Davis,2019-12-13 East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More By: Susan G. Davis In 1995 Susan G. Davis (Nan is what Susan's 5 year old grandson called her) 5 year old grandson Clint gave her a journal for Christmas. He suggested "why don't you put all of those quotes you're collecting in that old notebook in this journal" So for 20 years Davis filled her journal. When Clint came home on leave from the Air Force and asked her about the journal, he was surprised that she had accumulated enough information to fill the entire journal! It was he who suggested she put together her collection and create this book for everyone to enjoy. Within the pages of East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More, Davis hopes that anyone can walk away with something that will enrich their daily lives. Whether it be a ray of optimism, an answered question, inspiration when they need to be uplifted or when they need their funny bone tickled or and animal anecdote to tug at their heart strings or some Texas tidbit. This little book has something for everyone and can be read over and over.

Standing for Something Gordon B. Hinckley, 2001-03-20 In this national bestseller, the president of The Church of Jesus Christ of Latter-day Saints, Gordon B. Hinckley, has created a classic look at the values that can change our world--and how to stand up for them. Drawing on anecdotes from his much-admired life of faith and service, as well as examples from American culture today, he examines ten virtues that have always illuminated the path to a better world: love, honesty, morality, civility, learning, forgiveness and mercy, thrift and industry, gratitude, optimism, and faith. He then shows how the two guardians of virtue--marriage and the family--can keep us on that path, even in difficult times. *Standing for Something* is an inspiring blueprint for what we all can do--as individuals, as a nation, and as a world community--to rediscover the values and virtues that have historically made us strong and that will lead us to a brighter future.
