Origins of the Magdalene Laundries Rebecca Lea McCarthy, 2010-03-08 The convents, asylums, and laundries that once comprised the Magdalene institutions are the subject of this work. Though originally half-way homes for prostitutes in the Middle Ages, these homes often became forced-labor institutions, particularly in Ireland. Examining the laundries within the context of a growing world capitalist economy, the work argues that the process of colonization, and of defining a national image, determined the nature and longevity of the Magdalene Laundries. This process developed differently in Ireland, where the last laundry closed in 1996. The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization: from an affluent, strong supporter of Jesus to a simple, fallen woman.

The New Scottish Cinema Jonathan Murray, 2015-03-31 From a near standing start in the 1970s, the emergence and expansion of an aesthetically and culturally distinctive Scottish cinema proved to be one of the most significant developments within late-twentieth and early twenty-first-century British film culture. Individual Scottish films and filmmakers have attracted notable amounts of critical attention as a result. The New Scottish Cinema, however, is the first book to trace Scottish film culture's industrial, creative and critical evolution in comprehensive detail across a forty-year period. On the one hand, it invites readers to reconsider the known - films such as *Shallow Grave*, *Ratcatcher*, *The Magdalene Sisters*, *Young Adam*, *Red Road* and *The Last King of Scotland*. On the other, it uncovers the overlooked, from the 1980s comedic film makers who followed in the footsteps of Bill Forsyth to the variety of present-day Scottish film making - a body of work that encompasses explorations of multiculturalism, exploitation of the macabre and much else in between. In addition to analysing an eclectic range of films and filmmakers, *The New Scottish Cinema* also examines the diverse industrial, institutional and

cultural contexts which have allowed Scottish film to evolve and grow since the 1970s, and relates these to the images of Scotland which artists have put on screen. In so doing, the book narrates a story of interest to any student of contemporary British film.

Amateur Filmmaking Laura Rascaroli, Gwenda Young, Barry Monahan, 2014-02-27 With the advent of digital filmmaking and critical recognition of the relevance of self expression, first-person narratives, and personal practices of memorialization, interest in the amateur moving image has never been stronger. Bringing together key scholars in the field, and revealing the rich variety of amateur filmmaking—from home movies of Imperial India and film diaries of life in contemporary China, to the work of leading auteurs such as Joseph Morder and Péter Forgács—*Amateur Filmmaking* highlights the importance of amateur cinema as a core object of critical interest across an array of disciplines. With contributions on the role of the archive, on YouTube, and on the impact of new technologies on amateur filmmaking, these essays offer the first comprehensive examination of this growing field.

Women of Courage Mary Kay Green, J.D., 2007-10-30 The movie 'Juno' is up for an academy award. It is the story of a pregnant teenager who chooses adoption. Her choice is not the choice of the majority of teenagers who become pregnant. Most of these pregnancies are unintended, but the majority of these young women opt to give birth to and raise their own children. *Women of Courage: The Rights of Single Mothers and Their Children* Inspired by Crystal Chambers a New Rosa Parks is about the Constitutional rights of non-marital or illegitimate children and their parents, about the right to give birth and raise your own children regardless of race ethnicity and marital status. It was inspired by Chrystal Chambers and her lawsuit against the Omaha Girls Club for pregnancy and race-sex discrimination tried in 1986. Ms. Chambers case was filed under the 1978 Civil Rights Act, Title VII of the 1964 Civil Rights Act prohibiting race and sex discrimination in employment and under the federal statutes prohibiting race discrimination based on the 14th Amendment to the Constitution as well as the U.S. Supreme Court decisions under 9th Amendment, the reproductive rights amendment. Ms. Chambers' case had a role in the passage of the 1991 Civil Rights Act, Section 105 (a)(2) banning the use of the business necessity defense in cases where intentional discrimination is alleged. It literally took an act of Congress to get the Omaha Girls Club to abandon their single pregnancy negative role modeling discharge policy. Commission of a felony, racial discrimination and single pregnancies were grounds for discharge under their Negative Role Modeling Policy. The Club ended the policy in the early 1990's. The case has been covered in "The Loud Voice" of the national media. In June of 2003, Ms. Chambers and her case were featured by national black syndicated morning radio talk show host Tom Joyner Show in his segment "Little Known Black Heroes." In the winter of 1986, the case was featured in the New York Times, in Newsweek, in The New York Daily News, and the magazine In These Times as well as locally in Nebraska. The case was also featured twice on National Public Radio's 'All Things Considered,' and Ms. Chambers and her lawyer Mary Kay Green and others were featured on Phil Donahue's national

talk show April 4th, 1986. This case has inspired the writing and publication of nearly forty law review articles, most supporting Ms. Chambers and her rights. The book also covers the Magdalene asylums in Ireland for unwed mothers, and challenges the Constitutionality of provisions of the Welfare Reform Act and the Temporary Assistance Act. The book is unique in that both Crystal Chambers and her attorney Mary Kay Green, J.D. were single mothers. Ms. Chambers married the father of her daughter Ruth in 1986. She finished college summa cum laude and has lived an exemplary life. She is an excellent role model for young mothers. The majority of these young mothers eventually marry.

