor, walked into the ocean eleven years earlier and never returned, leaving his wife and daughter to keep a forlorn vigil. Surrounded by water and beckoned by the sea, she clings to what her father once told her: that she is a mermaid. True to myth, she finds herself in hard love with a land-bound man, an Iraq War veteran thirteen years her senior. The mesmerizing, fevered coming-of-age tale that follows will land her in jail. Her otherworldly escape will become the stuff of legend. With the inventive brilliance and psychological insight that have earned her international acclaim, Samantha Hunt pulls readers into an undertow of impossible love and intoxication, blurring the lines between reality and fairy tale, hope and delusion, sanity and madness.

*The Invention of Everything Else* Samantha Hunt, 2009-03-02 Nikola Tesla spends the last days of his extraordinary life at the Hotel New Yorker “in this surreal historical novel [that] dazzles in the details” (*The New Yorker*). It is 1943, and legendary inventor Nikola Tesla occupies a forbidden room on the 33rd floor of the Hotel New Yorker, stealing electricity. Broke, forgotten, and suffering from a weak heart, his only consolations are his memories and his daily walks to Bryant Park. Louisa, a young hotel chambermaid, is determined to befriend him. And as she helps him on his daily walks, she wins his affection through a shared love of pigeons. Little by little, he confides in her the tragic and tremendous story of his life. Meanwhile, Louisa’s father is embarking on an unlikely mission to travel back in time to find his beloved late wife. A “sophisticated pastiche of science fiction, fantasy, melodrama, and historical anecdote,” *The Invention of Everything Else* is both a heartfelt story of love and death and an homage to one of history’s most visionary scientists (Elle).

*The Unwritten Book* Samantha Hunt, 2022-04-05 “One of our most interesting and bold writers . . . [offers] a characteristically wild effort that defies genre distinctions, flits from the profound to the mundane with fierce intelligence and searching restlessness, and at its best, delves deep into the recesses of the human heart with courageous abandon . . . An intoxicating blend of humor and pathos.” —Priscilla Gilman, *The Boston Globe* “Eerie, profound, and daring, this is a book only the inimitable Hunt could write.” —Adrienne Westenfeld, *Esquire* From Samantha Hunt, the award-winning author of

The Dark Dark, comes The Unwritten Book, her first work of nonfiction, a genre-bending creation that explores the importance of books, the idea of haunting, and messages from beyond I carry each book I've ever read with me, just as I carry my dead—those things that aren't really there, those things that shape everything I am. A genre-bending work of nonfiction, Samantha Hunt's The Unwritten Book explores ghosts, ghost stories, and haunting, in the broadest sense of each. What is it to be haunted, to be a ghost, to die, to live, to read? Books are ghosts; reading is communion with the dead. Alcohol is a way of communing, too, as well as a way of dying. Each chapter gathers subjects that haunt: dead people, the forest, the towering library of all those books we'll never have time to read or write. Hunt, like a mad crossword puzzler, looks for patterns and clues. Through literary criticism, history, family history, and memoir, inspired by W. G. Sebald, James Joyce, Ali Smith, Toni Morrison, William Faulkner, and many others, Hunt explores motherhood, hoarding, legacies of addiction, grief, how we insulate ourselves from the past, how we misinterpret the world. Nestled within her inquiry is a very special ghost book, an incomplete manuscript about people who can fly without wings, written by her father and found in his desk just days after he died. What secret messages might his work reveal? What wisdom might she distill from its unfinished pages? Hunt conveys a vivid and grateful life, one that comes from living closer to the dead and shedding fear for wonder. The Unwritten Book revels in the randomness, connectivity, and magic of everyday existence. And at its heart is the immense weight of love.

**Like Love: Essays and Conversations** Maggie Nelson, 2024-04-02 One of the Globe and Mail's most anticipated books of 2024 A career-spanning collection of inspiring, revelrous essays about art and artists. Like Love is a momentous, raucous collection of essays drawn from twenty years of Maggie Nelson's brilliant work. These profiles, reviews, remembrances, tributes, and critical essays, as well as several conversations with friends and idols, bring to life Nelson's passion for dialogue and dissent. The range of subjects is wide—from Prince to Carolee Schneemann to Matthew Barney to Lhasa de Sela to Kara Walker—but certain themes recur: intergenerational exchange; love and friendship; feminist and queer issues, especially as they shift over time; subversion, transgression, and perversity; the roles of the critic and of language in relation to visual and performance arts; forces that feed or impede certain bodies and creators; and the fruits and follies of a life spent devoted to making. Arranged chronologically, Like Love shows the writing, thinking, feeling, reading, looking, and conversing that occupied Nelson while writing iconic books such as Bluets and The Argonauts. As such, it is a portrait of a time, an anarchic party rich with wild guests, a window into Nelson's own development, and a testament to the profound sustenance offered by art and artists.

