Although she's had her ups and downs, life is good now: she lives with her twin brother, Onyx, and another friend in an artsy community in Cincinnati and is pursuing a master's degree in psychology. An avid reader, Ophelia

likes everything to be orderly, including her job at a nearby bookstore. But when a good-looking stranger ends up in her apartment—invited to crash on their couch by her brother—her life begins to change forever. Brax Smith arrives to Cincinnati with nothing other than his van, having left Florida to start a new life, escaping the memories of losing his mother to cancer and dealing with his drunk father. A recovering alcoholic himself, Brax meets two guys at a group session in an eclectic area of Cincinnati when he gets to town. He feels grateful to have a place to stay but also comes face-to-face with the sister of one of his new friends, who is less than excited to have an additional roommate. Can he win her over, despite the fact that she has no interest in being his friend? In this novel, the lives of two struggling people collide and take them on a roller-coaster journey of good times and bad, ultimately leading to true love, devotion, and tragedy.

Victorious Nelle Fari, 2018-08-15 You never know what life is going to throw at you next. But what's important is to keep your faith throughout those hard times. Even when you feel like your faith is being tested, always remember, God never puts you through anything that he knows you can't handle. Regardless of what you may be going through in life, know that there is always a light at the end of the tunnel for you because God said so. I didn't think that I would make it through all that I have been through, but I did. Even when I felt like giving up on myself, God never gave up on me, and with his love and guidance, he brought me through my hardships. If you take nothing else from this book, I hope you take away the fact that God is real and with him by your side, as well as keeping him first in all that you do, anything is possible.

Zen Life Balance Darlene Alisa, 2022-03-24 At a young age, we're taught, that conditions in life decide how we should

feel: satisfied or unsatisfied, happy or sad, or even angry. We're conditioned to meet the expectations of others regarding how things should be or what we should do, think, and feel. When others are happy with us or do things that are pleasing, our emotional thermostat rises, and we feel good. When life doesn't go according to expectations or someone is displeased with us, our emotional thermostat goes down. Throughout time, we can lose our sense of self, who we are, and our happiness. In *Zen Life Balance*, author Darlene Alisa helps you feel a sense of internal peace, wherever you are in your life, regardless of the conditions or what anybody else thinks, says, or does. It's about giving yourself permission to feel as good as you're able in the current moment and not wait for others or outside conditions to change and adjust your emotional thermostat for you. *Zen Life Balance* is about looking for even the smallest reason to feel good, everywhere you go, no matter where you are in life. It's about connecting with the best part of you every day and remembering that your happiness is up to you. Ultimately, you're the one in control of how you want to feel.