A Foreign and Wicked Institution? Rene Kollar, 2011-03-22 Many in Victorian England harbored deep suspicion of convent life. In addition to looking at anti-Catholicism and the fear of both Anglican and Catholic sisterhoods that were established during the nineteenth century, this work explores the prejudice that existed against women in Victorian England who joined sisterhoods and worked in orphanages and in education and were committed to social work among the urban poor. Women, according to some of these critics, should remain passive in matters of religion. Nuns, however, did play an important role in many areas of life in nineteenth-century England and faced hostility from many who felt threatened and challenged by members of female religious orders. The accomplishments of the nineteenth-century nuns and the opposition they overcame should serve as both an example and encouragement to all men and women committed to the Gospel.

Ireland's Magdalen Laundries and the Nation's Architecture of Containment James M. Smith, 2007-09-01 The Magdalen laundries were workhouses in which many Irish women and girls were effectively imprisoned because they were perceived to be a threat to the moral fiber of society. Mandated by the Irish state beginning in the eighteenth century, they were operated by various orders of the Catholic Church until the last laundry closed in 1996. A few years earlier, in 1993, an order of nuns in Dublin sold part of their Magdalen convent to a real estate developer. The remains of 155 inmates, buried in unmarked graves on the property, were exhumed, cremated, and buried elsewhere in a mass grave. This triggered a public scandal in Ireland and since then the Magdalen laundries have become an important issue in Irish culture, especially with the 2002 release of the film *The Magdalene Sisters*. Focusing on the ten Catholic Magdalen laundries operating between 1922 and 1996, Ireland's Magdalen Laundries and the Nation's Architecture of Containment offers the first history of women entering these institutions in the twentieth century. Because the religious orders have not opened their archival records, Smith argues that Ireland's Magdalen institutions continue to exist in the public mind primarily at the level of story (cultural representation and survivor testimony) rather than history (archival history and documentation). Addressed to academic and general readers alike, James M. Smith's book accomplishes three primary objectives. First, it connects what history we have of the Magdalen laundries to Ireland's "architecture of containment" that made undesirable segments of the female population such as illegitimate children, single mothers, and sexually promiscuous women literally invisible. Second, it critically evaluates cultural representations in drama and visual art of the laundries that have, over the past fifteen years,

brought them significant attention in Irish culture. Finally, Smith challenges the nation—church, state, and society—to acknowledge its complicity in Ireland's Magdalen scandal and to offer redress for victims and survivors alike.

Rethinking Occupied Ireland Jessica Scarlata, 2014-02-11 Imprisonment is a central trope of Irish nationalism, often deployed to portray the injustice of an Ireland occupied by foreign rule. Irish nationalism celebrates people jailed for resistance to British forces. While such a celebratory history resists colonialist images of Irish brutality, it also generates nationalist amnesia and nostalgia. *Rethinking Occupied Ireland* takes this history as its point of departure, arguing that the potent visual language generated to represent national heroes facilitates a narrow conceptualization of “occupation” and “resistance.” Irish cinema has long offered a double critique—against both colonialist and nationalist historiography. Through a study of incarceration in film, Scarlata critiques state-of-emergency discourses and reveals the global relevance of Irish history to questions of terrorism, security, and sexual and gender transgression in an ever-lengthening list of crimes against the nation. The films included in this book, ranging from 1980 to 2010, explore Irish history from the perspective of those marginalized within or ejected from Irish and British national narratives, providing an ideal occasion to interrogate the legacy of colonialism and post/anticolonial nationalism. Examining Ireland’s past in relation to its present, these films become a mode of postcolonial historiography, and, Scarlata argues, they are an important component in the reevaluation of what constitutes political cinema and political resistance.

Mary Magdalene from the New Testament to the New Age and Beyond Edmondo F. Lupieri, 2019-10-14 An international team of twenty scholars under Edmondo F. Lupieri’s direction produced *Mary Magdalene from the New Testament to the New Age and Beyond*. While the historical figure of the Magdalene may be lost forever, the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith. Different pictures of Mary travelled through time and space, from history to legend and mythology, crossed religious boundaries, going beyond the various Christianities, to become a “sign of contradiction” for many. This book describes a special case of biblical reception history, that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some, but proves to be inspiring for others.

