St. Thérèse of Lisieux Her Last Conversations Revised Edition St. Thérèse of Lisieux, 2024-03-05 St. Thérèse of Lisieux (1873-1897) spent the final months of her short life in the infirmary of the Carmel of Lisieux, France. Those who attended her—including three of her older sisters by birth—were living in the company of one of God's saints, one prepared for our times. This volume, St. Thérèse of Lisieux: Her Last Conversations, serves as a sequel to St. Thérèse's autobiography, Story of a Soul. It contains the intimate words of her final conversations with her three sisters during the last months of her life, especially those three critical months in the Carmel infirmary from July to September 1897. Fortunately for us, her words were written down without the awareness that eventually a great multitude of friends of St. Thérèse would hunger for her spiritual teaching. 150 years after this great saint and Doctor of the Church was born into the world, the publication of this revised edition enables us to live in her company and enjoy her holy conversations and counsels. When we read her words with faith, her presence is at our side. She speaks to us directly, sharing her human experience: her joys, her sufferings, her love for God, and especially her trust in him amid her painful ordeal. This revised edition of St. Thérèse of Lisieux: Her Last

Conversations reflects the extensive 1992 French critical edition of *Derniers Entretiens* in two volumes. That very complete and scholarly production has been edited here into its essential elements: The entire text of St. Thérèse's words collected by the three main witnesses, Mother Agnes (Pauline), Sister Geneviève (Céline), and Sister Marie of the Sacred Heart (Marie); - The testimony of other witnesses when this does not repeat that of the three main witnesses; - Additional words of St. Thérèse as quoted in letters written during her last three months; - Fully linked comprehensive indexes of key names, topics, and biblical references.

The Plays of Saint Thérèse of Lisieux Saint Thérèse of Lisieux, 2008 Over a period of about three years toward the end of her life, St. Therese of Lisieux (1873-1897) was asked by her Carmelite superiors to compose eight theatrical pieces for special occasions in her convent. She did not consider them mere trivial amusements. On the contrary, Therese invested herself wholeheartedly in the writing and performance of these little dramas, which provided a welcome opportunity to articulate her growing spiritual insights and share them with her religious community. Here we find echoes of her great themes, some where developed at greater length than anywhere else in her writings: Mary of Nazareth and Joan of Arc, humility and the little way, confidence and love, and so much more. In the present volume, for the first time, all eight of her plays (or pious recreations, as they are sometimes called in the French) are published together in their entirety for English-speaking readers. They open a new window onto the message of the church's youngest Doctor. Also included is a masterful general introduction by the noted Theresian expert, Bishop Guy Gaucher, O.C.D., as well as individual introductions to each play explaining it in context and significance.

"A Little White Flower" Saint Thérèse (de Lisieux),1926

The story of a soul Sainte Thérèse de Lisieux,2024-10-05 L'Histoire d'une Âme, the spiritual autobiography of Saint Thérèse of Lisieux, is a poignant and luminous account of a young 19th-century French Carmelite nun. This intimate account, written on the orders of her superiors, traces the extraordinary spiritual journey of a simple, loving soul. Born Marie-Françoise-Thérèse Martin in 1873, Thérèse entered the Carmelite convent at Lisieux at the tender age of 15, driven by an ardent love for God. Through the pages of her autobiography, she reveals her little way to holiness, a revolutionary approach to the spiritual life based on absolute trust in God's merciful love. Thérèse shares her mystical experiences, inner struggles and moments of grace with disarming sincerity. She describes her life in Carmel, her relationships with her sisters in religion, and her profound understanding of the Gospel. Her story culminates in her discovery of her vocation: to be love at the heart of the Church. This book fits perfectly into Amazon's Spiritual biographies, Mystical literature and Lives of saints categories. It offers readers a fascinating insight into the soul of a young woman whose life, though short and seemingly ordinary, had a profound impact on the Catholic Church. The book reveals how Thérèse, through her contemplative life, developed a spirituality accessible to all, based on small, everyday acts of love. Her little way inspired millions of people around the world, making her one of the most popular saints of modern times. The Story of a Soul remains a classic of spiritual literature, offering hope and inspiration to all who seek to deepen their relationship with God in simplicity and love.

St. Thérèse of Lisieux Thomas Keating,2001 During the year 2000, the relics of Saint Thérèse of Lisieux (1874-1897) toured throughout the United States - at once confirming and stimulating an extraordinary resurgence of interest in the life and work of a Carmelite nun known as the Little Flower. In *Thérèse of Lisieux: Transformation in Christ*, Abbot Thomas Keating reflects on what St Thérèse understood the teaching of Jesus Christ to be. Thérèse had an extraordinary penetration into the heart of Jesus' teaching, something she developed into a program for daily life. Although she was only twenty-four years old when she died, Thérèse had an extraordinary spiritual maturity. Father Keating writes about the teachings of Jesus in the parables and then shows what extraordinary insight Thérèse had into those enigmatic sayings. According to Father Keating, St. Thérèse tried to live the Gospel precept, To love one another as I have loved you! on a daily basis. She believed it was the best program to propose to people because anybody could do it and because the Kingdom of God was, and is, in everyday life and in what we, as individuals, do with it. As Father Keating shows, St. Thérèse's teaching continues to reveal to us that if we only build up instead of tear down others and fully and lovingly trust that Christ is with us until the end of time we will be transformed.

