**The Next 365 Days** Blanka Lipinska,2023-02-02

**365 Days** Blanka Lipinska,2021-02-02 Now a hit Netflix film! INSTANT USA TODAY BESTSELLER The sexy and deeply romantic internationally bestselling novel that inspired the blockbuster movie. Laura Biel and her boyfriend are on a dream vacation in beautiful Sicily. On the second day of their trip, her twenty-ninth birthday, she is kidnapped. Her kidnapper is none other than the head of a powerful Sicilian crime family, the incredibly handsome, young Don Massimo Torricelli, who is determined to possess her at all costs. Massimo has his reasons. During an earlier attempt on his life, a vision appeared before his eyes: a beautiful woman, identical to Laura. After surviving the attack, he vows that he will find the woman in his vision and make her his own. No matter what. For 365 days, Massimo will keep Laura captive in his palatial estate and attempt to win her heart. If she doesn't fall in love with him during this time, he will let her go. But if she tries to escape at any point, he will track her down and kill her entire family. Soon Laura develops a fascination with her handsome and powerful captor. But as a precarious, risky relationship forms between them, forces outside their control threaten to tear them apart...

*365 Days With Self-Discipline* Martin Meadows,2017-12-28 How to Build Self-Discipline and Become More Successful (365 Powerful Thoughts From the World's Brightest Minds) Its lack makes you unable to achieve your goals. Without it, you'll struggle to lose weight, become fit, wake up early, work productively and save money. Not embracing it in your everyday life means that you'll never realize your full potential. Ignoring it inevitably leads to regret and feeling sad about how more successful and incredible your life could have been if you had only decided to develop it. What is this powerful thing? Self-discipline. And if there's one thing that self-discipline is not, it's instant. It takes months (if not years) to develop powerful self-control that will protect you from impulsive decisions, laziness, procrastination, and inaction. You need to exhibit self-discipline day in, day out, 365 days in a year. What if you had a companion who would remind you daily to stay disciplined and persevere, even when the going gets tough? *365 Days With Self-Discipline* is a practical, accessible guidebook for embracing more self-discipline in your everyday life. You'll learn how to do this through 365 brief, daily insights from the world's brightest minds, expanded and commented upon by bestselling personal development author Martin Meadows. This isn't just an inspirational book; most of the entries deliver practical suggestions that you can immediately apply in your life to become more disciplined. Here are just some of the things you'll learn: - why living your life the hard way makes it easy (and other suggestions from a successful entrepreneur and longevity scientist); - how to overcome your initial resistance and procrastination based on the remark made by one of the most renowned Renaissance men; - why, according to an influential

neurosurgeon, it's key to see problems as hurdles instead of obstacles (and how to do that); - how to embrace an experimental mindset to overcome a fear of failure (a technique recommended by a successful entrepreneur and musician); - how to quit in a smart way, according to a world-famous marketing expert; - how to improve your productivity at work by implementing the advice from one of the most successful detective fiction writers; - how a trick used by screenwriters can help you figure out the first step needed to get closer to your goals; - how to maintain self-discipline in the long-term by paying attention to what a bestselling non-fiction author calls necessary to survive and thrive; - how your most common thoughts can sabotage your efforts (and other valuable insights from one of the most respected Roman Stoics); and - how to overcome temporary discouragement and look at your problems from the proper perspective, as suggested by a well-known public speaker and author. If you're ready to finally change your life and embrace self-discipline — not only for the next 365 days, but for the rest of your life — buy this book now and together, let's work on your success! Keywords: self-discipline handbook, self-control book, willpower book, success journal, mental resilience, become successful, achieve your goals
