

# The Assassins Blade Series

**James Waterson**

**The Assassin's Blade** Sarah J. Maas, 2014 Celaena Sardothien is Adarlan's most feared assassin. As part of the Assassins' Guild, her allegiance is to her master, Arobynn Hamel, yet Celaena listens to no one and trusts only her fellow killer-for-hire, Sam. In these action-packed prequel novellas - together in one edition for the first time - Celaena embarks on five daring missions. They take her from remote islands to hostile deserts, where she fights to liberate slaves and seeks to avenge the tyrannous. But she is acting against Arobynn's orders and could suffer an unimaginable punishment for such treachery ... Explore the dark underworld of this kick-ass heroine and find out how the legend begins in the five page-turning prequel novellas to the New York Times bestselling Throne of Glass series.

The Assassin's Blade Sarah J. Maas, 2020-10-01 'One of the best fantasy book series of the past decade' TIME The twist of a knife. The birth of a legend. Step into the world of the #1 bestselling Throne of Glass series by Sarah J. Maas with this collection of prequel novellas. Celaena Sardothien is her kingdom's most feared assassin. Though she works for the powerful Assassin's Guild and its scheming master, Arobynn Hamel, she yields to no one and trusts only her fellow killer-for-hire, Sam. But when Arobynn dispatches her on missions that take her from remote islands to hostile deserts, Celaena finds herself acting independently of his wishes and questioning her own allegiance. If she hopes to escape Arobynn's clutches, Celaena will have to put her faith in her wits and her blade ... knowing that if she fails, she'll lose not just a chance at freedom but her life. A prequel to the New York Times bestselling Throne of Glass, this collection of five novellas explores the history of this cunning assassin and her enthralling - and deadly - world. Included in this volume: The Assassin and the Pirate Lord The Assassin and the Healer The Assassin and the Desert The Assassin and the Underworld The Assassin and the Empire

*The Assassin's Blade (Novellas)* Sarah J. Maas, 2015-05 This bind-up features all four of the previously published e-novellas along with a story now available in the US for the first time, The Assassin and the Healer.

The Assassin's Blade (Miniature Character Collection) Sarah J. Maas, 2019-11-05 In these five prequel novellas to Throne of Glass, feared assassin Celaena embarks on daring missions that take her from remote islands to hostile deserts, where she fights to liberate slaves and avenge tyranny.

**The Assassins** Louis Shalako, 2013 Emperor Domitian hates Christians. He isn't too fond of philosophers either. The Assassins will cut anyone's throat for a few pieces of gold, so that's no problem. The popular Heron of Alexandria is brash and

outspoken. In addition to teaching school and building an aeolipile, history's first reaction motor, he has some other surprising skills.

**The Liquid Cool Series Box Set** Austin Dragon, 2017-04-26 A Cyber-Noir Thriller Series To Keep You on the Edge of Your Seat! It's Blade Gunner Meets The Maltese Falcon. Liquid Cool is the action-packed (and funny), cyberpunk/sci-fi detective series. Over 1000 pages includes These Mean Streets, Darkly (prequel), Liquid Cool (Book 1), Blade Gunner (Book 2) and NeuroDancer (Book 3)! In the sci-fi/cyberpunk detective series, author Austin Dragon shows why you never want to meet a cyborg in a dark alley. There is plenty of gritty action, suspense, thrills, and even a few laughs. It's cyberpunk reimagined—an ever-rainy world of colossal skyscrapers, hovercars, flashy neon streets, and futuristic mechanization. Metropolis isn't a bad place, but it isn't a good one either. Uber-governments and megacorporations fight for control of the fifty-million-plus supercity, but so does crime. We meet Cruz, our private eye (and unlikely hero), in this super-city with a million victims and perpetrators. Watch out for tech-tricksters, analog hustlers, and digital gangsters—psychos, samurais, and cyborgs aplenty. Visitors have a way of becoming permanent attractions. Welcome to the high-tech, low-life world of Liquid Cool.

**The Assassin and the Empire** Sarah J. Maas, 2012-07-20 One final mission could be the beginning...or the end. Celaena Sardothien is the assassin with everything: a place to call her own, the love of handsome Sam, and, best of all, freedom. But Celaena won't be truly free until she is far away from her old master, Arobynn Hamel—so she and Sam decide to take a last daring assignment that will liberate them forever. And that's how Celaena learns that having everything means that everything can be taken away.

