Logical Quotes and Spiritual Sayings Dr. James J. Krieger D.D.,2015-04-27 To gain knowledge and reference you must study. The first guidebook provides logical quotes and spiritual sayings. The second guidebook covers angelology and Christology, while the third book addresses the age-old question: who is this Jesus?

Every Person's Guide to Shabbat Ronald H. Isaacs,1998 The Sabbath is the only holiday included in the Ten Commandments, and the observance of it has given the Jewish people an opportunity to rest their minds and bodies. The Sabbath is primarily a home oriented occasion, although there are several prayer services that take place in the Synagogue both Friday evening and Saturday morning, afternoon, and evening. There are also a variety of home rituals which are intended to unify the family and add an aura of sanctity to the home. This volume is a user friendly guide to the Sabbath. Topics include: the origin of the Sabbath from biblical times through Temple times; synagogue and home observance, including detailed how-to Shabbat guidelines; a series of games and activities suitable to be played on Shabbat; the Jewish definition of work on the Sabbath; the laws and customs of the Sabbath and their rationale; Shabbat zemirot (table songs) with illustrations; the liturgy of the Sabbath service and commentary on the various specialized prayers for the Sabbath; Sabbath legends; notable quotations related to the Sabbath; the Sabbath in short story, and a glossary of terms and books for further reading.

The Gospel According to the Epistle of Barnabas J. Christopher Edwards,2019-10-31 Back cover: While the reasons for the initial separation between Barnabas' community and lived Judaism are irrecoverable, J. Christopher Edwards shows that Jesus was becoming foundational for maintaining the separation between us and them, the rhetorical key to almost every argument in this early piece of Adversus Judaeos literature.

The Church of England Magazine ,1857 Report and speeches at the [third] annual meeting of the Church Pastoral-aid Society, May 8, 1838.

The Nazarene Gospel Restored Robert Graves,Joshua Podro,2023-03-30 The Nazarene Gospel Restored is Robert Graves's major work on the life of Jesus, written in collaboration with the distinguished Hebrew scholar Joshua Podro. The research and writing occupied them for over ten years, in a working relationship compounded, in John W. Presley's phrase, 'of argument, scholarship and mutual respect', in which the imaginative writer and the Hebraist drew on their vast knowledge of the ancient world to reveal an extraordinary new, 'true' story of Jesus. The result is, as Graves wrote to T.S. Eliot, 'a very long, very readable, very strange book', and one that Presley argues is as central to Graves's thought as The White Goddess. The Nazarene Gospel Restored was controversial when first published: the Church Times refused to advertise it, reviews were hostile, and Graves twice sued for libel. In the twenty-first century it is possible to read it in the context of a continuing engagement with the historical Jesus, both scholarly and popular. In this new edition, John W. Presley gives a detailed account of the composition and reception of the book, setting it in the context of Graves's writing and of biblical scholarship. The inclusion of Graves's Foreword and annotations for a project revised edition make this an indispensable resource.

The New Generation of Worshipers in the 21st Century Pastor Stephen Kyeyune,2010-05 This book is good for all classes of people, both lay men and clergy men. It covers the lifestyle of a believer, and the ordained way that God intended us to worship Him. This book is meant to revive the worship of this generation.

The Marked Bible Charles Lindsay Taylor,1922

A Father's Guide to Christianity Taylor Mabry, MD, 2025-07-09 When Taylor's oldest child was born in 2021, he began writing his thoughts about the Bible in order to give her a spiritual and theological guide. He wanted to help her understand the Bible and more importantly to know Jesus. This present book has arisen directly from these notes. It covers, verse by verse and chapter by chapter, every event recorded in the gospels in chronological order. Throughout it, Taylor provides much needed context which is critical for better appreciation of Jesus's revolutionary words and actions. Taylor does not get bogged down in excessive theological or technical jargon but focuses on how the scriptures impact our understanding of the heart of Jesus and how they may be practically applied to our lives.
