The Ferryman Krishnakumar,2024-11-09 Adithya is bitter when he is forced to accept the delivery of an antique bed on behalf of his neighbor. The large and majestic bed occupies his whole bedroom. Every time he sleeps on it, he has nightmares. He dreams about killing different people with whom he had disputes. And at the end of it all, he wakes up devastated, completely drained. When he soon learns that the people whom he had killed in his dreams have also died in real life—passing away naturally in their sleep—he begins to realize the power the bed wields. What follows is a macabre series of events as the monstrosity and deep dark desires of the human mind are unleashed by a power so horrific, that escaping it seems hopeless.

Disappointment Michael Mack,2020-12-10 Considering the support behind Brexit and Donald Trump's 'America first' policies, this book challenges the idea that they are motivated solely by fear and instead looks at the hope and promises that drive these renewed forms of nationalism. Addressing these neglected motivations within contemporary populism, Michael Mack explores how our current sense of disappointment with our ecological, economic and political state of affairs partakes of a history of failed promises that goes back to the inception of modernity; namely, to Spinoza's radical enlightenment of diversity and equality. Through this innovative approach, Spinoza emerges less as a single isolated figure and more as a sign for an intellectual constellation of thinkers and writers who – from the romantics to contemporary theory and literature – have introduced various shifts in the way we see humanity as being limited and prone to disappointment. Combining intellectual history with literary and scientific theory, the book traces the collapse of traditional values and orders from Spinoza to Nietzsche and then to the literary modernism of Joseph Conrad and postmodernism of Philip Roth and Thomas Pynchon.

I Love My Stupid Life Albert Cho, 2022-11-01 Biting, pungent, salty and - yes - sweet, too, this is the true story of Albert Cho's life in food and the paramount place of food in his life. Writer Albert Cho has lived through a lot already - from the bland suburban Kiwi racism and heady dairy lolly-bag runs of his childhood to sexual abuse; from the lows of disordered eating to the highs of substance addiction; from obscurity to international modelling; from influencer success and controversy to 'C-list celebrity fame'. In this book, he tells his story and reveals the restorative power of hot soup, family and friends, the invincibility of the truth and the liberation of love. As a strong believer that food should always be shared, Albert includes recipes - his own, his mum's and his friends' - some of them New Zealand's leading chefs. Inside you'll find home baking Kiwi treats like melting moments and chocolate cake, traditional Korean classics, easy snacks and other hacks, Albert's favourite restaurant and street food dishes, the meat pie that broke the internet, and more. Part recipe book, part backstory to the phenomenon of @eatlitfood, part unapologetically sweary guide to eating and drinking and savoir vivre, *I Love My Stupid Life* is - above all - a powerfully candid and moving memoir from one of the most inimitable, unapologetic voices of our time. Essential reading. Food is so much more than flavours and textures. One spoonful of food can hold infinite power and meaning, whether fond memories, nostalgia or trauma. Swallowing that spoonful can be a battle, but it can also

be triumphant. It can lead to you sharing parts of yourself that you've never shared before...

I Only Say This Because I Love You Deborah Tannen, 2001-07-31 Why does talk in families so often go in circles, leaving us tied up in knots? In this illuminating book, Deborah Tannen, the linguist and bestselling author of *You Just Don't Understand* and many other books, reveals why talking to family members is so often painful and problematic even when we're all adults. Searching for signs of acceptance and belonging, we find signs of disapproval and rejection. Why do the seeds of family love so often yield a harvest of criticism and judgment? In *I Only Say This Because I Love You*, Tannen shows how important it is, in family talk, to learn to separate word meanings, or messages, from heart meanings, or metamessages —unstated but powerful meanings that come from the history of our relationships and the way things are said. Presenting real conversations from people's lives, Tannen reveals what is actually going on in family talk, including how family conversations must balance the longing for connection with the desire for control, as we struggle to be close without giving up our freedom. This eye-opening book explains why grown women so often feel criticized by their mothers; and why mothers feel they can't open their mouths around their grown daughters; why growing up male or female, or as an older or younger sibling, results in different experiences of family that persist throughout our lives; and much, much more. By helping us to understand and redefine family talk, Tannen provides the tools to improve relationships with family members of every age.

Gray Love Nan Bauer-Maglin, Daniel E. Hood, 2023-01-13 Gray Love narrates stories about the most common themes – searching for and (perhaps) finding love. Forty-five men and women between ages 60 and 94 from diverse backgrounds talk about dating, starting or ending a relationship, embracing life alone or enjoying a partnered one. The longing for connection as old age encroaches is palpable here, with more and more senior singles searching online. Those who find new partners explore issues that most relationships encounter at any age, as well as some that are unique to elder relationships. These include having had previous partners and a complicated and deep personal history; family and friends' reactions to an older person's dating; alternative models to marriage (such as sharing space or living apart); having more than one partner at the same time; one's aging body, appearance, and sexuality; and the pressure of time and the specter of illness and death.

Love & Will Rollo May, 2011-03-07 An extraordinary book on sex and civilization....An important contribution to contemporary morality.—Newsweek The heart of man's dilemma, according to Rollo May, is the failure to understand the real meaning of love and will, their source and interrelation. Bringing fresh insight to these concepts, May shows how we can attain a deeper consciousness.