**Monsters of Elsewhere** Matthew WalDRAM, 2014-12-21 There is a land – let's call it Elsewhere – that is in no small amount of trouble. Giant wolves are tearing villages apart, a monster king is bringing his army across the sea to capture the legendary Hall of Glass, and the High Lord has completely disappeared. Henry Whistler was eight when he got lost at a bus station in Hounslow. There his adventure began. For that was when he met the exiled invisible man, the monster swordsman, and the girl with the bright red hair. Now a grown-up, Henry's childhood adventure is a faded memory... until his fiancée vanishes. Until he is drawn into another world. Until he is pursued by a blind assassin – with only a monster and a dead man for company – across a land that is in no small amount of trouble. KEYWORDS: Sword and Sorcery, Coming of age, Humor, Alternate Worlds, Action and Adventure, Monsters, Epic Fantasy, Teen fantasy, Teen adventure, Erm... cheesecake (because who doesn't like cheesecake?)

**The Detective Inspector Chen Novels Volume One** Liz Williams, 2018-07-03 Three paranormal mysteries in an “exotic amalgam of police procedural, SF, comic fantasy, and horror . . . a delight from start to finish” (Locus). Det. Inspector Wei Chen of Singapore Three's Thirteenth Precinct is “a detective whose beat reaches to the fringes of Heaven and Hell”

(Booklist). Along with his demon partner from Hell's vice squad, Zhu Irzh, Chen is the man to turn to for paranormal problems that are literally out of this world. Snake Agent: This "entertaining supernatural mystery" introduces an occult detective who is as serious as his beat is strange (Publishers Weekly). With a demon for his beloved wife, Det. Inspector Wei Chen possesses a comfort with the supernatural that most mortals cannot match. But his journey to Hell to find the waylaid ghost of Pearl Tang, the deceased daughter of a wealthy industrialist, will take him further into the abyss than ever before—to a mystifying place where he will need the help of a demonic detective to survive. Getting into Hell is easy. Getting out is another story. "Snake Agent combines disparate elements of Chinese mythology, urban fantasy, science fiction and mystery to create a rich milieu and a highly entertaining story." —Jacqueline Carey, New York Times–bestselling author *The Demon and the City*: In this "wildly imaginative" second novel, demon Zhu Irzh has been assigned to aid the Singapore Three police department as they investigate cases that overlap this world and the world to come (Publishers Weekly). With Detective Inspector Chen on a well-deserved vacation, Zhu Irzh's first murder case involves the savage killing of a rich would-be witch outside of the occult market. Soon he's unearthed a supernatural conspiracy that proves Hell holds no monopoly on evil. Chen just may have to cut his vacation short. "Uniquely imaginative . . . [a] surreal fusion of Chinese mythology, paranormal high jinks, and satisfyingly suspenseful sleuthing." —Booklist *Precious Dragon*: Chen and Zhu Irzh have been assigned to escort the Heavenly functionary Mi Li Qi on a diplomatic mission to the underworld. Soon after they check in to their hellish hotel, Qi vanishes into the abyss. Now they must follow her into the bowels of a demonic bureaucracy, where they will be forced to dodge all manner of otherworldly dangers if they wish to avoid a political incident with apocalyptic ramifications. "One of the most colorfully imaginative packages in recent fantasy." —Booklist

Beyond Birkun Michael W. Lowe, 2012-08-30 Peace reigns over the land. The sorcerer Mellette is sealed within his catacombs, Emory and Erin happily reside in Wizardmont, and Tostan and Maria are making a life together in Fortun. Nevertheless, Tostan is troubled. Trading horses barely calms his warrior spirit, while Emory's continuing blindness nags at his heart. Challenged to do something about his friend's affliction, Tostan leaves his comfortable life behind and embarks upon a dangerous quest for a cure. Ride with Tostan and his warhorse Surefoot as they travel beyond Birkun to the land of the fiercely independent Druids. Walk with Tostan amidst the solar stones and tarandu as he makes new friends, debates skeptic leaders, and engages mistrustful rivals. Watch and listen as they take the measure of Tostan and his quest. Will Tostan's abilities negotiate the political intrigues and overcome the mistrust of the Druids? Can he find a cure before the sharp knives of the Toblarian Assassins find him? The friendship of Tostan and Emory was forged in childhood and tempered at Wizardmont and Bryunzet. It binds them together, like brothers. They have each sacrificed much to keep their friendship strong. How much more is Tostan willing to sacrifice?