*Tin House 77: Poison* Rob Spillman, Holly MacArthur, 2018-09-11 An award-winning quarterly, Tin House started in 1999, the singular love child of an eclectic literary journal and a beautiful glossy magazine. Our fall issue will be packing stories, essays, and poems inspired by poison pens, poison pills, and general-use poisons. But don't worry, reading is the antidote, too. Featuring Elisa Albert, Melissa Febos, Ethan Rutherford, Shane McCrae, Deb Olin Unferth, and more.

**Echoes of the Deep** Cassandra L. Faelan, 2025-02-04 Dive into the Mystical World Beneath the Waves *Echoes of the Deep: The Singing Mermaids* is your ticket to a mesmerizing journey through the depths of the ocean and the rich tapestry of culture and myth that surrounds these enigmatic creatures. Whether you are a lifelong fan of mythical tales or new to the world of the mermaids, this enchanting exploration offers an unforgettable experience. Throughout the pages, uncover the origins and legends that have shaped humanity's fascination with mermaids for centuries. From the cultural roots that birthed their image to the ancient mythologies that gave them voices, discover a world where myths and reality intertwine in compelling ways. Explore the mermaid's symbolism and significance and their dual nature—an embodiment of beauty and peril. Immerse yourself in the scientific exploration of their fabled songs. Could the melodious allure of their voice have real-world parallels in marine life vocalizations? Engage with the art, music, and literature inspired by these aquatic beings, tracing their influence from classic depictions to modern portrayals in current media. Mermaid imagery and themes have enchanted artists and storytellers across the globe, breathing life into countless adaptations and reimaginings. The book also delves into the modern revival of mermaid mythology, reflecting on how these enduring figures continue to capture the human imagination amidst a changing world. Discover their impact on culture, the environment, and their new roles as symbols of oceanic conservation. Ignite your curiosity with *Echoes of the Deep: The Singing Mermaids*; it promises a deep dive into a realm where stories are both mirrors to our past and windows to our future, leaving you yearning for more of the ocean's mysteries.

**Fairy Tales on the Teen Screen** Athena Bellas, 2017-10-10 This book examines how the fairy tale is currently being redeployed and revised on the contemporary teen screen. The author redeploys Victor Turner's work on liminality for a feminist agenda, providing a new and productive method for thinking about girlhood onscreen. While many studies of teenagehood and teen film briefly invoke Turner's concept, it remains an underdeveloped framework for thinking about youth onscreen. The book's broad scope across teen media—including film, television, and online media—contributes to the need for contemporary analysis and theorisation of our multimedia cultural climate.

**Abandon Every Hope: Essays for the Dead** Hayley Singer, 2023-01-10 *Abandon Every Hope* mournfully investigates the literatures of the slaughterhouse and a world motivated by profitable death, to ultimately ask: where does this horror begin and how can it end? "Experimental and jostling in its use of poetic, lyric, academic and reflective writing styles, this book grapples with the industrial meat complex." -Stella Prize Judges comments Can anyone smell the suffering of souls? Of sadness, of hell on earth? Hell, I imagine, has a smell that bloats into infinity. Has a nasty sting of corpses. What was it Dante wrote? *Abandon Every Hope* is a lament, an elegy, a deranged encyclopedia, and a diary of anxiety. How can anyone document the vastness of violence against animals in a bloated industrial age? Across a series of essays, Hayley Singer investigates the literatures of the slaughterhouse to map the contours of a world cut to pieces by organised and profitable

death. A compelling debut in poetic prose, Singer asks how we may write the life of the dead; the smell of an egg factory; of multispecies PTSD; of planetary harm and self-harm: of the horror we make on earth. Where does the slaughterhouse begin and how can it end? "Singer writes with a magnificent intensity, moving between different registers in order to bear witness to the pain and suffering of the slaughterhouse." Stephanie King, Readings "Abandon Every Hope takes the form of a thanatography - an attempt to write death - which Hayley Singer describes as having a "nearness to biography." Fiona Wright, The Saturday Paper "A quietly ambitious book about suffering." Ben Brooker, Australian Book Review "Singer's skill lies in controlling the level of discomfort in the essays to the point where you feel it as a reader but don't put the book down for a breath of fresh air or a long stare out the window, reflecting on your own part in all this." Jasper Linde, The Canberra Times

Tin House: Summer Reading 2018 Holly MacArthur, Win McCormack, Rob Spillman, 2018-07-31 Throw on your sunglasses and prop up the parasol, Tin House is back with another Summer Reading edition. Enjoy the hottest new fiction, shine some light with uniquely personal nonfiction, and then cool off in the shade with the poets.

**Tin House Magazine: This Means War: Vol. 14, No. 3** Win McCormack, Holly MacArthur, Rob Spillman, 2013-03-05 Tin House is an award-winning literary magazine that publishes new writers as well as more established voices; essays as well as fiction, poetry, and interviews.

