*Lady Audley's Secret by M. E. Braddon* Mary Elizabeth Braddon, 2017-10 Mary Elizabeth Braddon (4 October 1835 - 4 February 1915) was an English popular novelist of the Victorian era. She is best known for her 1862 sensation novel Lady Audley's Secret.

Lady Audley's Secret Mary Elizabeth Braddon, 2017-09-30 Inspired by a true life story, Lady Audley's Secret is the story of a woman's overwhelming ambition and passion for social success. When the first book came out in 1862, Victorian readers were shocked and outraged by its portrayal of aspects like bigamy, insanity, yearning for social status and the will to commit murder to achieve one's goals. The novel belongs to a genre that became very popular during that era. Known as sensation

novels they can probably be equated to today's pulp fiction. It was received with huge enthusiasm by readers and most critics of the day and the central theme of accidental bigamy was a popular one. But the author Mary Elizabeth Braddon took it to new heights, introducing several intriguing twists and turns to the plot. In fact the novel was so successful that it allowed the author to become financially independent for the rest of her life and its publisher to purchase a villa, which he christened Audley Lodge, with the profits gained from sales of this Victorian bestseller! In the story, the young, enchanting, doll like Lucy Graham marries a wealthy old widower, Sir Michael Audley. Not much is known about Lucy by people in the village, except that she was till recently employed as a governess. The couple enjoys a pleasant life together, with every comfort and luxury. Things take a turn when Sir Michael's nephew and heir Robert Audley arrives with news of dear friend of his George Talboys. Talboys who had left England to seek his fortune gold prospecting in Australia is now suffering from a mental breakdown following the apparent death/disappearance of his wife whom he left behind. When Robert and George arrive at Audley Court, they're warmly welcomed by the host, but of the hostess there is no sign. She completely avoids coming into Talboys' presence. Her behavior begins to intrigue Robert and raise his suspicions and he sets out to uncover the mystery. But the truth is far more devastating and disturbing than anybody could imagine. Said to be based on events concerning the real life serial killer Constance Kent which had stunned the nation a few years ago, the book in fact explores many themes of Victorian morality, gender biases, stereotypes about the perfect mother and domestic goddesses who enriched the home and hearth with their innocence and purity. The author Mary Braddon's own controversial personal life and her nonchalant attitude to prevailing morals also piqued readers' imaginations. For modern day readers, Lady Audley's Secret remains a gripping tale of the lust for power and wealth and of a woman's descent into the misery of her own creation. **Mary Elizabeth Braddon - Lady Audley's Secret** Mary Elizabeth Braddon, 2019-01-29 Mary Elizabeth Braddon was born in London on 4th October 1835. Braddon suffered early family trauma at age five, when her mother, Fanny, separated from her father, Henry, in 1840. When she was aged ten her brother Edward left England for India and later Australia. However, after being befriended by Clara and Adelaide Biddle she was much taken by acting. For three years she took minor acting roles, which supported both her and her mother. However, her interest in acting began to wane as she began to write. It was to be her true vocation. In 1860, Mary met John Maxwell, a publisher of periodicals. By the next year they were living together. The situation and the view from polite society was complicated by the fact that Maxwell was already married with five children, and his wife was under care in an Irish asylum. Until 1874 Mary was to act as stepmother to his children as well as to the six offspring their own relationship produced. Braddon, with a large and growing family, still found time to produce a long and prolific writing career. Her most famous book was a sensational novel published in 1862, 'Lady Audley's Secret'. It won her both recognition and best-seller status. Her works in the supernatural genre were equally prolific and brought new menace to the form. Her pact with the devil story 'Gerald, or the World, the Flesh and the Devil' (1891), and the ghost stories 'The Cold Embrace', 'The Face in the Glass' and 'At Chrighton Abbey' are regarded as classics. In 1866 she founded the *Belgravia* magazine. This presented readers with serialised sensation novels, poems, travel narratives and biographies, as well as essays on fashion, history and science. The magazine was accompanied by lavish illustrations and offered readers an excellent source of literature at an affordable cost. She was also the editor of *The Temple Bar* magazine. Maxwell's wife died in 1874 and the couple who had been together for so long were at last able to wed. Mary Elizabeth Braddon died on 4th February 1915 in Richmond and is buried in Richmond Cemetery. After her death her short story masterpieces would be regularly anthologised. But for the rest of her canon her reputation then went into decline. In the past decade her reputation and talent is once more being given the attention it so rightly deserves.

r yourself a remarkably lucky girl? The governess lifted her head from its stooping attitude, and stared wonderingly at her employer, shaking back a shower of curls. They were the most wonderful curls in the world--soft and feathery, always floating away from her face, and making a pale halo round her head when the sunlight shone through them. What do you mean, my dear Mrs. Dawson? she asked, dipping her camel's-hair brush into the wet aquamarine upon the palette, and poisoning it carefully before putting in the delicate streak of purple which was to brighten the horizon in her pupil's sketch. Why, I mean,

my dear, that it only rests with yourself to become Lady Audley, and the mistress of Audley Court. Lucy Graham dropped the brush upon the picture, and flushed scarlet to the roots of her fair hair; and then grew pale again, far paler than Mrs. Dawson had ever seen her before. My dear, don't agitate yourself, said the surgeon's wife, soothingly; you know that nobody asks you to marry Sir
