Mother of Death and Dawn Carissa Broadbent, 2022-02-07 Tell me, little butterfly, what would you do for love? In the wake of a crushing defeat, Tisaanah and Maxatarius have been ripped apart. Tisaanah is desperate to rescue Max from his imprisonment, even as her people's fight for freedom grows more treacherous. But within the walls of Ilyzath, Max's mind is a shadow of what it once was... leaving his past a mystery and his future at the mercy of Ara's new, ruthless queen. Meanwhile, in the Fey lands, Aefe has been dragged back into this world by a king who vows to destroy civilizations in her name. But even as her past returns to claim her, her former self is a stranger. Tisaanah, Max, and Aefe are thrust into the center of a cataclysm between the human and Fey worlds. The unique magic they share is key to either winning the war, or ending it. But that power demands sacrifice. Tisaanah may be forced to choose between love and duty. Max cannot forge his future without confronting his past. And Aefe must decide between reclaiming who she was, or embracing who she has become. The choices they make will either reshape this world forever...or end it. In the harrowing finale of the War of Lost Hearts trilogy, a tale of romance, magic, vengeance, and redemption comes to a close -- perfect for fans of Sarah J. Maas, Miranda Honfleur, and Danielle Jenson.

Children of Fallen Gods Carissa Broadbent, 2025-12-09 New York Times bestselling author Carissa Broadbent returns to The War of Lost Hearts series with book two, Children of Fallen Gods No war can be fought with clean hands. Not even the ones waged for the right reasons. Not even the ones you win. Tisaanah bargained away her own freedom to save those she left behind in slavery. Now, bound by her blood pact, she must fight the Orders' war -- and Max is determined to protect her at all costs. But when a betrayal tears apart Ara, Max and Tisaanah are pushed into an even bloodier conflict. Tisaanah must gamble with Reshaye's power to claim an impossible victory. And Max, forced into leadership, must confront everything he hoped to forget: his past, and his own mysterious magic. All the while, darker forces loom -- far darker, even, than the Orders' secrets. As Tisaanah and Max are ensnared in a web of ancient magic and twisted secrets, one question remains: what are they willing to sacrifice for victory? For power? For love?

Lost Hearts in Italy Andrea Lee, 2021-03-23 From the acclaimed author of *Red Island House*, an elegant, raw, and emotionally charged novel that reveals a trio caught in the grip of desire, deception, and regret. When Mira Ward relocates to Rome with her husband, Nick, she looks forward to a time of exploration and awakening. Young, beautiful, and in love, Mira is on the verge of a writing career, and giddy with the prospect of living abroad. On the trip over, Mira meets Zenin, an older Italian billionaire, who captivates Mira with his worldly mystique. A few weeks later, idle and adrift in her new life, Mira agrees to a seemingly innocent lunch with Zenin and is soon catapulted into an intense affair, which quickly moves beyond her control. Her job as a travel writer allows for clandestine trysts and opulent getaways to Paris, Monte Carlo, London, and Venice, and over the next few years, she struggles between resisting and giving in to this man who has such a hold on her. As her marriage erodes, so too does Mira's sense of self, until she no longer resembles the free spirit she was on her arrival in the Eternal City. A modern-day take on the tale of innocent Americans abroad, *Lost Hearts in Italy* is an unforgettable coming-of-age story in which cultures collide, innocence dissolves, and those we know most intimately remain foreign to us.

Women and the First World War Susan R. Grayzel, 2013-11-04 The First World War was the first modern, total war, one requiring the mobilisation of both civilians and combatants. Particularly in Europe, the main theatre of the conflict, this war demanded the active participation of both men and women. *Women and the First World War* provides an introduction to the experiences and contributions of women during this important turning point in history. In addition to exploring women's relationship to the war in each of the main protagonist states, the book also looks at the wide-ranging effects of the war on women in Africa, Asia, Australia, New Zealand, and North America. Topical in its approach, the book highlights: the heated public debates about women's social, cultural and political roles that the war inspired; their varied experiences of war; women's representation in propaganda; their roles in peace movements and revolutionary activity that grew out of the war; the consequences of the war for women in its immediate aftermath. Containing a document section providing a wide range of sources from first-hand accounts, a Chronology and Glossary, *Women and the First World War* is an ideal text for students studying the First World War or the role of women in the twentieth century.

Losing Hearts and Minds Kate Imy, 2024-07-09 *Losing Hearts and Minds* explores the loss of British power and prestige in colonial Singapore and Malaya from the First World War to the Malayan Emergency. During this period, British leaders relied on a growing number of Asian, European and Eurasian allies and servicepeople, including servants, police, soldiers,

and medical professionals, to maintain their empire. At the same time, British institutions and leaders continued to use racial and gender violence to wage war. As a result, those colonial subjects closest to British power frequently experienced the limits of belonging and the broken promises of imperial inclusion, hastening the end of British rule in Southeast Asia. From the World Wars to the Cold War, European, Indigenous, Chinese, Malay, and Indian civilians resisted or collaborated with British and Commonwealth soldiers, rebellious Indian troops, invading Japanese combatants, and communists. Historian Kate Imy tells the story of how Singapore and Malaya became sites of some of the most impactful military and anti-colonial conflicts of the twentieth century, where British military leaders repeatedly tried—but largely failed—to win the hearts and minds of colonial subjects.

