Becoming a YouTube Musician Christopher Cayari, 2025-07-28 As the most-visited social media site on the internet, the video-sharing platform YouTube has become a highly influential space for musicmaking and learning. *Becoming a YouTube Musician: How People Learn, Create, and Connect Online* explores how YouTube creators and viewers are using digital video to create and consume music, develop online communities, and engage in formal, informal, and experimental music learning. Drawing on 26 case studies, the author challenges music educators to incorporate the learning, creative, and social practices of online musicians into their classrooms by helping students learn to participate in an online music system like YouTube. While this book serves as an in-depth analysis of a specific platform, the concepts within are more universal. *Becoming a YouTube Musician* encourages readers to consider how technology, media, and the internet can be used to innovate teaching by incorporating popular practices that exist on social media. The author shows educators how to apply lessons from the practices of YouTube musicians in their classrooms, facilitating student creativity and engagement in new ways.

The Babylon Bee Guide to Gender Babylon Bee, 2023-09-19 From the satirical minds behind the viral sensation *The Babylon Bee* comes the latest installment of its guide series. This looks at the two original gangsta genders—male and female—shows us the progressively insane slide into the multiplying number of genders that has lately been spiraling out of control. The third entry in the bestselling *Babylon Bee Guide* series explores the whole colorful rainbow of genders. Men! Women! And millions more! Featuring gorgeous custom artwork, infographics, charts, and interactive features, every page will catch the eye with hilarious observations about the differences between the two original genders and all the new ones we’ve just recently made up. Features will include: Diagrams documenting the biological and behavioral differences between men and women How to tell if you are a man or a woman How to choose your gender How to change genders if the mood strikes Interviews with experts in which we ask, “What the heck is a woman, anyway?” What it means to be a father What it means to be a mother (or is that “birthing person”?) How to get a good woman/man to fall for you Comprehensive coverage of all the imaginary genders besides men and women Hall of fame: best men and best women in human history Through *The Babylon Bee*’s patented satirical voice, this book will tell you everything you need to learn about gender identity, transgenderism, and biological sex. Use it to teach your kids before their first-grade teacher does!!

A Dream of a Woman Casey Plett, 2021-09-20 Casey Plett’s 2018 novel *Little Fish* won a Lambda Literary Award, the

Firecracker Award for Fiction, and the Amazon First Novel Award (Canada). Her latest work, *A Dream of a Woman*, is her first book of short stories since her seminal 2014 collection *A Safe Girl to Love*. Centering transgender women seeking stable, adult lives, *A Dream of a Woman* finds quiet truths in prairie high-rises and New York warehouses, and in freezing Canadian winters and drizzly Oregon days. In “Hazel and Christopher,” two childhood friends reconnect as adults after one of them has transitioned. In “Perfect Places,” a woman grapples with undesirability as she navigates fetish play with a man. In “Couldn’t Hear You Talk Anymore,” the narrator reflects on past trauma and what might have been as she recalls tender moments with another trans woman. An ethereal meditation on partnership, sex, addiction, romance, groundedness, and love, the stories in *A Dream of a Woman* buzz with quiet intensity and the intimate complexities of being human. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

U. S. Composers and Poets: The Intersection of American Classical Music and American Literature (Revised and Updated) Gerald F. Sweeney, 2024-10-15 Gerald F. Sweeney's new book is titled *US Composers and Poets - The Intersection of American Classical Music and American Literature*. The relationship between American composers and American writers has always been close. Creating the music to accompany and enhance the prose and poetry of our greatest writers has given us a treasury of musical masterpieces, including Ives' *Concord Sonata* after Emerson, Thoreau, Hawthorne and the Alcotts- as well as Copland's *Poems of Emily Dickinson*, Gershwin's *Porgy and Bess* with DuBose Heyward, and Lukas Foss's *The Jumping Frog of Calaveras County* after Mark Twain. This new soft cover book contains the musical offerings of 300 American composers who have embellished the literary creations of over one hundred and fifty American writers. This includes thirty-five musical versions of poems set by Walt Whitman and twenty-five by Emily Dickinson, indicating the devotion shown to our favorite poets by American troubadours.

Composition in the Digital World Robert Raines, 2015-02-02 American composers are at the forefront of a renaissance in concert music, in the process expanding the very definition of the category. The impact of digital technology on the creative process and the unprecedented diversity of contemporary composers are arguably among the catalysts driving the rebirth. In this series of personal interviews with some of the most prominent composers of art music currently working on the American music scene, composer and educator Robert Raines leads the intimate conversations through subjects ranging from the source of inspiration to work habits, the realities of the business of music, and the impact of technology on music and life in the 21st century. The musicians who participated in these conversations are as different from one another as might be imagined, both in styles of music and approaches to life and art, resulting in a series of stories that offer a kaleidoscopic view of the many paths to creativity, yet a common thread that runs through the interviews is the passionate artistic drive that is shared by all. The inspirational stories of struggles and successes, told in the artists' own words and distinctively framed by their individual personalities - humorous, curmudgeonly, serious, serene, and playful by turns - is a delightful and thought-provoking journey full of personal insights, advice, and sharp observations on composing music in a changing, technology-driven world. A loving homage to the artistic spirit, this book is a must-read for students of composition, professors and scholars of music, composers and aspiring composers, and anyone interested in the subjective process of writing music. This rich and entertaining collection provides a unique glimpse into the workings of the creative spirit in the digital age.

