Corrected King James Version Shaun C Kennedy, 2020-05 Corrected King James Version Complete New

Testament There is a legend that Thomas Jefferson used to take a knife and cut out verses of the Bible that he didn't like. The results of his labor are known through the Smithsonian Museum. He doubted the veracity of the biblical authors, even though he believed Christ to be a great moral teacher. Jefferson was not the only one to cut things out of his Bible that caused him problems. Martin Luther was famous for wanting to relocate the epistle of James to an appendix. He did manage to find grounded logic by which he could remove the books of the Maccabees from his Old Testament when they were invoked against his problems with indulgences. Most of protestantism has followed him in maintaining Bibles with an Old Testament handed over strictly by Jewish scribes. While I admire Jefferson's and Luther's sincerity, I disagree with their premise. Jefferson and Luther decided what God must have said, then shaped their canon to match. I would rather determine what the canon is and use that to determine what God must have said. I believe that The Holy Spirit has aided and guided the process of biblical development. I'm uncomfortable with some images of inspiration in the popular sphere. The best description I've heard for how inspiration works comes from Plato's dialog Ion. In that, Plato (through the caricature of Socrates) explains that inspiration is like a magnet, and that once it touches a ring of iron, the ring becomes magnetic as well. I believe that God, through the course of living events, touches some of us. When some, particularly the Apostles and Prophets, are in their closest communication with God, their thoughts become divine. When those thoughts come out on ink and paper, that ink and paper becomes (in a sense) embedded with divine thoughts. To borrow an analogy from another great thinker, it is like a map of a great idea. The map is not the ocean. It can't get me wet. I can't sail my boat on it. But if I want to know the safest and best places to get wet or the most efficient way to sail my boat, the map is a better guide than a swimming pool. I really understand where Jefferson and Luther were coming from. I really like bacon with my breakfast, and there was a point in my life that I really had to take some time and put the study in on that issue. After all, the Bible does say, And the swine, though he divide the hoof, and be clovenfooted, yet he cheweth not the cud; he is unclean to you. (Leviticus 11:7) and unlike Jefferson, I was unwilling to just cut that verse out because it was inconvenient. I wanted to know what God actually said, not what I wanted God to have said. I hope this dispels the fear that some could have regarding my project. My aim is more in line with Erasmus than Jefferson. However poorly he got started, Erasmus set out to understand what the Bible said in the

original language. So if I still end up having texts that are difficult for me and not having the clarity of text I might hope for, what is the point of creating a Corrected King James Bible? The point is to get just a little bit closer to the magnet of Christ and the Prophets and the Apostles. The point is to bring my ear just a few inches closer to God's lips so I can hear him that much more clearly. I think that the King James translators got it wrong in 1 John 5:7-8. I think that they put words in the Bible that were never supposed to be there, no matter how convenient they are for me. So I'm taking those words out so that I can more clearly hear the words that God has placed in the Bible. My goal is to provide a single translation of God's Word according to the sources that prayer and study has convinced me is the best primary source. Ultimately, I would like to translate all of these myself as well, but in the meantime The Corrected King James gives me a standardized English text to read and study from.

Being Human P.A. Abdo, 2014-06-20 Being Human is more than a book; it is an answer to the great question of what makes us human being. Demonstrates how the laws of Nature manage the functioning of the entire body and how diet, feelings, and even human emotions are also governed by these laws. It explains how human behavior is governed by universal laws that are immutable and eternal and how if the persons fails to obey this laws, will be destroyed. The author explains with crystal clear the origin of human problems such as hate, resentment, obesity, depression, anxiety, stress and others that are governed by the laws and how to handle them. Upon reading Being Human, you will have knowledge that will significantly improve your quality of life, well-being and inner peace. Over 400 years ago Descartes said the highest degree of wisdom is the knowledge of all the laws of Nature. The author amplifies this concept affirming that the purpose of human life is to live in harmony with the laws of Nature. The author considers that all activities of a human being in her life have the purpose of her survival, comfort, altruism and longevity. This book is the doorway to the answers the reader has been awaiting.

