Perfectly Parvin Olivia Abtahi, 2022-05-17 Fourteen-year-old Iranian-American Parvin Mohammadi sets out to win the ultimate date to homecoming in this heartfelt and outright hilarious debut. Parvin Mohammadi has just been dumped--only days after receiving official girlfriend status. Not only is she heartbroken, she's humiliated. Enter high school heartthrob Matty Fumero, who just might be the smoking-hot cure to all her boy problems. If Parvin can get Matty to ask her to Homecoming, she's positive it will prove to herself and her ex that she's girlfriend material after all. There's just one problem: Matty is definitely too cool for bassoon-playing, frizzy-haired, Cheeto-eating Parvin. Since being herself hasn't worked for her in the past (see aforementioned dumping), she decides to start acting like the women in her favorite rom-coms. Those women aren't loud, they certainly don't cackle when they laugh, and they smile much more than they talk. But Parvin discovers that being a rom-com dream girl is much harder than it looks. Also hard? The parent-mandated Farsi lessons. A confusing friendship with a boy who's definitely not supposed to like her. And hardest of all, the ramifications of the Muslim ban on her family in Iran. Suddenly, being herself has never been more important. Olivia Abtahi's debut is as hilarious as it is heartfelt--a delightful tale where, amid the turmoil of high school friendships and crushes, being yourself is always the perfect way to be.

TALOS CLAIMS HIS VIRGIN Michelle Smart, Misao Hoshiai, 2019-09-01 Prince Talos of Agon seemed to be searching for a violinist to play at a gala, but Amalie can't help him. When she was practicing her violin by herself, suddenly a man appeared and caught her eye. His proud stature and strong black eyes made him look like he came out of a myth. He asked her to play at the gala. He was the prince of Agon, and said he would destroy Amalie's music career if she refused. How terrible! She couldn't play even if she wanted to...

Uncaged Rengarajan, 2023 Young Sam, could have been one of the best musicians, champion cricketer and a class topper. But he has traded all this for a safe-life out of the limelight. When he inherits a magical and quirky journal, his life is the opposite of staying away from the limelight. He tastes success, garners envy but finally finds himself and learns to cherish the beautiful relations in his life. Insightful, humorous, magical and romantic, 'Uncaged', brilliantly explores finding one's identity and accepting oneself.

The Marquis de Leuville Dick Weindling, Marianne Colloms, 2012-05-30 Once called the greatest charlatan of his age, the Marquis was a fascinating Victorian 'renaissance man'. Born to an artistic family, he became a renowned poet and adventurer. A crack shot and excellent swordsman, the Marquis fought duels and has a series of high-profile love affairs. He joined Garibaldi during the unification of Italy and claimed an affair with the Queen of Naples. Louisa Tussaud (of the famous waxworks family) risked her reputation for him as they set out on an extravagant journey across Europe. In New York, he met wealthy widow and newspaper proprietor Mrs Leslie and their on-off affair lasted over twenty years. The charismatic Marquis made friends and enemies in equal measure. Accomplished orator, story teller and dandy, he cut a swathe through high society in London and New York. But his colourful life held a secret: who was the real Marquis de Leuville?

Baby Grand Bob Bachner, 2019-07-11 "A stylishly structured and poetically described family tale... elegantly written." -KIRKUS REVIEWS Lila Grand, born Lina Granatelli, faces an unbearable choice when Willie Burke, the love of her life, tells her that her baby daughter, Gloria, can't live with them in Manhattan after they are married. Pressured by Willie, her family and her priest, Lila gives in, and Gloria is taken by Lila's mother across the river in Brooklyn. When World War II begins, Willie is stationed in California and takes Lila with him. A year later, Lila's mother dies, and a distraught Lila allows her brother and sister-in-law to take Gloria to St. Louis as their own child. When Willie finds out he is sterile, he persuades Lila to go to Court to take back Gloria, now eight, who believes the brother and his wife are her parents. Can Lila's determination win Gloria's love?

Something for Nothing Connie Bailey, 2010-06-28 Alvaro Torres is a teenager with man-sized problems: his dad bailed, his mom's a shut-in, and his teacher at Our Lady of Providence School for Boys thinks Alvaro and his buddies are punks headed for a minimum-wage future. It doesn't look like anything's going to change until Candelario Carlisle transfers in and arouses Alvaro's protective instincts... among other things. When a bully threatens the pretty new kid, Alvaro takes Cande under his wing and into his fledgling dance group. Slowly, under Alvaro's care and attention, the hard shell Cande has built around his heart begins to melt. The more involved they become, the more reluctant Cande is to add misery to Alvaro's life, but Cande's past could ruin the only opportunity these delincuentes have for a better life.

Papa Remembers Anthony J. DiFiore, 2013-12-12 Why am I writing my memoirs? Several months ago, my Grandson, Steven, said: Papa, you should write all the stories that you have been telling us all these years. Some day you will not be around to tell those wonderful stories anymore. If I had a booklet or some kind of way to tell the stories to my children or hopefully, my grand children, I would be a happy man. So as a result, I decided to write this book. Normally, people do not look to write a novel at the age of 78. however; I have decided to give it a try. I am a normal man of 78 years of age, in my retirement years and love life. I adore God, love my family and friends and Honor my Country, America. I guess I should start by letting you know something about me and my family. I am married to my wife, Roseanne, for 53 years and 5 months. Life with Roseanne has been wonderful. We have three children, Graceanne, 51, Steven, 48 and Anthony, 45. Graceanne is married to my son-in-law, Christopher, Steven is married to my daughter-in law, Jennifer and Anthony is married to my daughter-in-law, Theresa. We have 13 grand children and one great grand daughter. The children are Melanie, 36, Rachel, 34, Steven, 26, Nicholas, 24, Courtney, 20, Nichole, 20, Christopher, 17, Melina, 13, Samantha, 10, Michael, 9, Mackenzy, 8, Allyson, 4, Isabella 1, and Zoe Emma, 1. Thank God, they are all in good health and Beautiful and Handsome individuals.