Seeds of Malice Christopher Lapides, 2014-12-04 I will destroy you. Druzeel realizes that his actions have opened another

path, one of evil and deceit, but the path of righteousness still lies before him. Choosing which one to follow is the difficult part, but one thing is certain - nothing will ever be the same. A tiny seed of virtue still lies inside of him, but as he travels through a city full of sin, hatred, and evil, it gets harder to feel that goodness. He knows it will take only the slightest push to fall into a hole of darkness, so he clings tightly to that shining light. But the pull of the gloom is strong and when a new figure enters his life and offers him power, it may be impossible to resist. With power comes fear and with that fear comes respect. All he wanted was the respect of his peers and the trust of those he admired. Is this new power enough to give him both? Can it make him into the man he always wanted to be? Or will it turn him into a monster? The power is enchanting, but it comes with a heavy price. If he chooses to ignore those consequences, then there may be no pulling him from a dark descent.

Tomb of the Khan (Last Descendants: An Assassin's Creed Novel Series #2) Matthew J. Kirby, 2016-12-27 Owen and his friends are back and deep in simulations of Mongolian China. The second book in the Last Descendants trilogy based on the Ubisoft(R) video game franchise Assassin's Creed! As the second book in the Last Descendants trilogy begins, Owen and his friends have lost. When they located the first piece of an ancient and powerful relic long considered a legend - the Trident of Eden - it seemed little could stop them. This piece was sought by the Brotherhood of Assassins and the Templar Order, but before either organization could take the piece, it was stolen by an unknown third party. The relationship between the teens fractured-Owen and his friend Javier taking sides with the Assassins, the others with the Templars. Now there are still two pieces of the Trident of Eden to find, and both are determined not to repeat their mistakes. The next piece is said to have been buried with the Mongol warlord Mongke Khan, whose tomb has never been found. Teens on either side of the conflict will have to go into simulations in war-torn Mongolian China in a race against time to discover the next piece, and ensure their safety before their enemies find it first.

*Rebirth: Emperor, Take This* Qing Yu, 2020-04-30 having returned from her rebirth she stood at the same turning point of fate this time she chose to use her blood sacrifice dance to win the heart of the emperor in order to protect her family and beat up the scum of men and women Liu Ruyan decided to hug the emperor's legs in this life but who would've thought that the thighs would get thicker and thicker they're too thick I'm afraid I can't even hold on to my little arms and legs I'll give you another chance as my queen I'll let you hold on to me a certain emperor's mood was elated

**The Ismaili Assassins** James Waterson, 2008-10-30 "A fascinating history . . . The Medieval conflict between Christians and Muslims has many similarities to the Middle East today."—Firetrench The Ismaili Assassins were an underground group of political killers who were ready to kill Christians and Muslims alike with complete disregard for their own lives. Under the powerful control of an enigmatic grand master, these devoted murderers often slayed their victims in public, cultivating their terrifying reputation. They assumed disguises and their weapon of choice was a dagger. The dagger was blessed by the grand

master and killing with it was a holy and sanctified act; poison or other methods of murder were forbidden to the followers of the sect. Surviving a mission was considered a deep dishonor and mothers rejoiced when they heard that their Assassin sons had died having completed their deadly acts. Unsurprisingly, their formidable reputation spread far and wide. In 1253, the Mongol chiefs were so fearful of them that they massacred and enslaved the Assassins' women and children in an attempt to liquidate the sect. The English monarch, Edward I, was nearly dispatched by their blades and Richard the Lionheart's reputation was sullied by his association with the Assassins' murder of Conrad of Montferrat. The Ismaili Assassins explores the origins, actions and legacy of this notorious sect. Enriched with eyewitness accounts from Islamic and Western sources, this important book unlocks the history of the Crusades and the early Islamic period, giving the reader entry into a historical epoch that is thrilling and pertinent. "An inherently fascinating, deftly written, and impressively informative read from beginning to end."—Midwest Book Review

*Shadow Lord* Laurence Yep, 2000-09-22 Angira is a primitive, violent planet -- and young Prince Vikram returns from Earth filled with new ideas. When Sulu and Spock accompany Vikram home, they walk into a bloodbath: reactionary forces, afraid of any modernization, have seized Vikram's rightful throne. Suddenly the men from the Enterprise are on an underground journey with a Prince who is coming of age. The future of Angira is at stake, and each man's survival depends on his skill -- and daring -- with a sword!

