A Golden Compass Nikki Pattillo, 2022-06-03 This book is written to guide and reflect on important spiritual directional points that are contained within our souls. These points are like an inner spiritual compass, a golden compass if you will, that help us along our way or our path in life. Compass points that tell us that no matter what direction we are headed, there is love, hope, and inspiration within our spirits to draw upon and help guide us on our difficult but inspirational paths. You see, each and every person has a precious golden compass that lies within their spirit and within their soul. It is put there by the Angels to help us to remember who we are and why we are here as so many of us have forgotten about our path we have chosen in our lives while still in spirit. There is a poignant and beautiful connection between our spirit and our soul. All our experiences in life can affect both our spirit and, therefore, our soul's spiritual growth and this is done by the beautiful guidance points that are contained within each and every one of us. While on Earth, we must learn to cope with intolerance, displeasure, and sadness while searching for joy, love, and tolerance. Along the way we must not lose our integrity, sacrifice goodness for survival, or acquire superior or inferior attitudes to those around us. We know that living in an imperfect world will help us to appreciate the true meaning of perfection. By following our beautiful golden compass that has been placed into our souls and spirits, we can navigate our lives with exceptional clarity and infinite wisdom.

The Beat Of Love L. Loryn, 2018-06-23 They each need what the other has. Miguel Costa knows everyone in the celebrity world, but he's not on the A-list. He's on the C-list. Maybe the B-list if you ask the right person. He's got a new movie coming out and what he needs is a quick injection of popularity. Tsela "WOLFE" Begay is on the A-list-- and he's not even an actor. With long hair, brooding dark eyes, and a perpetual frown, he's making women (and men) swoon left and right. The only problem is under dark eyes and a calm demeanor lies a volatile temper and bad press follows him around like a sick puppy. He needs Miguel's wholesome reputation on his side. A little dirty work with their managers, and suddenly they're in a good, old-fashioned celebrity relationship. Mandatory for a year, say their managers. But between Wolfe's terrible temper and some secrets from Miguel's past, can they really stick it out for a year? And make their fans believe it's real at the same time?
