Overcoming the Hardships in Life Edward Kwarteng, 2017-10-20 Imparting Into A Destined Life.. The tenacity of your well-being in life depends on your identification in Christ through Godly investments and their implementations. This book explains it all with the knowledge of life experiences, mysteries and the power to overcome life's crises and their struggles with the spiritual strategies to set one free from any challenges in life. However, there are some insights of life's formation and its stands set by the author through the power of the Holy Spirit to relieve the pain and stress that are attached to individual lives. In living for peace, you need to search for the Prince of Peace (Jesus Christ), who by His knowledge and wisdom has inspired the author to write this divine book. This book, *Overcoming The Hardships In Life* teaches us how we can effectively overcome the causes of life's stresses, pains and its difficulties with the inspired principles here received from God, to direct every life that faces hardships continually. Reading this book will help you catch a glimpse of indispensable basic principles to be successful in your life. For as you win, you win for yourself and the people around you, but whereas you fail, you fail for yourself. Hence, you must know for sure that, A better life holds some intrinsic values which nobody knows, except the one who owns it Be for yourself, and be for others. Psalm 68:11, Says, God gave the word, and Great was the Company of those who proclaimed it. Reach your Goals in Life. For, God's power is always super imposed against any forces that try to harass a delicate life been ordained by God by the author.

Choose Life Simon Guillebaud, 2014-07-18 This unique set of daily readings from bestselling author Simon Guillebaud encourages the reader to live the Christian life without compromise and without restraint; to live on full throttle and with utter abandonment to Christ. Simon Guillebaud has lived in Burundi since his early twenties. He takes unimaginable risks so much so that he didn't expect to live to the age of 30. He sees miraculous results time and again as he works tirelessly for the salvation, peace and prosperity of the country he loves and daily gives his life for. Burundi is a place where choices are vivid, stark and sometimes deadly. It is a front line state in a fragile democracy seeking to overcome a bloody past. The spiritual battle between the forces of light and the repressive power of the local witchdoctors is very real. It is in this context that

Simon Guillebaud has learned the lessons he shares in this volume. Succinct and engaging, these daily reading cover a separate topic every day. The range is striking and profound as Simon shares the things he has learned through the council of the Holy Spirit. Those who engage with this unique devotional will be challenged and ultimately changed.

Born To Win: A Winner's Destiny Tommy Franks Ph D,2009-02 YOU and I were born to WIN! Nowhere in our universe does it say that you are a loser. The Bible says that you are The Apple of God's Eye. God has made you to ride upon the high places of the earth. You deserve the very BEST that our Father has to offer. He wants you to be a Winner and to have an abundant life filled with joy. He wants YOU to be happy, healthy, and wise. YOU are the BEST product that the Father has ever produced! You were created in His image and in His class. As a Winner, you expect to win! WINNERS have plans. LOSERS have excuses. WINNERS find the answer. LOSERS seek out the problem. WINNERS are part of the answer. LOSERS are normally the problem. WINNERS say that it is highly possible. LOSERS say that it is definitely impossible. Losers are complainers and whiners. Winners are positive. Each human being is born as a brand new creation.someone who has never existed before.with the capacity to win in life.each person having a unique way of seeing, hearing, touching, tasting, thinking, and doing things. Each has her own unique potentials, capabilities, and limitations. Each is a significant and creative being.creation of God.a real winner. Most people are not 100% winners or 100% losers. We all have bad hair days. I have no hair.So, as you can see, I have seen a few bad hair days in my time. However, once a person is on the road to winning, her chances of continuing to win in the game of life are tremendous. Winners have different potentials. Winners do their own thinking. They think for themselves. Winners never play the helpless game.nor do they play the blame game. They play to win. They assume responsibility for their own lives. Winners are able to love and be loved. Winners have a zest and passion for life. They have energy! They have passion for the things in which they believe. Winners care about the world, the

