**Food for Thought 366 Thought-provoking Quotes: 2 Day Per Page Journal** Catherine Edwards, Michael J. Harris, Ph.d., 2016-09-25 Begin each day with a quote from our collection of 366 quotes that are sure to inspire, motivate and keep you thinking... Start at any time! Unlike many journals and diaries that start on January 1st, you can pick any day of the year to be the first day on your journey...we even include a space for you to write the date for each quote. Use the quotes to inspire your day, and then use the included journal space to make note of how that day's quote guided you on your journey - ideas, thoughts, feelings...dreams! The quotes in this collection have been gathered from many sources, and we have made every reasonable effort to attribute each quote to its original author.

**53 Quotes to cange your perception** Prasanna M S, I believe that Life is always ready to teach, it depends on us whether we choose to learn from it or not. I have been guided by this principle and have continuously looked at several ways to acquire knowledge. During pandemic, I was looking for ways to keep the team motivated and engaged. It occurred to me that we can keep the team motivated by regularly bringing some relevant quotes from leaders around the world that can lift the spirits of the team. I started posting a quote on Monday each week, this was well received by the team and I extended this to share with social media on LinkedIn. Looking at an encouraging engagement and reaction to my posts. I continued this practice and that is how I ended up with more than a year worth of motivational quotes that I present to you as part of this journal/book. Initially I posted quotes that were already familiar or famous personalities who have had significant impact to society. Later this led to lot of research and learning on my own part. Here as part of this collection, I present to you what I learnt about the quote, the leaders and the quotes in turn had some meaningful thought provoking learning overall.