Catherin & Alexander Love on the Internet T.R. Espinola, 2013 Catherin & Alexander, *Love on the Internet*, is about two romantically driven people that have been, for the greatest part of their lives, unlucky in love. They see the romance in the rose opening its bloom for the world to see the beauty held within, as well as in the ability for two people with romantic hearts to find each other, enjoying the poetic beauty of the world around them. However, each feels disappointed in the fact that they have not found the person that brings love's star into focus. Catherin, a hopeful romantic, is a woman that craves romance, enjoys being a woman, and loves being feminine. She envisions herself in romantic scenarios with a man that can hold her heart in his hands, capable of loving her for the rest of her life. On the other hand, Alexander is not only a man of action, an individual that has always enjoyed adventure, never missing an opportunity to feel the adrenaline run through his veins, but also a true romantic and a Southern gentleman. He believes strength is best found in the way in which a man loves the woman in his life and in the way he lives his life as an example for others to follow. After experiencing another bad date, he decides to follow the advice of a friend and join an Internet dating site. Catherin, experiencing a similar situation over six thousand miles away, does the same, allowing them both to find a love that bridges two completely different worlds, uniting their hearts forever together.

The Algorithm of Love Adrian Ferruelo, 2025-05-26 When Lila Bennett, a skeptical journalist, investigates a cutting-edge AI matchmaking app, she never expects to be matched with its creator, Ethan Carter, a tech entrepreneur who believes data can predict true love. As Lila delves deeper into the app for her exposé, she finds herself drawn to Ethan in ways that defy logic and algorithms. Together, they must confront the ethical dilemmas of their connection, their own vulnerabilities, and the question of whether love can truly be engineered. This heartfelt romance explores the intersection of technology and

humanity, blending themes of trust, authenticity, and the transformative power of love. Perfect for fans of *The Kiss Quotient* and *The Hating Game*, this novel will leave you questioning the boundaries between science and the heart.

Love is a Sweet Chain James Martel, 2012-10-12 Notions of love intersect with ideas on personal liberty, obligation, individuality, self, and difference in this study. James Martel contends that theorists' inattention to the subject has impoverished our explorations of political discourse.

The Werewolf Filmography Bryan Senn, 2017-02-06 From the horrific to the heroic, cinematic werewolves are metaphors for our savage nature, symbolizing the secret, bestial side of humanity that hides beneath our civilized veneer. Examining acknowledged classics like *The Wolf Man* (1941) and *The Howling* (1981), as well as overlooked gems like *Dog Soldiers* (2011), this comprehensive filmography covers the highs and lows of the genre. Information is provided on production, cast and filmmakers, along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure.

D. H. Lawrence Ronald P. Draper, 1997 Controversial English novelist, notorious for the explicitness of his writings. Writings include: *Sons and Lovers*, *Lady Chatterley's Lover*, *Women in Love*. Volume covers the period 1909-1931 (grouped by novels/poems).

Seasons of Love Emily Garside, 2023-11-15 With its groundbreaking score, unabashed romanticism, and scrappy

sensibility, *Rent* was like a firecracker thrown into a hushed theater, turning heads and upending conventions. But if its unexpected success was the stuff of theatrical legend, the story of its making was a bittersweet one, with composer Jonathan Larson, a student of Sondheim's finally making his Off-Broadway debut, tragically dying on the night of the final dress rehearsal. Even decades later, *Rent* lives on as a warmly remembered chapter in Broadway history, yet the show is too often trivialized, reduced to parody, or dissected in the service of an arid cultural politics. In light of this, journalist and theater expert Emily Garside has some questions. Chief among them: Why is *Rent* taken less seriously than other musicals of its caliber? And should it be? In *Seasons of Love*, Garside brings both a fan's devotion and a scholar's critical eye to reassess the legacy of this Pulitzer Prize-winning musical a quarter-century after its premiere. Even as the show memorably captured the experience of life on the margins in the late '90s, Garside argues that it remains an important and relevant work today. She explores the influence it had on diverse casting, immersive set design, and queer representation in the works that followed in its wake. And she dives into the world of past and present *Rent*heads who share their formative experiences with the musical, which coincided with the dawn of online fan culture. Ultimately, *Rent* was an uncommonly innovative and prescient musical, and as we survey past works for inspiration and look for ways to fill our theaters, there's much to learn from its example.

Quotationary - The A-Z Book of Quotations Nasser Amiri, 2024-06-27 Compiled over many years by Nasser Amiri, this is by far the most comprehensive collection ever compiled of carefully selected quotations from the world's great philosophers, writers, historians, musicians and thinkers. Quotationary is a source of inspiration for every writer, book-lover and thinker. It contains the thoughts of many of the finest minds since ancient man started to express his wit and wisdom in aphoristic form. It is inspirational, instructive, amusing and literary; alongside a dictionary and thesaurus it is a must-have purchase for any author, writer, journalist or anyone working with words.

Messiaen's Explorations of Love and Death Siglind Bruhn, 2008 Olivier Messiaen's lifelong quest centered on the colors and rhythms of a music that would serve as a vehicle for his thoughts about time, his love of God, and his enthusiasm for birdsong. An additional topic about which he felt deeply is that of passionate, fated human love and its relationship to death on the one hand, the love of God on the other. During the years 1936-1948, he composed five cycles of vocal music to his own texts as well as the *Turangalîla* Symphony, the monumental centerpiece of his *Tristan* Trilogy. The focus of this study is the in-depth analysis and interpretation of these six works on love, with particular regard for their unusual wealth of poetic, sonic, and visual colors and imagery. The wonder of rainbows, the magic of exotic sounds, the fantastic attractiveness of surrealist representations, and the majestic inexorability of fate in myths of various times and cultures define Messiaen's lyrics as much as his idiosyncratic, highly symbolic musical language, which never fails to build bridges between this and another world.