Historical Dictionary of Choral Music Melvin P. Unger, 2023-08-14 A Library Journal Starred Review (March 2024) praises the book as a remarkable resource that will please both musical professionals and amateurs, along with teachers and their students, and conductors and singers." Throughout the ages, people have wanted to sing in a communal context. This desire apparently stems from a deeply rooted human instinct. Consequently, choral performance historically has often been related to human rituals and ceremonies, especially rites of a religious nature. *Historical Dictionary of Choral Music*, Second Edition contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 1,300 cross-referenced entries on composers, conductors, choral ensembles, choral genres, and choral repertoire. This book is an excellent resource for students, researchers, and anyone wanting to know more about choral music.

Teaching Music Through Performance in Band Larry Blocher, Eugene Corporon, 1997 Recordings of works composed for band and suitable for grades 2-5.

Boy Meets Girl Joshua Harris, 2009-10-07 Purpose Driven Romance The last thing singles want is more rules. But if you're looking for an intentional, God-pleasing game plan for finding a future spouse, Joshua Harris delivers an appealing

one. A compelling new foreword, an all-new “8 Great Courtship Conversations” section, and updated material throughout makes this five-year revision of the original *Boy Meets Girl* a must-have! Harris illustrates how biblical courtship—a healthy, joyous alternative to recreational dating—worked for him and his wife. *Boy Meets Girl* presents an inspiring, practical example for readers wanting to pursue the possibility of marriage with someone they may be serious about. Are you ready for “romance with purpose”? If you’re fed up with self-centered relationships that end in disillusionment, it’s time to rethink romance. Finding the loving, committed relationship you want shouldn’t mean throwing away your hopes, your integrity, or your heart. In *Boy Meets Girl*, Joshua Harris —the guy who kissed dating goodbye—makes the case for courtship. As old-fashioned as it might sound, courtship is what modern day relationships desperately need. Think of it as romance chaperoned by wisdom, cared for by community, and directed by God’s Word. Filled with inspiring stories from men and women who have rediscovered courtship, *Boy Meets Girl* is honest, romantic, and refreshingly biblical. Keep God at the center of your relationship as you discover how to:

- Set a clear course for your romance
- Get closer without compromise
- Find support in a caring community
- Deal with past sexual sin
- Make the right decisions about your future

New! Courtship Conversations Eight ideas for great dates that will help grow and guide your relationship. Story Behind the Book “I wrote *I Kissed Dating Goodbye* to challenge singles to drop the worldly approach to serial dating and reconsider the way they pursued romance in light of God’s Word. Since then, I’ve received letters asking questions like, So, what comes between friendship and marriage? and, How can you know when you are ready for marriage? *Boy Meets Girl* answers those questions. Now as a happily married man I can look back on my courtship with Shannon and see from personal experience that God is faithful. If you trust Him enough to wait on romance in dating, He will lovingly guide you as you pursue it in courtship...right to that wonderful moment when you kneel together at the altar.” — Joshua Harris

Sacred Music in Secular Society Jonathan Arnold, 2016-04-08 If music has ever given you 'a glimpse of something beyond the horizons of our materialism or our contemporary values' (James MacMillan), then you will find this book essential reading. *Sacred Music in Secular Society* is a new and challenging work asking why Christian sacred music is now appealing

afresh to a wide and varied audience, both religious and secular. Jonathan Arnold offers unique insights as a professional singer of sacred music in liturgical and concert settings worldwide, as an ordained Anglican priest and as a senior research fellow. Blending scholarship, theological reflection and interviews with some of the greatest musicians and spiritual leaders of our day, including James MacMillan and Rowan Williams, Arnold suggests that the intrinsically theological and spiritual nature of sacred music remains an immense attraction particularly in secular society. Intended by the composer and inspired by religious intentions this theological and spiritual heart reflects our inherent need to express our humanity and search for the mystical or the transcendent. Offering a unique examination of the relationship between sacred music and secular society, this book will appeal to readers interested in contemporary spirituality, Christianity, music, worship, faith and society, whether believers or not, including theologians, musicians and sociologists.

At Peace in the Storm Ken Gire, 2014-02-11 Encouragement and Comfort from God's Word for Those Experiencing Difficult Times For most people, life isn't a placid cruise; everyone passes through storms at some point. In *At Peace in the Storm*, master storyteller Ken Gire helps readers take a fresh look at faith in the face of life's turmoil. Bringing experience and insight to familiar Bible narratives--from Jonah's disastrous voyage to Paul's Mediterranean shipwreck--Gire gets to the core of our fears and uncertainties, and the circumstances that bring them out in the open. Readers will rediscover the comforting presence of God, no matter the intensity of their personal circumstances. Includes questions for individual or small group use.
