M Lipman

What I Was Doing While You Were Breeding Kristin Newman, 2014-05-20 A “truly hilarious” (Glamour), sexy, and ultimately poignant memoir about mastering the art of the “vacationship” from a writer and co-executive producer of Hulu’s *Only Murders in the Building*—now with a new afterword “What I Was Doing While You Were Breeding is kind of like if *Eat, Pray, Love* were written by your funniest friend.”—Rachel Dratch Kristin Newman spent much of her twenties and thirties buying dresses to wear to her friends’ weddings and baby showers. Not ready to settle down and in need of an escape from her fast-paced job as a sitcom writer, Kristin instead traveled the world, often alone, for several weeks each year. In addition to falling madly in love with the planet, Kristin fell for many attractive locals, men who could provide the emotional connection she wanted without costing her the freedom she desperately needed. Kristin introduces readers to the Israeli bartenders, Finnish poker players, sexy Bedouins, and Argentinean priests who helped her transform into “Kristin-Adjacent” on the road—a slower, softer, and, yes, sluttier version of herself at home. Equal parts laugh-out-loud storytelling, candid reflection, and wanderlust-inspiring travel tales, *What I Was Doing While You Were Breeding* is a compelling debut that will have readers rushing to renew their passports.

Doing Ethnography Charlene Elizabeth Miall, Dorothy Pawluch, William Shaffir, 2005 This unique volume first considers the merits of qualitative research, profiles interviewing strategies and discusses the relationship to respondents and how to write about social life. The later portion of 'Doing Ethnography' contains three essential sections: constructing perspectives, constructing identities as well as doing and relating. Harrowing case studies and original research are featured throughout.

The Me, Without Jacqueline Raposo, 2019-01-16 A Main Selection of the One Spirit Book Club! Raposo's engaging report on stripping life down will inspire readers looking for manageable tweaks to hectic living. — Publishers Weekly At the age of thirty-four, journalist Jacqueline Raposo finds herself sick, single, broke, and wandering in a fog. Despite decades of discipline, her chronic illness is getting worse. Despite hosting a radio show about dating, she hasn't been in love in years. And despite a successful writing career, she's deeply in debt. Weary of trying to solve her problems by adding things to her life, she attempts the opposite and subtracts some of her most constant habits — social media, shopping, sugar, and negative thoughts — for periods of thirty to ninety days over the course of one year. In this intimately curated search for self-improvement (a quest that readers can easily personalize for themselves), Raposo confesses to the sometimes violent and

profound shifts in her social interactions, physical health, and sense of self-worth. With the input of doctors, psychologists, STEM experts, and other professionals, she offers fascinating insights into how and why our brains and bodies react as they do to our habits. She also sheds light on the impact of our everyday choices on our mental state. Part memoir, part case study, this book offers you an inspiring example of how to forge your own journey, expose your wounds, and help yourself heal. No cheesy self-help here, *The Me, Without* is sharply written and massively relatable. Raposo packs a powerful message into an emotional and entertaining read. — Kaia Roman, author of *The Joy Plan* Jacqueline is able to make me chuckle with one sentence and then have a deep introspective moment in the next. Her openness and honesty is truly amazing. If you have been looking to examine your relationship with the world, this is the book for you! — Travis McElroy, host of the podcasts *My Brother*, *My Brother*, and *Me* and *The Adventure Zone* So many of us live in terror of deprivation, whether it's tangible, edible, social, physical, financial, or emotional, because we are terrified of what we'll see when we're stripped bare. In Jacqueline Raposo's brave, rigorous, and vulnerable exploration of what it means to live without, the author uses periods of deliberate abstinence from habits to find new ways to engage with the world, determine what's been pinning her in place, and reveal the person she truly can be when she's freed of it all. It's essential reading for anyone on the cusp of making a major life change — or even a minor one. — Kat Kinsman, author of *Hi, Anxiety*

Call You When I Land Nikki Vargas, 2023-11-07 I absolutely loved it. It’s so good. So real and heartfelt and funny and rich with life. -CHERYL STRAYED A RECOMMENDED READ FROM: Shondaland, Real Simple, Country Living, PureWow, Glamour, Forbes, Scary Mommy, The Daily Beast, Goodreads, The Everygirl, Zibby Mag, and more! A soul-stirring memoir from Colombian immigrant and travel journalist Nikki Vargas, whisking us through the countries that brought her new love, self-discovery, and the inspiration to launch the first international feminist travel magazine, *Unearth Women*. At twenty-six years old, life looked a certain way for Nikki Vargas. She’d settled in New York City ready to join the ranks of the Carrie Bradshaws of the world, had landed in a promising advertising career, and was newly engaged to her college sweetheart. But between corporate happy hours and wedding dress fittings, she couldn’t shake a deep underlying sense of imposter syndrome, a voice telling her that she was rocketing towards a future that didn’t look like her. And so, she bought a plane ticket: first to Cartagena. Then to Panama. Then to Iguazú. What begins with one freelance travel writing assignment escalates into a whirlwind, globe-spanning journey that would transform Nikki’s life. Taking her from the street food stalls of Vietnam to the cascading waterfalls of Argentina, Nikki uncovers shocking truths about her family, comes face to face with a new love interest – or two – and ultimately turns a no-name blog into the internationally celebrated venture of *Unearth Women*, the first major female-focused travel publication. Told in transporting detail and candid reflections, *Call You When I Land* takes the familiar story of a woman going abroad to find herself and turns it on its head, as the act of traveling