Soul War Eddy Lewis, 2024-04-29 The first topic of Soul War is to try and understand how the faulty interpretation of Scripture has led to the rampant apostasy of so many professing Christians in Western nations. There are several reasons for the present great falling away from the faith, but author Eddy Lewis believes its roots can be traced back to faulty doctrine concerning the true salvation of our souls. The second topic is a close look at end time prophecy and how it relates to serious contemporary world events. There are specific instructions along with promises from God for His saints living at the end of the Church age. Believers are instructed to watch, but also sternly warned of the dire consequences for failing to watch. As the time of our Lord's return draws near, our understanding of the sealed end time Scriptures becomes attainable for those who diligently seek answers. There is a proper way in which to approach God for understanding His will: But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him. —Hebrews 11:6

Hearts at War 1914-1919 Tom Purdie, 2014-08-15 This fascinating selection of photographs tells the story of Heart of Midlothian FC during the First World War and the men who made the supreme sacrifice.

Memories of a Lost War Subarno Chattarji, 2001 In this unique and significant addition to Vietnam studies, *Memories of a Lost War* analyzes the poems written by American veterans, protest poets, and Vietnamese, within political, aesthetic, and cultural contexts. Drawing on a wealth of material often published in small presses and journals, the book highlights the horrors of war and the continuing traumas of veterans in post-Vietnam America. In its inclusion of Vietnamese perspectives, the book marks a departure from earlier works that have largely concentrated on Vietnam as a war rather than a country.

The Story and Legend of the Heart War Shield Michael White Feather, 2012-06-29 Fiction or Nonfiction, You read it and decide yourself I don't have to try to justify my story for I lived thru and experienced this chain of events.

How We Lost the Vietnam War Nguyen Cao Ky, 2002 This memoir looks in particular at the disputes and corruption within the government of South Vietnam and the diplomatic struggles with the U.S. during the war.

The Lost Civil War Diaries Timothy J. Regan, Kenneth John Pluskat, 2003 Now after 141 years, these diaries originally compiled in two manuscripts, are being published for the first time unedited and in their entirety. Rarely are any new discoveries made of the written material on the American Civil War and this may be the last major find of Civil War period literature.

Women and the First World War Susan Grayzel, 2024-01-17 In this revised version of a ground-breaking global history of women and the First World War, Susan Grayzel shows the multiple ways in which women faced the enormous challenges the war presented, both the losses as well as the opportunities that the war provided. The First World War was a total war requiring the mobilisation of millions of both civilians and combatants. It decisively shaped the modern world. A century after the signing of the last peace treaty to end this conflict, its experiences and legacies for women continue to inspire debate and interest. With new evidence from the tremendous outpouring of scholarship on women in all participant states, including those in occupied territories, Europe and its overseas empires, Asia, the Middle East, Africa and the United States over the last twenty years, this edition greatly expands the coverage of the war geographically while continuing to showcase diverse women's voices. Topical in its approach, it allows for a thorough exploration of the intersectional experiences of women. Including new documents highlighting the ways in which women wrote their wars and that detail the impact of this conflict on women of different statuses and geographies, this book opens the door to further inquiry on the women of the First World War. With documents providing first-hand accounts, a chronology and a glossary, the book is an ideal text for students studying the First World War or the history of women.

Why the South Lost the Civil War, 1991-09-01 Offers a chronological account of the Civil War, reexamines theories for the South's defeat, and analyzes Confederate and Union military strategy

The Great War Hazel Flynn, 2015-03-01 100 years after the Great War, why are we still arguing about how it began, who opposed it, why so many Chinese and Africans joined, and how the medical profession rose to the challenge -- among other things? As we mark the centenary of the Great War, critical questions remain in contention: how the conflict really began, what roles the generals played in the carnage, what happened to the conscientious objectors and how the medical profession rose to the challenge of so many wounded. This book, based on ABC RN's weekend-long broadcast, draws on the work of the world's leading thinkers and historians to challenge and extend our understanding of the war that profoundly changed the world. Featuring the views of historian and journalist Paul Ham, Margaret MacMillan from the University of Oxford, Peter Stanley from UNSW, journalist and author Peter Hitchens and many others, this is a fresh and immensely readable view of the war and its continuing impact through the 20th century to the present day.

The Confederate War Gary W. Gallagher, 1999-03-15 Gallagher argues that we should not ask why the Confederacy collapsed so soon but rather how it lasted so long. He examines the Confederate experience through the actions and words of

the people who lived it to show how the home front responded to the war, endured its hardships, and assembled armies that fought with great spirit and determination.
