*Building God's Kingdom* Julie J. Ingersoll,2015-07-01 For the last several decades, at the far fringes of American evangelical Christianity has stood an intellectual movement known as Christian Reconstruction. The proponents of this movement embrace a radical position: that all of life should be brought under the authority of biblical law as it is contained in both the Old and New Testaments. They challenge the legitimacy of democracy, argue that slavery is biblically justifiable, and support the death penalty for all manner of crimes described in the Bible including homosexuality, adultery, and Sabbath-breaking. But, as Julie Ingersoll shows in this fascinating new book, this Biblical Worldview shapes their views not only on political issues, but on everything from private property and economic policy to history and literature. Holding that the Bible provides a coherent, internally consistent, and all-encompassing worldview, they seek to remake the entirety of society--church, state, family, economy--along biblical lines. Tracing the movement from its mid-twentieth-century origins in the writings of theologian and philosopher R.J. Rushdoony to its present-day sites of influence, including the Christian Home School movement, advocacy for the teaching of creationism, and the development and rise of the Tea Party, Ingersoll illustrates how Reconstructionists have broadly and subtly shaped conservative American Protestantism over the course of the late-twentieth and early-twenty-first centuries. Drawing on interviews with Reconstructionists themselves as well as extensive research in Reconstructionist publications, *Building God's Kingdom* offers the most complete and balanced portrait to date of this enigmatic segment of the Christian Right.

*The Christian Life Series* Rayola Kelley, 2013-05-01 Did you ever just want to read a book about the Christian life that would explain how it would express itself in the life of believers? The Christian Life Series is comprised of three books that are separated according to themes to show believers what the Christian life is all about and how it will express itself. The first book, *What Matter Is This?*, deals with the matters that establish the foundation of the Christian faith such as salvation, love, grace, faith, and holiness. The second book, *The Challenge of It*, addresses that which challenges this incredible walk by establishing that it is a matter of knowing God, properly investing in a relationship with Him, accepting His invitation, disciplining attractions, and letting go of the past. The final book, *The Reality of It*, reveals how the Christian life will express itself in our walk. It unveils the spiritual man, defines what it means to be a disciple, and what it entails to walk in the light in order to adhere to what we have been predestined to fulfill. This is a book that every serious-minded follower of Jesus will not only want to read and study, but to meditate on in order to gain the nuggets of truth that have been interwoven into each presentation.

**Bible Study Journal Series - Psalms** J M Solorzano, 2019-11-27 The Bible Study Journal Series was created to simplify the task of reading the entire Bible by publishing each book of the Bible separately as study journals, formatted in a single column, with wide margin spaces for journaling or taking notes. Every book in the Bible Study Journal Series includes the Matthew Henry Concise Commentaries on that book. While commentaries can be useful, they should not substitute doing proper research of the Scriptures yourself. As Christians, we should take on the characteristics of a Berean, as mentioned in the book of Acts 17:10-12. Bible reading and Bible study go hand in hand, and having a basic foundation of the Scriptures is extremely important in the life of a Christian. Read, study, and read some more using the Bible Study Journal Series.

Horae Homileticae, Or Discourses Now First Digested Into One Continued Series and Forming a Commentary Upon Every Book of the Old and New Test Charles Simeon, 1832

Nicene and Post-Nicene Fathers: First Series, Volume V St. Augustine: Anti-Pelagian Writings Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume V of the 14-volume collected writings of the Nicenes and Post-Nicenes (first published between 1886 and 1889), readers will discover Saint Augustines rebuke of Pelagianism. This doctrine undermined Augustines beliefs because it claimed that original sin did not exist. Since there was no original sin, humans were saved or lost based solely on their own will. This further meant that Jesus, while a great teacher and model human being, did not die to save humanity, negating a large portion of Christian doctrine. Augustine believed that salvation was available only by the grace of God working in conjunction with mans decision to live a good life. Spiritual seekers and students of history will find this work a thorough defense of Catholic theology.

This boxed set includes the first three Christian historical western romance novels in the series, Frontier Vows, full of adventure, intrigue, romance, and inspiration. Romancing the Bride Marrying a stranger to save a ranch is one thing; losing the land on their wedding day is another. Desperate to keep the ranch where three of her children and a husband lie buried, Annie Gephart must marry or

sell. Which of the few bachelors in town would consider a surprise proposal to wed a plain widow with a rebellious daughter, a spirited boy, and unpaid taxes—without laughing in her face? □□□□ Wowzers! I loved this book so much! In this marriage of convenience, Jacob had a chance to back out, but he stays true to his vows and his new family. I love the gentle wooing he does of Annie. So many gentle touches. My heart was a puddle. ~ Review by A+D Pretending to Wed It's a match made in heaven...as long as they don't fall in love! The ranch Nolan Key has spent decades working for, even lost a leg for, is now his—or at least it should be. But an absurd clause in his father's will means he's in danger of losing the place to his lazy, undeserving cousin. Nolan finds himself scrambling to save his home—by proposing marriage-in-name-only to the town laundress. □□□□ I loved this book! It was one of those so sweet, can't wait to see what happens, but don't want it to end books! ~Review by JulieAnnette07 Depending on You She's always believed in the magic of Christmas to heal hearts, but is she hoping for too big a miracle? Leah Whitsett had always thought of her husband as steadfast and morally upright, so when she learned Bryant had helped the mayor steal land from the townsfolk, nearly leading to her death at the hands of the mayor's henchman, the foundation of her marriage was shaken. Now, weeks from Christmas, her husband has come home to atone for his mistakes. Will the season bring the hope they need, or are their rifts too wide to mend? □□□□ This story will take you on an incredible journey of tears, joy, and forgiveness that will leave you hanging onto every word! ~Review by Shonda