Dustin Grubbs: Take Two! John J. Bonk, 2009-10-31 After his breakthrough performance in last year's school play, Dustin Grubbs gets the taste of fame he dreams about. He's even recognized in the streets. (OK, so his hometown of Buttermilk Falls is small and everybody knows everybody... even so!) Fresh into seventh grade, he is ready for his acting career to take off in his school's upcoming musical production of *Oliver!* The twist is that phys-ed funds are being cut to do it, sparking grounds for an all-out war of the worlds: athletes vs. drama geeks. Even worse, Dustin discovers he's tone deaf and has two left feet! Just when things are looking grim, Dustin gets his big break when a field trip to Chicago teams him up with his wacky show biz dad for an opportunity of a lifetime--a shot at a national TV commercial! Will Dustin jump at the chance at all costs? *Dustin Grubbs: Take Two!* is full of the same hysterical one-liners and slapstick middle graders saw and loved in *Dustin Grubbs: One-Man Show*. Beneath the show is deeper story--that of a boy who longs to reunite his parents and will do anything to see them together.

Seekers Richard Paul Donahue, 2012-08 Johnny Flannigan developed a sixth sense about trouble at an early age: it always happens when you're not dressed. Johnny grew up in a ragtag family full of what other folk called characters. His dad and mother, who lived on small change and laughs, had Johnny late in life. But when Johnny was seventeen, things began to look up. He and his new friend, Jesse Davidson, teamed up with Eddie Freeman, a fast-talking kid who would later become manager for the singing duo, Jesse and Johnny. Together, the three boys began to make a little money, learning the entertainment business by trial and error. Eddie will do whatever it takes to make his friends (and clients) into superstars. Johnny loses his heart to a faithful hometown girl named Joyce, and all is bliss—that is, until Ruby Van-Heusen, an older woman with more than enough money (but not enough scruples), steps in with her own agenda. When Levi, Johnny's unpredictable older brother, follows him to Hollywood with big dreams of his own, Johnny's world spins out of control even more. In an effort to regain a bit of balance, Johnny and his partners form a record company which in turn brings on some unwelcome surprises, including the Mob. From Indiana to New York and then Hollywood, Johnny's life is never short on adventure, laughs, heartbreak—or the struggle it takes to never give up. Richard Donahue has spent his adult life in the music industry. As a teenager he ventured off to New York and signed a recording contract with RCA Records. Later he joined forces with Hollywood Sound Studios in Los Angeles., working in songwriting, publishing and production. He co-wrote *It's the lover not the love* for pop star Tiffany. He currently lives in Nashville Tennessee.

Autumn 1943 James Lester Clark, 2002 Sept. 1943 in the small town of Danton, Kentucky, the government had converted the college into an Army Air Corps preflight facility, the nearby state mental-hospital into a treatment center for GIs suffering battle fatigue. Major Sam Ross, a fighter.

The Great American Songbook Steven Suskin, 2023-04-01 In an age of ubiquitous music and countless new songs releasing every minute, the Great American Songbook endures. After all, the Songbook—that sprawling canon of popular songs, standards, and show tunes from roughly the 1920s through the 1950s—is a foundational text of American pop music. Rare indeed is the song that doesn't in some way draw on this magnificent corpus, and rare is the person who hasn't heard at least a few of its most enduring melodies. Nonetheless, the Songbook is broader and deeper than most listeners can imagine, and on the margins, the question of whether this or that song should be included is the source of regular arguments among scholars and buffs alike. Attempting to plumb its depths can be a daunting prospect. Enter Steven Suskin, who has been writing about music since the days that Rodgers, Arlen, and Berlin still roamed the streets of Manhattan. In this carefully curated and cheerfully opinionated guidebook, Suskin surveys 201 of the most significant selections from the Songbook,

ranging from celebrated masterpieces to forgotten gems. Year by year, he puts songwriters and their contributions in their context, and explains what makes each song such a distinctive treat—whether felicitous melody, colorful harmony, compositional originality, or merely the sheer, irreducible joy of listening to it. Old and new favorites await all readers of this painstakingly compiled, enthusiastically written catalog.

My Fate Is Sealed Carmen Richter, 2018-10-12 When my best friend committed suicide in our senior year of high school, I moved two states away, trying to escape the grief. Less than two years later, I found out that my girlfriend had cheated on me and was about to have another man's child. I spent the next three years retreating into a shell of my former self, keeping everyone at arm's length. If all I got out of letting people in was pain, what was the point? But that all changed the night I met Zoe. When I heard her sing, her voice captivated me. When I talked to her, I felt an immediate connection. When I kissed her, she brought me back to life. And then she walked into my classroom the next day...as one of my high school students. Could I really pretend the chemistry between Zoe and I didn't exist? Or was I willing to risk everything to be with the girl who had reminded me that life was worth living? See author's website for a full list of content and trigger warnings. Note: *My Fate Is Sealed* is the fourth book in the *Sealed With a Kiss* series and the first book of Elijah's continuous trilogy. This trilogy follows the events of Zoe's trilogy, but from Elijah's perspective.