earth, and the environment. They are not isolated from the general concerns of society, but they are concerned and compassionate about improving the quality of life. Winners want to make the world a better place and enjoy life to its fullest! Furthermore, as you are blessed as a Winner, you will have an APPRECIATION for others and a POSITIVE ATTITUDE. You will make commitments and have good communication with others. You will have a greater LOVE, SENSITIVITY, and COMPASSION for others. Your SENSE of HUMOR, PATIENCE, and TOLERANCE for the weaknesses in others will expand. Regardless of where you are in your walk on Planet Earth, being a winner will make you feel good about yourself. You will begin to expand your goals and your horizons. You will invest in your mind and spirit by studying inspirational and motivational books, CDs, and DVDs. Attending the Church of your choice will be very important to you. You will spend quality time with quality people. As a Winner, you will use your time wisely and you will be TEACHABLE. YOU were created to be a Winner. YOU were made for GREATNESS. You were made to soar like an eagle, not like a chicken in the barnyard eating chicken feed with the hogs. YOU were made for excellence and style. Winning is now part of your life. YOU were created to rule and reign with Christ while on earth, and later in heaven. YOU shall eat in PLENTY and be SATISFIED. You have become a winner because you belong to the family of God. Abundance is YOURS. You will not lack. The Lord is your Shepherd. God has been GOOD to you. He will never let you down. You will never be put to shame (Rom.10:11). God loves you unconditionally. You were born to win. For centuries, He who had the gold made the rules. That does not work anymore on a permanent basis. Some of the possessors of the gold have gone blind from the glare of their own self-brilliance and self-importance.

An Encounter with Life- as it is Ashok Sinha, 2018-10-05 An encounter with life- as it is-what happened when I met Life for the first time in silence-no words, no grammar, no boundaries, no inhibitions, no fear. I am sharing my experience, which I accumulated from a sacred communication with God; within me. This can happen to you too. My expertise lies in communication. How to communicate volumes in brief? Keeping the grace intact. These communications need words to convey your thoughts. Your plan for your future with your audience. But to listen to the real communication, that is already happening inside you between you and God, you need to be silent. This is possible when you are free of ego, desire, anger, and jealousy. When all the worldly things you possess are dropped. When you enter the stage of no words, no thoughts. When you are completely stripped of your borrowed knowledge from other. Your university, your Gurus, your religion. When there is absolutely nothing inside you. When you are silent within. In that state of nothingness, complete silence within you, a

cosmic, sacred nectar of knowledge may explode inside you. And, when this sacred explosion of knowledge explodes, for god's sake, do not start thinking about your family or your future. When this cosmic, sacred explosion of knowledge explodes inside you, stay there with the explosion. Float with this sacred explosion. Become a witness to this sacred explosion. You may see a sacred light within you. God is within you. I am not a philosopher. I am not a guide. I am certainly not a mascot. I am your extension. I am another you. I am as old as the mountains. I am as fresh as Morning Breeze.

Making Great Decisions in Business and Life David R. Henderson, Charles L. Hooper, 2006 . The phrase work smarter, not harder has been repeatedly ridiculed in the Dilbert comic strip and elsewhere, not because it is a bad idea, but because it is thrown like a brick lifesaver to drowning employees. To tell someone to work smarter is like telling someone to be happier, healthier, and richer. It's not much help to merely repeat the objective; what people need is a plan for achieving the objective. ... In *Making Great Decisions*, we show our readers how to achieve their objectives. We write to help those in business and those in the business of life--i.e., everyone--to work smarter. Our ideas are both simple and powerful. We offer a better way to look at problems so that the solutions are easier to find. We help supplement our readers' clear thinking by summarizing some of the most powerful techniques we have discovered. ... Have you ever driven through corn country? From a distance, all you see are corn stalks and more corn stalks in a jumbled mess. Then suddenly, when you get closer, your perspective changes, and you can see down the rows and realize that the corn was planted perfectly in straight lines. Your perception of the crop changes from a messy jumble to a clear picture simply because you're in the right spot. This book puts readers in that ideal spot. So many problems seem like hopeless jumbles but then, when you start using the techniques we discuss here, they start to look as straightforward as the straightest line in an Iowa cornfield. ... What motivated us to write this book is that, over the years, both of us have regularly come across people in organizations--often bright people with MBAs or other graduate degrees--who don't think they have the time, energy, or skills to make good decisions. They have many clues but don't know how to put them together. They regularly face situations that they could analyze with some of the tools they learned in their courses, but they don't realize that. We don't hold ourselves apart from this group, and stories of our successes and failures are sprinkled throughout *Making Great Decisions in Business and Life*.--Publisher's Website.