The Story of a Soul Therese Of Lisieux,de Lisieux Therese, Saint,2014-05-02 The Story of a Soul (l'Histoire d'une me) is the autobiography of Thérèse of Lisieux. It was first published on September 30, 1898, a year to the day after her death from tuberculosis at the age of 24, on September 30, 1897. The book was a single volume formed from three distinct

manuscripts - manuscripts of different length, written at different times, addressed to different people, and differing from one another in character. The work of unifying these disparate manuscripts was carried out by Pauline, the sister of Thérèse. It was initially published with a limited audience in mind, the Carmelite convents and certain religious personalities, and just 2000 copies of the 475 page book were printed. It quickly became a publishing phenomenon however and Sister Thérèse of the Child Jesus was canonised in 1925.-----St. Dismas Catholic Classic editions are all new translations, filled with numerous vivid illustrations and are offered at very reasonable prices in order to make these books readily available to the faithful.

Story of a Soul Saint Thérèse of Lisieux, 1996 Two and a half years before her death in 1897 at the age of 24, as Thérèse Martin began writing down her childhood memories at the request of her blood sisters in the Lisieux Carmel, few could have guessed the eventual outcome. Yet this story of my soul, first published in 1898 in a highly edited version, quickly became a modern spiritual classic, read by millions and translated into dozens of languages around the world. Decades later, in response to growing requests from scholars and devotees of the Saint, a facsimile edition of the manuscripts appeared, along with more popular French editions of what the Saint had actually written. Here, expressed with all of Thérèse's original spontaneity and fervor, we rediscover the great themes of her spirituality: confidence and love, the little way, abandonment to God's merciful love, and her mission in the church and world today. Father John Clarke's acclaimed translation, first published in 1975 and now accepted as the standard throughout the English-speaking world, is a faithful and unaffected rendering of Thérèse's own words, from the original manuscripts. This new edition, prepared for the centenary of the Saint's death, includes a select bibliography of recent works in English on Thérèse, along with a new referencing system now widely used in studies of her doctrine. Includes general and biblical index, with 8 pages of photos.

The Autobiography of Saint Therese ,1987-11-17 Few spiritual figures have touched as many readers in the past century as Saint Therese of Lisieux, the saint popularly known as the Little Flower. Though she was only twenty-four years old when she died, her writings have had tremendous impact, making her one of the most popular spiritual writers in the twentieth century. Her autobiography, *The Story of a Soul*, has been a source of priceless inspiration ever since it was written, and has become the great spiritual bestseller of our time. A hundred years after her death in 1897, millions of copies have spread throughout the world and it has been translated into more than fifty languages. The reason for the continued success of her autobiography is, quite simply, that it is unlike any work of devotion and spiritual insight ever written. Once it is read, it cannot be forgotten. Its appeal across cultures and generations has been extensive, moving both peasants and popes, men and women, young and old—people of every kind of intelligence and education succumb to its spell. Yet is not a conventional work of religious devotion; instead, it is in many ways a supernatural book. In the words of Pope Pius XI, Saint Therese attained the knowledge of supernatural things in such abundant measure that she was able to point out the sure way

of salvation to others, and it is especially in *The Story of a Soul* that she has pointed out this sure way to the generations that have followed her. As Therese herself said of this book just prior to her death, What I have written will do a lot of good. It will make the kindness of God better known.

The Hidden Face Ida Friederike Gšrres,2003-01-01 This study of the life and character of Therese of Lisieux is a remarkable, penetrating, and fascinating search for the truth behind one of the most astounding religious figures of modern times. A young nun who entered a convent at fifteen and died at twenty-four, Therese roused an incredible storm of spontaneous veneration only a few months after her death, and has been called by one Pope as the greatest saint of the modern times. Countless images of the sweetly smiling saint flooded the world. But who was she, really? The Hidden Face has sprung from this question. It presents the true Therese, as objectively as possible, and gives a convincing interpretation of her sainthood. It is a book not for Catholics alone, but for anyone fascinated by the force of spirituality, by the incalculable effects of what Pascal called the greatness of the human soul. It opens the cloistered world of the Carmel, takes off the sugar coating, and reveals the stark drama behind convent walls, the tension between personalities, the daily details of conventual life. And it throws light on the tremendous purifying process that turned the pampered darling into a saint of heroic virtue. The work of a mind of rare intelligence and integrity, this book is unique among the lives of saints. First published in Germany in 1944, the original is now in its eighth edition. This first English translation is based on a new, revised version using the latest edition of the saint's writings.