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a

Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

A Bible Story Called Easter and the Birth of Christianity: KJV pilot version Lawrence Glasser, Lawrence Glasser, Rosemarie Crean, 2018-11-14 About this Book and this Book Series A Bible Story Called Easter and the Birth of Christianity: KJV pilot version - English is an illustrated chronological Bible-excerpt story covering the events surrounding Jesus Christ's final Passover week through the following Pentecost observance. This first illustrated book in the series covers the most significant eight weeks of Christianity's beginnings. The events covered here comprise core components of Christian theology. The book-template source for each book in the series is the published and copyrighted Appendix A, which specifies how to integrate the 63 public domain watercolor images created in the 1890's by French artist James Tissot with 655 selected Bible verses recorded in the first century in the Greek language by the authors of the New Testament Gospels. The book template's matrix format, "Gospels' Comparative Text Alignment" [G'CTA], creates a single chronological story through the parallel alignment of the four Gospel authors' narratives. This matrix format is often referred to as a Harmony of the Gospels. This first illustrated book in the series, KJV pilot version, is a derivative work compilation that presents the 655 Bible verses in English, using the KJV Bible translation commissioned by King James I of England in 1604 and completed in 1611; a significant upgrade to the translation occurred in 1769. The KJV translation is now considered public domain, except in the United Kingdom. The planned next book in the series will also be in English using the NLT Bible translation (New Living Translation.) A "fair use" permission for publication using this Bible translation has been granted by Tyndale House Publishers. Negotiations are also in process to produce other series books in English using the NABRE (Catholic), NIV (New International Version) and the NKJV (New King James Version) Bible translations.

The Native American Contest Powwow Steven Aicinena, Sebahattin Ziyanak, 2021-11-02 The Native American Contest Powwow introduces Cultural Tethering Theory to convey the importance of the contest powwow in the celebration and preservation of Native American culture. The book addresses the concepts of culture, cultural change, acculturation, assimilation, and illustrates how competitive powwows align with and differ from competitive sporting events. Authors Steven Aicinena and Sebahattin Ziyanak go on to explain how the modern intertribal contest powwow evolved and why modern Native American cultures are experiencing an erosion of traditional values, a rapid loss of traditional languages, dysfunctional changes in social organization, limited opportunity to transmit culturally valued knowledge, and reduced opportunities for youths to observe culturally appropriate behavior. The authors also examine Native American identity and explore who can legitimately claim to be a Native American under current laws and customs. Additional topics addressed include blood quantum, cultural knowledge, cultural participation, being Indian, and playing Indian. Finally, the authors describe the difference between being Native American and playing Indian in powwow and pseudo-cultural powwow environments.

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, *Seven-Eighths of the Bible Misunderstood*, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation.

Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be Interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

Trees and the Environment Michael Graham MSc.,2022-03-13 The book looks at the history and existence of trees, the importance of trees to the existence of humans and animals that utilize oxygen in their respiratory systems, the habitat that they have provided for all species of life over millennia, the food that they provide to all species, their impact upon existence of the hydrological system, the preservation of soil and the prevention of desertification, human relationships with forest and trees, the solace and the many other social benefits that they provide to humans and all species given to contemplation. The book highlights the many human activities, ancient and current, that are considered vital to human life, past, present and future inclusive of agriculture, mining, forestry for timber and paper products and energy production and the impact that they have had on forests and trees and consequently on the lives and health of humans and the other occupants of the planet. It also examines the many things, apart from human activities, that negatively impact forest and trees inclusive of natural events such as natural fires, floods, wind, disease, and salinization due to storm surges or rising seawater levels. The final chapters review and attempt to provide some solutions to the many problems associated with feeding and housing a growing human population.

