

El Billar No Es De Vagos Descargar Gratis

Camilo José Cela

La danza de la muerte (Inspector Pendergast 6) Douglas Preston, 2013-12-15 Un nuevo y trepidante thriller del agente Pendergast. Pendergast ha simulado su propia muerte, para así poder luchar desde el anonimato contra su hermano Diógenes, un ser de inteligencia sobrehumana para perpetrar el mal. El detective Vincent D'Agosta, fiel compañero de Pendergast, recibe una carta «póstuma» de su amigo pidiéndole que se ocupe de ciertos asuntos, y, aún más importante, que ha de detener a Diógenes, quien ha anunciado que cometerá un gran crimen dentro de una semana. Nadie sabe de qué se trata. Vincent intenta localizar a Diógenes, pero ha desaparecido. Luego empieza una serie de extraños asesinatos en Nueva York, y la única conexión entre ellos es que todas las víctimas eran amigos de Pendergast. Y aún peor: la policía encuentra pruebas contundentes que apuntan contra él como asesino. Pendergast deberá echar mano de toda su astucia y de la ayuda de sus amigos para capturar a Diógenes, tarea complicada y peligrosísima, antes de que él mismo sea detenido por la policía. Reseña: «Las historias de Preston y Child son altamente entretenidas y genuinamente emocionantes, con incontables shocks, sorpresas y giros. El suspense nunca disminuye.» Anne Rice

Revista de la biblioteca, archivo y museo [de Madrid] ,1926

El cuarto poder Armando Palacio Valdés, 2019-11-11 El cuarto poder de Armando Palacio Valdés es una obra que explora las intersecciones entre el periodismo y el poder político en la España de finales del siglo XIX. A través de un estilo narrativo vibrante y lleno de matices, el autor presenta una crítica mordaz sobre la influencia del periodismo en la opinión pública y en la formación de la democracia. El contexto literario en el que se sitúa la obra es crucial; Valdés, perteneciente al movimiento naturalista y a la Generación del 98, utiliza personajes bien definidos y tramas intrincadas para arrojar luz sobre los dilemas éticos que enfrentan los informadores en su relación con el poder. Esta narrativa no solo es un reflejo de su época, sino que también plantea preguntas relevantes sobre la responsabilidad social del periodista, en un tiempo donde el periodismo sensacionalista empezaba a florecer. Armando Palacio Valdés, novelista y ensayista nacido en 1857, fue un observador agudo de la sociedad española. Su carrera estuvo marcada por su compromiso con la modernización social y cultural de España, así como su deseo de contribuir a la formación de una conciencia crítica entre sus ciudadanos. Influenciado por su experiencia en el periodismo y por su entorno profesional, Valdés se vio impelido a abordar en El cuarto poder el papel central que ocupa la prensa en la manipulación y la divulgación de la información. Esta obra representa, por lo tanto, un punto de inflexión en

su producción literaria. Recomendando encarecidamente *El cuarto poder* a quienes busquen una reflexión profunda sobre el impacto del periodismo en las estructuras de poder. Más allá de ser una narrativa entretenida, la obra es una invitación a cuestionar la relación entre información, poder y veracidad, temas que son tan pertinentes hoy como lo fueron en el siglo XIX. La perspicacia de Valdés y su aguda crítica social convierten este libro en una lectura imprescindible para aquellos interesados en la intersección de la literatura y la política.
