Carl Boggs, Thomas Pollard

Prison Love Raylan Gilford, 2024-03-06 Raylan Gilford served twenty-eight years, seven months, and twenty-five days straight of long-term incarceration inside the Illinois Department of Corrections. During that period, with the exception of four years in total, Mr. Gilford kept something soft, sexy, and sweet (i.e., a woman) in his life, who was longing for his presence on the opposite side of those locked bars and gates. Such a life experience certifies Mr. Gilford as a prison-love scientist. So if you are tired of missing commissary, tired of the officer/mail person moving pass your cell like s/he's in the matrix, tired of your collect calls being denied, tired of hearing about the big-booty girls in the visiting room or how good the vending machine food taste, or tired of falling in love with TV women or ladies from a girly magazine, then this book is for you. Peep game...*Prison Love: How to Maintain a Penitentiary Relationship*.

Chloe's Cottesloe Beach Mag. Julia Metzl, 2024-07-04 The 31-year-old Chloe is a down to earth woman who lives in Perth, Western Australia. She loves her work as an elementary school teacher, stands by her curvy body and meanwhile also copes with the eternal teasing of her mother. She doesn't care too much about the failure of her last relationship; after all, she entertains the beloved cat siblings Bonnie & Clyde. Furthermore, Chloe meets the handsome and charming surf instructor Nick at Cottesloe Beach. She thus expects a harmless flirt, but Nick shows real interest in her. When he tells Chloe about his little daughter and she meets his beautiful ex-wife, first doubts creep in. Despite all possible obstacles, a wonderful time seems to begin.

Kaieteur Ian Young, 2022-12-29 This work of art is a dedication of what I have gone through in life, from my military experience to returning to civilian life and restoring a normal life. Even though you have your brothers and sisters in green, they don't replace what you have at home. The experiences are a total shock no matter how many times you are deployed and think that you are used to it. PTSD is an aftereffect, and a lot of people, including family, is affected unknowingly. Only time, perseverance, and the undaunted care, affection, and understanding of your loved ones and friends can help in the situation at hand. So in effect, this work is my journey through it all. I thank you all for your support, and I hope it helps you to understand why a lot of veterans go through what they do. Be blessed. Wishing you lots of love and happiness.

ENIGMA Talva,2020-04-20 More often than not, when we find out that someone is an only child we quickly surmise that the person has been spoiled-rotten by his or her parent (s); thereby, having a reputation of being selfish and bratty. G. Stanley Hall was one of the first experts to give an only child a bad reputation when he referred to their situation as a disease in itself. Being spoiled can be interpreted in varying ways. One might say that it simply means that they are well taken care of. Yet others may argue that its meaning is derived from a parent (s) over-showering their child with monetary riches; all the

while, failing to instill other core values that will enrich their child's personality and character. Being a parent is undoubtedly one of the toughest tasks on earth. Nevertheless, a parent's flagrant-foul on the parenting field can be extremely damaging and detrimental to their child's emotional well-being. Good children can make bad parents, just as bad parents can make good children. For Crystal, things just got real!

Theatre Café Plays Three Holger Schober, Ingmar Villqist, Ralf N Höhfeld, 2014-09-26 The third volume in the successful Theatre Café series contains three contemporary European plays in English translation. All fairly short two-handers, the plays make a great volume for teachers and students looking for suitable material to work on in schools, colleges, and youth theatre groups. The volume contains: Clyde and Bonnie by Holger Schober (translated by Zoe Svendsen) Mothers, hide your children! Fathers, hide your savings! Clyde and Bonnie are back in town! A brief synopsis of what happened before: Clyde, whose real name is Werner, and Bonnie, which is her real name - parents can be so cruel - meet each other, fall in love, and start robbing banks. On the occasion of their 10th bank robbery, Bonnie gets shot and killed. Clyde takes refuge in a bar and is actually still sitting there. So much for part one. But what Clyde did not know is that he and Bonnie have a daughter, who is now 16 and somehow feels that she doesn't fit in with the family she lives with. She doesn't know that they are her foster family. If the first part of the play was a love story, then the second is the story of a father and a daughter: An evening about responsibility, love and also about how to stay cool when the cops are hot on your heels. The play won the Austrian Theatre for Young People award 'Stella' in two categories (incl best production in Theatre for Young People), 2009. *Helver's Night* (Polish) by Ingmar Villqist (Translated by Jacek Laskowski) *Helver's Night* is an expressionist drama about the relationship between Carla and her young charge, Helver. Helver is fascinated by fascism - not by the ideology, which he is unable to grasp, but by the show-off aspects of the movement. In the end he becomes a victim of this fascination. *Busstopkisser* (German) by Ralf N. Höhfeld (Translated by Vanessa Fagan) A boy. A girl. A bus stop. 18 Kisses over 18 months. Coffee and conversation by candlelight, a picnic under the Eiffel Tower. Then the girl vanishes. But was she ever really there? Can anyone without an email address or mobile phone actually be real? A funny, unusual take on the classic boy-meets-girl scenario, *Busstopkisser* takes the audience on a mind-bending tweet-sized journey through adolescent romance.

And they caught fire. Audrey Oakes is in Wildcat Bluff County on a mission. She has a lead on the legendary Hallelujah Ranch bootlegger gold—money that would cover the cost of her grandmother's life-saving medical treatment—but she hadn't counted on following it straight into a group of wild horse rustlers. Audrey has no choice but to speed to the closest refuge and hide, only to be confronted by a gun-toting, hot-blooded cowboy. It might only be a coincidence that Audrey appears on firefighter Cole Murphy's doorstep just as the rustlers race by his ranch. A World in Chaos Carl Boggs, Thomas Pollard, 2003-08-25 *A World in Chaos: Social Crisis and the Rise of Postmodern Cinema* traces the evolution of postmodern cinema through its multiple and overlapping expressions. Through an analysis of films such as *American Beauty*, *Blade Runner*, *Natural Born Killers*, and *Thelma and Louise*, Carl Boggs and Thomas Pollard

explore the historical and theoretical shift from the long era of modernity to an emergent postmodernity and examine its intersection with film culture. Unlike most works on media studies, Boggs and Pollard bring together elements of sociology, history, economics, literature, communications, and pop culture to fully explore the complex developmental interaction between film and society. The resulting work illuminates the different, often conflicted and contradictory, currents at work in the film industry that long ago departed from the ritualized practices of the classical studio system. Engagingly and clearly written, *A World in Chaos* is perfect for film and pop culture enthusiasts as well as everyone interested in the role of film in American society.
