

# Arab Israeli War 1973

**Frank Aker**

**October 1973** Frank Aker, 2003

The October War Richard Bordeaux Parker, 2001 Constitutes a close examination of the events leading up to the 1973 Arab-Israeli war and offers the first comparative analysis by Israeli, Egyptian, Jordanian, Syrian, American, and former Soviet military and diplomatic participants and scholars of that seminal event.-- Hermann F. Eilts, professor emeritus, Boston University, and former U.S. ambassador to Saudi Arabia and Egypt Contents 1. Introduction 2. The Failure of Diplomacy 3. The Failures of Deterrence and Intelligence 4. The Airlift 5. Crisis Management 6. The Endgame 7. Lessons Learned and Puzzles to Be Solved 8. Summing Up The October War provides insiders' views of the politics and diplomacy of events leading up to and following the October, or Yom Kippur, War of 1973 between Egypt and Syria on one hand and Israel on the other, a turning point in the history of the modern Middle East. Offering fascinating insights into attitudes and processes, particularly in the United States but also in Israel and Egypt, the essays present firsthand accounts by senior officials--including U.S. Secretary of Defense James Schlesinger and Israeli ambassador to the United States Simcha Dinitz--and scholars from the United States, Israel, Egypt, Russia, Syria, and Jordan. This book evolved from a 25th anniversary conference on the war in which representatives of the combatants and their superpower supporters discussed, for the first time, the perceptions, motives, and mistakes of the various parties. These frank, often surprising accounts, interspersed with analytical commentary by scholars in the field, are an important contribution to the historical record and to future policy analysis. Readers will emerge with a new appreciation of the complexity of such questions as whether the war could have been avoided, why it came as such a surprise, and whether the opportunity for peace that developed afterward was fully exploited. Richard B. Parker, scholar-in-residence at the Middle East Institute in Washington, D.C., was a Foreign Service officer specializing in the Middle East from 1949 to 1980. He served as ambassador to Algeria, Lebanon, and Morocco in the Ford and Carter administrations. He is the author or editor of five books, including *The Six-Day War: A Retrospective* (UPF, 1996) and *The Politics of Miscalculation in the Middle East*.

**The Arab-Israeli Wars** Chaim Herzog, Shlomo Gazit, 2005-07-12 The Arab-Israeli Wars is former President of Israel Chaim Herzog's acclaimed history of Israel's fight since 1947 to preserve her existence against repeated attacks. Revised after his death by friend and colleague General Shomo Gazit, this new edition also covers the events of the past twenty years,

including the pullout from Lebanon, both intifadas, the first Gulf War, the Oslo Process, and beyond. Riveting, informative, and comprehensive, this authoritative account tells the story of Israel's struggle to survive but gives a clear picture of the people and politics that continue to shape the destiny of this crucial region.

*Brown Family of Chester County, Pennsylvania ,*

**The Yom Kippur War** Abraham Rabinovich, 2007-12-18 An updated edition that sheds new light on one of the most dramatic reversals of military fortune in modern history. The easing of Israeli military censorship after four decades has enabled Abraham Rabinovich to offer fresh insights into this fiercest of Israel-Arab conflicts. A surprise Arab attack on two fronts on the holiest day of the Jewish calendar, with Israel's reserves un-mobilized, triggered apocalyptic visions in Israel, euphoria in the Arab world, and fraught debates on both sides. Rabinovich, who covered the war for The Jerusalem Post, draws on extensive interviews and primary source material to shape his enthralling narrative. We learn of two Egyptian nationals, working separately for the Mossad, who supplied Israel with key information that helped change the course of the war; of Defense Minister Moshe Dayan's proposal for a nuclear "demonstration" to warn off the Arabs; and of Chief of Staff David Elazar's conclusion on the fifth day of battle that Israel could not win. Newly available transcripts enable us to follow the decision-making process in real time from the prime minister's office to commanders studying maps in the field. After almost overrunning the Golan Heights, the Syrian attack is broken in desperate battles. And as Israel regains its psychological balance, General Ariel Sharon leads a nighttime counterattack across the Suez Canal through a narrow hole in the Egyptian line -- the turning point of the war.

Revisiting the Yom Kippur War P.R. Kumaraswamy, 2013-01-11 Looking at the political, military and intelligence components of the Yom Kippur War, this work offers interpretations of Israel's conflict with the Arabs. The contributors, Israeli academics, some involved in the war, make a contribution to the understanding of this part of Israel's history.

