**LANDING AREAS OF THE RETURN OF THE ANUNNAKI** Maximillien De Lafayette, 2015-08-04 LANDING AREAS OF THE RETURN OF THE ANUNNAKI Published by Times Square Press, New York. Are the Anunnaki and/or the aliens returning to Earth (coming back)? In this context, it is extremely important and paramount to differentiate between the Anunnaki and aliens (Extraterrestrials) for numerous reasons we have explained in the book. The subject of the Anunnaki's return is known only to a few military scientists, an intellectual-ecclesiastic elite, and top echelon at the Pentagon, and it is rarely discussed inside or outside the Top Secret and Above Top Secret military perimeters. Nevertheless, it remains a sensitive and a very critical concern which has never left the Foggy Room, a secret code, or appellation for Center of Study and Operations Room of Extraterrestrials' Affairs, created in September 1947, and which our government has strongly denied its existence ever since.

*2022 The Return of the Annunaki* Robert Smith, 2020-06-27 Our journey began 14.2 million years ago when the Annunaki visited Earth and altered the DNA of early hominids. Their intervention increased their ability to think and communicate and led to the human race becoming the dominant species on the planet. Fast forward to the third novel in the series (Deep State) where President Barack Obama announced to the American public and the world that the existence of aliens had been kept secret and that many of the conspiracy theories surrounding alien visitations to Earth were founded in fact. The annals of the ancients tell of the return of the Annunaki in the year 2022. On their return they evaluate the human race to see how we have developed as a species and how we have treated our planet. The human race teeters on the brink of extermination as they decide our fate.

**Of Heaven and Earth** Neil Freer, 1996 Presents information on Sitchin's theories about the origins of mankind and the intervention of intelligence from beyond the Earth. He and the other contributors offer a scholarly approach to the ancient astronaut theory. Contains the complete transcript of the first Sitchin Studies Day, held in Denver, Colorado on Oct. 6, 1996. Following Sitchin's detailed keynote address are six other prominent speakers whose work he has influenced. They include philosopher Neil Freer, UFO expert J. Antonio Huneus, clergyman Father Charles Moore, author V. Susan Ferguson, and two university professors, Madeleine Briskin and Marlene Evans. They agree that certain myths were actual events instead of figments of imaginations. Sitchin's work comprises the early part of a new paradigm that is already beginning to shake the very foundations of religion, archaeology and our society in general.

*Nibiru Rising, the Lost Planet of Sumerian Gods* Ryan Moorhen, 2025-08-28 Across the clay tablets of Mesopotamia, a

name appears like a cipher from the stars—Nibiru, the Planet of the Crossing. To the ancients, it was not merely a celestial body but a threshold: a cosmic judge presiding over the rise and fall of ages. From the Enuma Elish to the councils of the Anunnaki, from Babylonian ziggurats to modern telescopes searching for Planet Nine, Nibiru has always stood at the crossroads of myth and astronomy, fear and revelation. Nibiru Rising journeys deep into this mystery. It traces the story of Nibiru from its first appearance in Babylonian creation myths, through its echoes in flood legends and divine councils, into its modern rebirth as Planet X and a symbol of apocalyptic prophecy. Along the way, it explores how ancient sky-watchers may have encoded knowledge of long celestial cycles—precession, eclipses, comets—into temples, myths, and rituals, anticipating the return of a hidden world that brings transformation whenever it crosses near. Blending ancient history, comparative mythology, and the latest astronomical debates, this book reveals how the memory of a single, enigmatic planet has shaped civilizations for thousands of years. Was Nibiru a literal body beyond Neptune, a lost piece of cosmic architecture, or a symbolic key to understanding time itself? Whether read as prophecy, science, or myth, its legacy is undeniable. In a world where the past and future seem to meet in the stars, Nibiru Rising asks: are we once again standing at the crossing?

**End of Days 2014 to 2018, New World Order by 2045** Steve Canada, 2014-01-17 Crop Circles hold the key to the notification system communicated to us by our genetic creators, the Anunnaki of Nibiru, 10th planet of the solar system (see 2 NASA press releases of 1987) ... telling of their return (armed with at least 2 ancient weapons of theirs depicted in crop circles and known in the ancient world) and identifying all 12 of their names, members of the ancient Ruling Council known by the Sumerians, the first human civilization. End of Days and New World Order Anunnaki of Nibiru are scheduled to descend in worldwide mass landings on the date discovered by the author encoded in the Torah, after which their extermination program begins, replacing humans with grey-human hybrids (terms encoded in the Torah), to stop humans from ruining the Earth's capacity to support life, to prevent the destruction of the Anunnakis Eridu, their Home in the Faraway. Revealed here are secrets hidden in sacred text for over 3400 years, secrets uncovered by the author and published here for the first time.

*The Fallen* Frederick Guttman, The ancient time is behind us; the memory of old ages has disappeared. Man lives in the present not knowing how he came to be and how great things set the guidelines for the future of the current era. Already four ages of men have been left behind, one culminates; We wait for a different time, full of big dreams, but not before experiencing a hard passageway of desolation and death. Destroyed by fire, by cold and by water, our ancestors perished, leaving a record of what happened in stories that today we underestimate and experiences that we need as precedents; in the future that and the end of this last catastrophic age that will culminate in physical, psychic and spiritual earthquakes will be

told. The Nephilim arrived and subdued man until today, they were an almost forgotten episode, but one that substantially marked history... history that must be remembered and reviewed. Malevolent spirits were placed to mislead humanity, but we also receive great divine virtues that counteract evil. Following the battle for sovereignty between the gods, the destruction reduced the population and changed the globe. When the fight against the imposters allowed the development of the next part of a master plan, our father Abraham began a mission whose magnitude would take time to glimpse until he was patriarch of the nations of those born in the True Law.