The Major Literary Seminars of Jacques Lacan Santanu Biswas,2024-08-20 The Major Literary Seminars of Jacques Lacan considers the three key phases of Lacan's interest in literary topics. Santanu Biswas first examines the seminars given between 1955 and 1961, in which Lacan spoke on Edgar Allan Poe's short story The Purloined Letter, Hamlet, Sophocles' Antigone, and Paul Claudel's The Coûfontaine Trilogy, and where literature is related to meaning. This is followed by an exploration of Lacan's seminar on Lituraterre in 1971, wherein Lacan elaborates on the different ways in which literature appeared to turn towards lituraterre. Finally, Biswas considers Lacan's 1975-1976 seminar on James Joyce, who created literature out of "litter" and was concerned with jouissance rather than with meaning. The Major Literary Seminars of Jacques Lacan will be of great interest to Lacanian psychoanalysts, other mental health practitioners interested in the teachings of Lacan, and academics and students of Lacanian studies, literature, and psychoanalysis.

On the public role of the Bible in Zimbabwe Masiwa Ragies Gunda,2015-03-26 Volume 18 of BiAS series is dedicated to critically unpack the meaning of the call to re-write the Bible made by the first President of Zimbabwe, Canaan S. Banana in 1991. In this book, the author engages with Banana's written works and makes critical observations regarding

the call to re-write the Bible. This book argues that re-writing was proposed as a means to an end by Banana. It is demonstrated that what Banana intended was eradicating injustice, violence and inequality in the Middle East which was fuelled by the 'ideology of chosenness', which was sustained by a use of the Bible. Once it became clear the end was not re-writing the Bible, this work moved on to consider alternative means to achieving the same end. The search for alternatives leads the author to consider 'the way of Europe', that is, de-biblification or a watered down biblification, which is named partial de-biblification in this work. Finally, the author proposes a 'critical biblification' as a viable alternative to re-writing or de-biblification. This book, in honor of Banana, calls for socially and contextually relevant biblical studies--

The Word as word Michael Straus,2024-09-12 This book provides an original translation methodology applicable to the New Testament, one that remains rooted in the literal Greek; considers its paleographic and philological characteristics as well as its socio-historical context; understands the text as part of a canonical whole; reflects its reception history in church doctrine and liturgy; accounts for classical formulations of its translation-tradition; yet speaks with contemporary literary style. In developing a new methodology, the book appropriates ancient and modern insights into the relationship of thought and language not previously considered in the context of translation. Further, the book is premised on the understanding that Scripture is the divinely communicated Word of God made incarnationally present in the words of the Bible. As the viva vox evangelii, biblical texts thus have ongoing effects in the continuum of church history and tradition. The book argues that contemporary translators of the Bible should therefore be aware of their own situatedness in and shaping by this continuity of linguistic and cultural transmission. As such, the book provides a pathway to translating the Scriptures in such a way as to capture, recapitulate, and incorporate the living sweep of the timeless Word in words that cross time.

Black Utopias Jayna Brown,2021-01-11 In Black Utopias Jayna Brown takes up the concept of utopia as a way of exploring alternative states of being, doing, and imagining in Black culture. Musical, literary, and mystic practices become utopian enclaves in which Black people engage in modes of creative worldmaking. Brown explores the lives and work of Black women mystics Sojourner Truth and Rebecca Cox Jackson, musicians Alice Coltrane and Sun Ra, and the work of speculative fiction writers Samuel Delany and Octavia Butler as they decenter and destabilize the human, radically refusing liberal humanist ideas of subjectivity and species. Brown demonstrates that engaging in utopian practices Black subjects imagine and manifest new genres of existence and forms of collectivity. For Brown, utopia consists of those moments in the here and now when those excluded from the category human jump into other onto-epistemological realms. Black people—untethered from the hope of rights, recognition, or redress—celebrate themselves as elements in a cosmic effluvium.

Biblical Studies on the Internet Roland H. Worth, Jr.,2008-09-18 The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries,

dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.