**The 1973 Arab-Israeli War: The Albatross Of Decisive Victory [Illustrated Edition]** Dr. George W. Gawrych, 2015-11-06 Includes 8 maps and more than 20 illustrations Armies appear to learn more from defeat than victory. In this regard, armed forces that win quickly, decisively, and with relative ease face a unique challenge in attempting to learn from victory. The Israel Defense Forces certainly fell into this category after their dramatic victory over the combined armies of Egypt, Jordan, and Syria in the Six Day War of June 1967. This study analyzes the problems that beset Israel in the aftermath of its decisive victory in the Six Day War over the Arabs. In the 1973 War, Anwar Sadat, Egypt's president, was able to exploit Israeli vulnerabilities to achieve political success through a limited war. An important lesson emerges from this conflict. A weaker adversary can match his strengths against the weaknesses of a superior foe in a conventional conflict to attain strategic success. Such a strategic triumph for the weaker adversary can occur despite serious difficulties in operational and tactical performance. The author suggests a striking parallel between the military triumphs of Israel in 1967

and the United States in 1991. In both cases, success led to high expectations. The public and the armed forces came to expect a quick and decisive victory with few casualties. In this environment, a politically astute opponent can exploit military vulnerabilities to his strategic advantage. Sadat offers a compelling example of how this can be done.

**The Yom Kippur War** 50minutes,2016-04-26 Keen to learn but short on time? Get to grips with the history of the Yom Kippur War in next to no time with this concise guide. 50Minutes.com provides a clear and engaging analysis of the Yom Kippur War.On 6 October 1973, the Egyptians and Syrians attacked the Sinai Peninsula and the Golan Heights, which had fallen into the hands of the Israelis. One of the most dramatic conflicts of the Arab-Israeli hostilities finally came to an end after several negotiations, US intervention and the forced establishment of a cease-fire. In just 50 minutes you will: • Understand the political and social context of the 1970s and how this led to the outbreak of the conflict • Identify key figures who contributed to the development and outcome of the war • Analyse the impact the conflict has had on the Middle East ABOUT 50MINUTES.COM | History & Culture 50MINUTES.COM will enable you to quickly understand the main events, people, conflicts and discoveries from world history that have shaped the world we live in today. Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery.

The Arab-Israeli Wars Chaim Herzog,1984

The Routledge Atlas of the Arab-Israeli Conflict Martin Gilbert,2005 The Routledge Atlas of the Arab-Israeli Conflict traces not only the tangled and bitter history of the Arab-Jewish struggle from the early 20th century to the present. It also illustrates the move towards finding peace and the efforts to bring the horrors of the fighting to an end through negotiation and proposals for agreed boundaries. Through 167 maps, the complete history of the conflict is revealed including: \* the prelude and background to the conflict - from the siting of the Palestinian Jews before the Arab conquest to the attitude of Britain to the Arabs between 1917 and the present \* the Jewish national home - from the Zionist plan for Palestine in 1919 to the state of the Arab world from 1945 to 1962 \* the intensification of the conflict - from the Arab response to the UN partition plan of 1947 to the first steps towards the independence of Israel in 1948 \* the State of Israel - from the Israeli War of Independence and the Six Day War to the horrific War of Yom Kippur and the Intifada \* the moves to find peace - from Camp David to the escalating troubles of the present day, including the Geneva peace plan and the construction of the security fence. With a new index and accompanied by powerful and compelling quotations, this clear, illuminative and highly informative new edition from Martin Gilbert is an absolute must for all students of history.

Four Arab-Israeli Wars and the Peace Process Sydney D. Bailey,2016-07-27 In focusing on four major wars in the Arab-Israeli conflict from 1947 to 1979, all of them ending in agreed ceasefires, truces, or armistices, this book concentrates on the external efforts after each war to help resolve the conflict.

*The 1973 Arab-Israeli War* Galen Jackson, 2023-09-27 The October 1973 Middle East War transformed the region's politics and had a huge impact on the international political system as a whole. Arguments about the causes, effects, and meaning of the war and about why it ran its course the way it did have played a key role in shaping the understanding of the Arab-Israeli conflict, of American policy in the Middle East, and of many other major issues. For the 50th anniversary of the war, this book grapples with these issues in an objective way by using the mass of declassified material that has recently become available.

*The Yom Kippur War* Ray Maghroori, Stephen M. Gorman, 1981 Amerikansk bog om Yom Kippurkrigens politiske historie.