*Draconis' Bane* David Temrick, 2011-08-05 Dragon magic has faded from the lands of the Seven Kingdoms and the power they exercised over the elements has failed. Already Terum has reverted back to being covered by volcanic ash and great storms destroy ships and palaces alike all over the largest continent. Prince Tristan Vallious is born into this uncertain world and not unlike many children of royalty, he's arrogant and abusive. The King and Queen have no choice but to send him to the border under the command of his older brother. There he can work out his issues while defending his country against all kinds of creatures, both men and other of a less savory sort. Before he can assume his new post, he is attacked by a magical assassin, placing him in a coma. The Nightmare Spell used is a terrible fate and most die within a week of being plunged into their own worst fears, losing the will to live quickly. Tristan now stands at a crossroads and the weight of the world of both men and dragon rest on his shoulders.

**Blood of the Templar** D. H. Nations, 2009-03 Josephine Mowbray flees the butchering of her family at the hand of the Isma'ilites and stumbles into the protecting arms of the Knights Templar. But the Templar are not what they seem, and their mystery will lead Josephine on a journey that changes the very blood in her veins and condemns her to the world of night. The Blood of the Templar pivots between the vampire knights who have remained true to their Christian faith, the Muslim assassin seeking to honor Allah by purging the demon-knights from his land, and the Knight Hospitaller attempting to expose the Templar's corruption to the Holy Church.

**A Banished Land** Jake Jauch, 2012-01-12 I have befriended vampires and made a pact with a dragon. I have fought a war that was not my own, for a city that was not my home. I have made enemies simply because I am different. I won the fight against a werewolf horde and saved a city, but the fight is far from over for me. The repercussions of the war were far greater than anyone could have anticipated, and now my life and the lives of my best friend and my family are all in jeopardy. My name is Ivan, and time is running out. *A Banished Land: The Turning* is more than your average vampire tale. Ivan, a man turned vampire by his beloved and best friend, made many enemies in the war against the werewolves on both sides of the battlefield. As a result, he and his friends and family are in grave danger. Now, Ivan has a choice: take the life's blood of a human to gain the strength he needs to defeat his enemies and save those he holds dear, or stand by his values and find the strength to defeat his enemies from within.

The Demon and the City Liz Williams, 2013-09-17 In this “satisfyingly suspenseful” urban fantasy, a demon teams up with a human detective on the Singapore police force (Booklist). Zhu Irzh is having trouble adjusting to life on Earth. The food is bland, the colors dim, and the weather much too chilly for a demon used to the balmy climate of the underworld. Recently attached to the Singapore Three police department, Zhu Irzh has been assigned to help humans like Detective Inspector Chen investigate cases that overlap this world and the world to come. But how dedicated can a demon be to justice when his last assignment was to Hell’s vice squad—whose job is not to prevent vice, but to promote it? Zhu Irzh is pondering these philosophical questions when he catches his first murder case: the savage killing of a rich would-be witch outside of the occult market. Chen is on a well-deserved vacation, so the demon takes charge himself, unearthing a supernatural conspiracy that proves Hell holds no monopoly on evil. *The Demon and the City* is the second of the five Detective Inspector Chen Novels, which also include *Snake Agent* and *Precious Dragon*.

The Assassin and the Desert Sarah J. Maas, 2012-03-30 The world's most feared assassin hones her craft...and her blade. The Silent Assassins of the Red Desert aren't much for conversation, and Celestia Sardothien wouldn't have it any other way. She's not there to chatter, she's there to learn their ways. Quiet suits her just fine—until she begins to suspect there's a traitor in the fortress, and she must determine which of the mute and mysterious assassins is her deadly adversary.

## **The Assassins Blade Series Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Assassins Blade Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Assassins Blade Series has opened up a world of possibilities. Downloading The Assassins Blade Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Assassins Blade Series has democratized knowledge. Traditional books and

academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Assassins Blade Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Assassins Blade Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only

violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Assassins Blade Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Assassins Blade Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online

platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About The Assassins Blade Series Books

1. Where can I buy The Assassins Blade Series books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple

Books, Kindle, and Google Play Books.