*Mr. Splitfoot* Samantha Hunt, 2016-01-05 The strange odysseys of two young women animate this "hypnotic and glowing" American gothic novel that blurs the line between the real and the supernatural (Gregory Maguire, The New York Times Book Review). A New York Times Editors' Choice A Paris Review Staff Pick Ruth and Nat are seventeen. They are orphans living at The Love of Christ! Foster Home in upstate New York. And they may be able to talk to the dead. Enter Mr. Bell, a con man with mystical interests who knows an opportunity when he sees one. Together they embark on an unexpected journey that connects meteor sites, utopian communities, lost mothers, and a scar that maps its way across Ruth's face. Decades later, Ruth visits her niece, Cora. But while Ruth used to speak to the dead, she now doesn't speak at all. Even so, she leads Cora on a mysterious mission that involves crossing the entire state of New York on foot. Where is she taking them? And who—or what—is hidden in the woods at the end of the road? "[A] gripping novel...The narratives, which twist together into a shocking dénouement, are marked by ghost stories."—The New Yorker

*Rain Taxi Review of Books*, 2004

*The Show I'll Never Forget* Sean Manning, 2009-02-23 In *The Show I'll Never Forget*, writer Sean Manning has gathered an amazing array of unforgettable concert memories from a veritable A-list of acclaimed novelists, poets, biographers, cultural critics, and songwriters. Their candid, first-person recollections reveal as much about the writers' lives at the time as they do about the venues where the shows occurred or the artists onstage. Ishmael Reed on Miles Davis Luc Sante on Public

No matter where your musical taste falls, these often funny, occasionally sad, always thought-provoking essays-all written especially for The Show I'll Never Forget-are sure to connect with anyone who loves, or has ever loved, live music.

**I Heard Her Call My Name** Lucy Sante, 2025-01-21 FINALIST FOR THE PULITZER PRIZE Named a Best Book of the Year by The New York Times, The Washington Post, and Slate “Reading this book is a joy . . . much to say about the trans journey and will undoubtedly become a standard for those in need of guidance. ” —The Washington Post “Sante’s bold devotion to complexity and clarity makes this an exemplary memoir. It is a clarion call to live one’s most authentic life.” —The Boston Globe “Not to be missed, *I Heard Her Call My Name* is a powerful example of self-reflection and a vibrant exploration of the modern dynamics of gender and identity.” —Lit Hub’s Most Anticipated Books of 2024 An iconic writer’s lapidary memoir of a life spent pursuing a dream of artistic truth while evading the truth of her own gender identity, until, finally, she turned to face who she really was For a long time, Lucy Sante felt unsure of her place. Born in Belgium, the only child of conservative working-class Catholic parents who transplanted their little family to the United States, she felt at home only when she moved to New York City in the early 1970s and found her people among a band of fellow bohemians. Some would die young, from drugs and AIDS, and some would become jarringly famous. Sante flirted with both fates on her way to building an estimable career as a writer. But she still felt like her life was a performance. She was presenting a facade, even to herself. Sante’s memoir braids together two threads of personal narrative: the arc of her life, and her recent step-by-step transition to a place of inner and outer alignment. Sante brings a loving irony to her account of her unsteady first steps; there was much she found she still needed to learn about being a woman after some sixty years cloaked in a man’s identity, in a man’s world. A marvel of grace and empathy, *I Heard Her Call My Name* parses with great sensitivity many issues that touch our lives deeply, of gender identity and far beyond.

*My Inventions and Other Writings* Nikola Tesla, 2011-12-27 The fascinating autobiography of the legendary inventor behind the radio, wireless energy, robotics, and much more. Famous for his pioneering contributions to the electronic age, his lifelong feud with Thomas Edison, and his erratic behavior, Nikola Tesla was one of the most brilliant and daring inventors and visionaries of his time. *My Inventions* is Tesla's autobiography, with meditations on his major discoveries and innovations, including the rotating magnetic field, the magnifying transmitter, and the Tesla coil. This volume also includes

three articles by Tesla, as well as an enlightening introduction that discredits many of the myths surrounding the thinker's eccentric life. This rare window into the industrial age's most tragic genius will fascinate historians, scientists, aspiring inventors, and curious fans alike. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Blue Mesa Review ,2004

**Young Adult Resources Today** Don Latham,Melissa Gross,2014-05-21 Young Adult Resources Today: Connecting Teens with Books, Music, Games, Movies, and More is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape. The authors integrate a research-focused information behavior approach with a literature-focused resources approach, and bring together in one volume key issues related to research, theory, and practice in the provision of information services to young adults. Currently, no single book addresses both YA information behaviors and information resources in any detail; instead, books tend to focus on one and give only cursory attention to the other. Key features of this revolutionary book include its success in: Integrating theory, research, and practiceIntegrating implications for practice throughout the bookIntegrating knowledge of resources with professional practice as informed by researchIntegrating both print and electronic formats throughout—within the resource chapters (including websites and social media) Latham and Gross accomplish all this while, paying particular attention to the socially constructed nature of young adulthood, diversity, YA development, and multiple literacies. Their coverage of information landscapes covers literature (with detailed coverage of both genres and subgenres), movies, magazines, web sites, social media, and gaming. The final chapter cover navigating information landscapes, focusing on real and virtual YA spaces, readers' advisory, programming, and collaboration. Special attention is paid to program planning and evaluation.
