

Mom Daughter Exchange Club

Carol A. Baumheckel

The Mother-Daughter Book Club Heather Vogel Frederick, 2010-05-11 Acclaimed author Heather Vogel Frederick will delight daughters of all ages in a novel about the fabulousness of fiction, family, and friendship. The book club is about to get a makeover.... Even if Megan would rather be at the mall, Cassidy is late for hockey practice, Emma's already read every book in existence, and Jess is missing her mother too much to care, the new book club is scheduled to meet every month. But what begins as a mom-imposed ritual of reading Little Women soon helps four unlikely friends navigate the drama of middle school. From stolen journals, to secret crushes, to a fashion-fiasco first dance, the girls are up to their Wellie boots in drama. They can't help but wonder: What would Jo March do?

From Then to Now Mitzi Mensch, 2016-09-22 From Then to Now is a novel within a novel. Maggie figures that, with events being so old, it is safe to tell all. Figuring wrong is her first mistake. Downloading the manuscript onto her grown daughters computer is her second mistake. Andrea is dismayed to discover Maggie's infidelity in her first marriage and shocked to learn of her grandmothers cloistered pregnancy and forced adoption of her newborn daughter. She uses the Internet to find the people mentioned in her mother's story, more to satisfy her own curiosity than to bring her mother peace. From Then to Now spans six decades and addresses changes, both individual and societal, in attitude, perception, and awareness. These changes, triggered in part by outside world events, bring about personal understanding achieved only after loss is experienced and enlightenment has been attained.

The Most Likely Club Elyssa Friedland, 2022-09-06 A Good Morning America Buzz Pick A Betches Book to Add to Your Fall Reading List A PureWow Book We Can't Wait to Read in September A Skimm Reads Pick A hilarious, heartfelt story about four lifelong friends determined to change their lives, come hell (terrible bosses, ex-husbands living next door) or high water (laundry...so much laundry) from the acclaimed author of Last Summer at the Golden Hotel. Melissa Levin, Priya Chowdhury, Tara Taylor, and Suki Hammer were going places when they graduated high school in 1997. Their yearbook superlatives were Most Likely to Win the White House, Cure Cancer, Open a Michelin-Starred Restaurant, and Join the Forbes 400, respectively. Fast forward twenty-five years and nothing has gone according to plan. Reunited at their reunion, the women rethink their younger selves. Is it too late to make their dreams come true? Fueled by nostalgia and one too many drinks, they form a pact to push through their middle-aged angst to bring their youthful aspirations to fruition, dubbing themselves the "Most Likely Girls." Through the ensuing highs and lows, they are reminded of the enduring bonds of friendship, the ways our childhood dreams both sustain and surprise us — and why it's never a good idea to peak too early.

Valid Chris Bergeron, 2023-11-07 A genre-bending speculative look at a dark future, Valid shares the story of one trans woman leading a revolution. This is a mutiny. If our mutiny is to succeed, I must name things well, without diversion. Lacking this, you will not deviate from your certainties. Here it is: I am trans. As in transgression. I have broken genres. I have removed myself from the rules. I am trans. As in translation. I have dragged the elements that make up my person from one state to another. My geometry is variable. And tonight, I am a revolution. /warning: code red... fetch-query protocol enabled... transmission failed... standby/ Set in a disturbingly transfigured Montreal in the year 2050, Valid is a monologue delivered over the span of eight hours by Christelle, a seventy-year-old trans woman forced to live as a man in order to survive.

Speaking to her captor, an ever-more powerful AI, she turns the tables and mounts her own revolution by showing her truest self. Part autofiction, part dystopic speculation on an all-too-possible future characterized by corporate power, ecological collapse, and political havoc, *Valid* is an ambitious work that is as much philosophical as it is confessional.

The Beach Trap Ali Brady, 2022-06-14 Two best friends torn apart by a life-altering secret. One summer to set the record straight. When twelve-year-olds Kat Steiner and Blake O'Neill meet at Camp Chickawah, they have an instant connection. But everything falls apart when they learn they're not just best friends—they're also half sisters. Confused and betrayed, the girls break off all contact. Fifteen years later, when their father dies suddenly, Kat and Blake discover he's left them a joint inheritance: the family beach house in Destin, Florida. The two sisters are immediately at odds. Blake, who has recently been demoted from regular nanny to dog nanny, wants to sell the house, while social media influencer Kat is desperate to hold on to the place where she lived so many happy memories. Kat and Blake reluctantly join forces to renovate the dilapidated house, with the understanding that Kat will try to buy Blake out at the end of the summer. The women clash as Blake's renovation plans conflict with Kat's creative vision; meanwhile, each sister finds herself drawn into a summer romance. As the weeks pass, the two women realize the most difficult project they face this summer will be coming to grips with their shared past—and learning how to become sisters.

Germany Bound Carol A. Baumheckel, 2010-01-14 In 1975, when I was 17 years old, I was sent to live with a family in Germany as an exchange student. I had not asked for this opportunity. Everyone filled my head with descriptions of the fascinating, exciting time awaiting me. When I arrived in Germany I felt abandoned, with a strict, older couple. I didn't understand these people nor did they understand me. In addition to having difficulty understanding the culture, I quickly discovered my acquired language skills were woefully inadequate. I took to smoking, drinking alcohol and reading books as an escape. I made friends as I attended the German High School, the School for Women of the Land and evening classes, German for Foreigners. Through my new friends I entered the provocative world of pubs and discotheques. I wrote home with overseas airmail in a time before e-mail and cell phones. It was a year of depression, homesickness, unhappiness and tears, an experience which brought me closer to God.

Bad Roads LJ Bourne, 2024-01-26 An unsolved, cold murder case sends deadly ripples to the present in this thrilling and suspenseful crime mystery novel by LJ Bourne. Bad roads don't lead to good places. The murder of a small town mayor blows a cold case wide open. But less than twenty-four hours after the mayor's body is found, the local authorities close the investigation. They're calling it an open and shut case of a domestic argument gone wrong. True crime writer Eva Lah and Ex-Military Special Investigator Mark Novak aren't convinced it's as simple as that. They believe the death is connected to a brutal killing of a young woman eight years ago. The killer is back and he's desperately trying to cover his tracks. And Eva and Mark are determined to stop him. But this killer enjoys his freedom too much to let anyone expose him. If they get too close, this could be the last case Mark and Eva ever investigate. A must read for fans of Donna Leon, Lisa Gardener and Karin Slaughter! *BAD ROADS*, the second book in the E&M Investigations series, is a standalone, fast-paced and gripping crime mystery novel that is impossible to put down!

The Donor Chris Bellows, 2021-10-22 Young husband Mortimer Burgess consistently drinks himself into impotency while fertile wife Edie tries again and again to conceive a child. Having lost her mother, a troubled Edie finds a confidante in her husband's boss, Martina Carruthers, a friend of her late mother. Hearing of Edie's troubles, the boss lady has a plan for employee Mortimer. She suspects that certain attributes she's noted while correcting his behavior and work product may be levered in improving Mortimer's usefulness... especially for Edie's prospects in having a child. The women conspire to have Mortimer placed on extended sick leave for a sabbatical to Indiening Island, where male donors are trained and conditioned to maximize semen output and women clients are assured of conception. Bondage, exhibitionism, objectification, body modification, tender yet humiliating intimate care all combine to ensure that the island donors produce a most valuable commodity in abundance... semen, and thus Edie is assured of conceiving a child. Sure to be another classic contribution in Female Dominated literature from the masterful Chris Bellows.