The Spirituality of Mary Magdalene James S. Galluzzo, 2008-09-30 The feminine spirit is rising deep in the heart of creation, to heal our battered world and bring new life. Mary Southard, CSJ Much has been written about Mary Magdalene. Her name appears over a dozen times in the four canonical gospels. Her own gospel has been discovered and translated. The Gnostic Gospels mentioned her several times. Many sculptures, paintings, plays, movies, music and poetry are based on her. The institutional church has dealt with her in many ways including sainting her, prolonging misinformation about her, discrediting her and failing to honor her rich gifts to the whole of humanity. To get a better understanding of Mary Magdalene we will review: the scripture writings ? both Canonical and Gnostic Gospels; her own gospel; the concept Sacred

Feminine; the myths and legends about her; art work; music, movies and plays; the misinformation about her. After this review we will examine Mary Magdalene's core beliefs. What stirred her? What moved her? What was her inner knowledge which caused her metanoia (change of heart)? What made her so important for a millennia? What was her story? What is her spirituality and what can it mean for us today?

Jack Taylor Ken Bruen, 2022-04-26 A portrait of the PI from the Shamus Award winner who created him: "They don't come much tougher than Ken Bruen's Irish roughneck, Jack Taylor." —The New York Times Book Review In this short work, Edgar Award finalist Ken Bruen—"a Celtic Dashiell Hammett"—takes us deeper into his character Jack Taylor, formerly of Ireland's police force, the Garda Síochána, now a living-on-the-edge private detective (The Philadelphia Inquirer). "Jack, as ja series know all too well, has a gift for blarney, for plain speaking, for poetic melancholy, for downing shots of Jameson's [sic] without ice, and for pregnant one-word paragraphs." —Kirkus Reviews "Bruen's storytelling style, a stream-of-consciousness mix of prose and verse, strips away Galway's tourist-board facade and offers a darkly comic social commentary." —Booklist "The Godfather of the modern Irish crime novel." —The Irish Times "[Taylor's] voice is wry and bittersweet, but somehow always hopeful." —The Seattle Times

The Lineup Otto Penzler, 2009-10-21 "The best book of its kind. . . . An exciting omnibus volume. . . . delivering memorable revelations about the mystery genre and its different incarnations." —Janet Maslin, New York Times A great recurring character in a series you love becomes an old friend. You learn about their strange quirks and their haunted pasts and root for them every time they face danger. But where do some of the most fascinating sleuths in the mystery and thriller world really come from? What was the real-life location that inspired Michael Connelly to make Harry Bosch a Vietnam vet tunnel rat? Why is Jack Reacher a drifter? How did a brief encounter in Botswana inspire Alexander McCall Smith to create Precious Ramotswe? In The Lineup, some of the top mystery writers in the world tell about the genesis of their most beloved characters — or, in some cases, let their creations do the talking. "This book will delight any mystery lover." —Cleveland Plain Dealer "Who are more equipped to discourse on the origins, the motivations, the foibles, and the triumphs of their life's work than some of the best-known and most successful mystery and thriller writers on the planet?" —Los Angeles Times "Tremendous fun—clever, wide-ranging, revealing, even surprising. Bet you can't read just one." —Raleigh News and Observer "Fiery. . . . The authors take different approaches, but all offer an opportunity to see a familiar character in a new way. . . . It's also a great way to get a taste of some of the series you haven't read yet." —Maureen Corrigan, NPR.org

Transforming Shame Jill L Mcnish,Richard L Dayringer,2014-02-25 Explore shame's revelatory and transformative potential within Christianity and the Church Learn to understand shame to allow for positive change in your clients and parishioners. This book explores psychological, spiritual, and theological aspects of shame and shame's transformative potential. It will help pastoral care givers and mental health workers to identify shame issues and become agents of healing. By examining shame in the gospel accounts of the life, ministry, and death of Jesus, it shows that shame is a vital part of what defines us as human, and how shame can draw us into the mystery of our relationship with God. From the author: This book develops the thesis that shame is a necessary and ontological part of the human condition. Shame can become pathological, undergirding and dominating the entire personality, making it impossible to feel oneself either part of the collective or an individual in one's own right. Transformation of shame is a large part of the psychic meaning of the Christ event, what Christianity is about. Transformation of shame is the experience of grace. The great saints and icons of Christianity have used the Christ event to transform shame and experience grace. The more completely they have done this, the deeper their experience of unity with God. With *Transforming Shame: A Pastoral Response*, you'll explore: the phenomenological meaning of shame the psychological meaning, implications, and etiology of shame shame in the context of scripture and Christian theology the methodology for contextualizing theories of depth psychology in theology and religious experience human defense mechanisms to shame shame's usefulness in coming to a deeper understanding of personal identity the role of the institutional church in helping its people find meaning in shame and experiencing the grace that comes from shame's transformation how to address the Church's role in fostering toxic shame With practical examples drawn from pastoral ministry and a thoughtful, interdisciplinary approach, this book will help you understand both the psychology and the spirituality of shame and make the essential connections between the two. Extensive references and a handy bibliography point the way to further reading on this fascinating subject.