becomes, for Nikki, an exhilarating career path – and ultimately a tool to champion women’s voices across the world.

Amid the complexities of modern relationships, loneliness epidemics, and online dating burnout, there’s a refreshing alternative: going Solo. “Solos,” as coined by behavioral economist Peter McGraw, are people who choose to lead their lives authentically, purposefully, and passionately outside the confines of traditional relationship labels. In a world built for two, Solos break the rules and hold space for every type of individual—single and not. Meet the thriving “Just Mays,” who welcome romance if it comes their way, the determined “No Ways,” who prefer life unpartnered, and the bold “New Ways,” who redefine and redesign what relationships even mean. Which one are you? In contrast with the “Someday” singles who hang personal fulfillment on the success of a “serious” long-term relationship, McGraw reveals the secrets of happiness that Solos have already unlocked, offering readers a roadmap to reinventing sex, dating, romance, and beyond. Backed by scientific insights and McGraw’s experience as a lifelong bachelor, *Solo* offers a blueprint for cultivating fulfilling relationships and creating a rich, remarkable life. *Solo* is your invitation to pursue a life uniquely your own.

Two O’Clock on a Tuesday at Trevi Fountain Helene Sula, 2024-04-09 An inspiring yet relatable read for anyone ready to stop settling. —Nina Ruggiero, *Travel + Leisure* In this inspiring travel memoir—the antidote to the “just quit your job and ditch all your belongings to backpack the world” mentality—a young woman explores how she took calculated risks to follow her dreams: traveling and living abroad without sacrificing stability and comfort. Like many young professionals, Helene settled into a steady 9-5, watching the clock tick by and dreaming of seeing the world one day. But after a climbing accident leaves her bedbound for months, she finds a new voice connecting with others online and starts a blog to write about her true passion: travel. When her blog takes off and a sponsored trip overseas opens her eyes, she wonders: could she lead a stable life while traveling the world? From skinny dipping in the icy Baltic and hiking Germany’s storied Black Forest, to wrestling with visa applications and apartment hunting in medieval Heidelberg, Helene shares the realities—both the magical and the mundane—that come with chasing bold dreams and learning that home is where you make it. For those who fear change, the secret lies in taking calculated risks. Uplifting yet candid, this travel memoir will inspire others to take chances and transform their own lives. But you don’t have to uproot your life to find meaning—just have the heart to take a leap.

Gendered Violence in Public Spaces Srirupa Chatterjee, Swathi Krishna S., 2023-10-10 *Gendered Violence in Public Spaces: Women’s Narratives of Travel in Neoliberal India* examines the vulnerability of women in public spaces in India

through an analysis of narrative representations ranging from emerging digital media, commercial Hindi films, and graphic narratives to accounts of real and lived experiences of women. In doing so, this collection initiates a scholarly discussion on manifold forms of emotional, mental, epistemic, and above all sexual violence female travelers face in male-dominated public spaces. *Gendered Violence in Public Spaces* therefore challenges contemporary readers to re-frame India's public spaces against misogyny and gendered violence.

Reading the Contemporary Author Alison Gibbons,Elizabeth King,2023-12 Readers, literary critics, and theorists alike have long demonstrated an abiding fascination with the author, both as a real person—an artist and creator—and as a theoretical concept that shapes the way we read literary works. Whether anonymous, pseudonymous, or trending on social media, authors continue to be an object of critical and readerly interest. Yet theories surrounding authorship have yet to be satisfactorily updated to register the changes wrought on the literary sphere by the advent of the digital age, the recent turn

to autofiction, and the current literary climate more generally. In *Reading the Contemporary Author* the contributors look back on the long history of theorizing the author and offer innovative new approaches for understanding this elusive figure. Mapping the contours of the vast territory that is contemporary authorship, this collection investigates authorship in the context of narrative genres ranging from memoir and autobiographically informed texts to biofiction and novels featuring novelist narrators and characters. Bringing together the perspectives of leading scholars in narratology, cultural theory, literary criticism, stylistics, comparative literature, and autobiography studies, *Reading the Contemporary Author* demonstrates that a variety of interdisciplinary viewpoints and critical stances are necessary to capture the multifaceted nature of contemporary authorship.