*The Encyclopedia of the Arab-Israeli Conflict* Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military, political, social, cultural, and religious origins of the Arab-Israeli conflict. The *Encyclopedia of the Arab-Israeli Conflict: A Political, Social, and Military History* is the first comprehensive general reference encompassing all aspects of the contentious Arab-Israeli relationship from biblical times to the present, with an emphasis on the era beginning with World War I. The *Encyclopedia of the Arab-Israeli Conflict* goes beyond simply recapping military engagements. In four volumes, with more than 750 alphabetically organized entries, plus a separate documents volume, it provides a wide-ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews, exploring all aspects of the conflict. The objective analysis will help readers understand the dramatic events that have impacted the entire world, from the founding of modern Israel to the building of the Suez Canal; from the Six-Day War to the Camp David Accords; from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat, the 2006 Palestinian elections, and the Israeli-Hezbollah War in Lebanon.

**Arab-Israeli Conflict** Priscilla Roberts, 2014-07-15 Truly an essential reference for today's world, this detailed introduction to the origins, events, and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long-lasting conflict. The Arab-Israeli conflict remains one of the most contentious in modern history, one with repercussions that reach far beyond the Middle East. This volume describes and explains the most important countries, people, events, and organizations that play or have played a part in the conflict. Chronological coverage begins with the Israeli War of Independence in 1948 and extends through the 2010s. A one-stop reference, the guide offers a comprehensive overview essay, as well as perspective essays by leading scholars who explore such widely debated issues as the United States' support for Israel and historic rights to Palestine. Important primary source documents, such as the UN Resolution on the Partition of Palestine and the Camp David Accords, are included and put into context. Further insight into drivers of war and peace in the Middle East are provided through biographies of major political leaders like Menachem Begin, Golda Meir, Yasser Arafat, Benjamin Netanyahu, and Anwar Sadat.

*The Yom Kippur War 1973 (2)* Simon Dunstan, 2012-11-20 The second instalment of Simon Dunstan's *Yom Kippur War*

1973, this book charts how Israel's victory in the 1967 'Six Day War' sowed the seeds of the 1973 Yom Kippur War. At 1400hrs on 6 October 1973 the Egyptian army launched an assault crossing of the Suez Canal. The carefully co-ordinated attack achieved complete tactical surprise. The sand embankments of the Israeli Bar-Lev Line were breached and an Israeli counterattack thrown back with heavy losses. In the second of his two-volume analysis of the Yom Kippur War, Simon Dunstan details the fighting in the Sinai, culminating in Operation Gazelle, the Israeli counterattack across the Suez Canal. Although defeated militarily Egypt did ultimately succeed in forcing the Israelis back to the negotiating table.

*Wars That Changed History* Spencer C. Tucker,2015-09-22 A thorough study of significant wars throughout history and their influence on world affairs-from the Egyptian Pharaoh Thutmose III's Campaigns during 479-459 BCE through the Iraq War of 2003-2011. For hundreds of years, wars have played a determining role in history and have decided the rise and fall of civilizations. Many believe that understanding the causes and consequences of warfare may move humankind towards world peace. This selection of the 50 most consequential wars, compiled by award-winning military historian Spencer C. Tucker, presents each conflict in chronological order and discusses its causes, its course, and its significance in world history. Through thoughtful essays and supporting visual evidence, this reference work examines the types of weapons systems employed and their effects in the field; the roles played by individual leaders such as Alexander the Great, Julius Caesar, Abraham Lincoln, and Adolf Hitler; and the impact of geography and economics on the battlefield. The work includes fascinating information about warfare, addressing subjects such as how transportation and logistics changed the face of war over time, what invention marked the ascendancy of infantry over cavalry, why World War I remains the most important war in the 20th century, and which war killed nearly half of the population of Germany. Each essay includes the latest interpretations of strategy, agendas, and consequences of the featured event.

## Arab Israeli War 1973 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Arab Israeli War 1973 has revolutionized the way we consume written content. Whether

you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Arab Israeli War 1973 has opened up a world of possibilities. Downloading Arab Israeli War 1973 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Arab Israeli War 1973 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for

learning and personal growth. There are numerous websites and platforms where individuals can download Arab Israeli War 1973. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Arab Israeli War 1973. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Arab Israeli War 1973, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Arab Israeli War 1973 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Arab Israeli War 1973 Books**

### **What is a Arab Israeli War 1973 PDF?**

A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Arab Israeli War 1973 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Arab Israeli War 1973 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert**

**a Arab Israeli War 1973 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Arab Israeli War 1973 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant

quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
