The Complete Works of Frank Norris: Blix. Moran of the Lady Letty. Essays on authorship. c1899 Frank Norris, 1899

Behaviorism John B. Watson, 2011-03-23 While this volume is written as a series of lectures and in a somewhat free and easy style, every effort has been made to present facts in unmutilated form and to state theoretical positions with accuracy. In approaching subjective psychology for the first time, the reader meets with one great difficulty. He comes in from the world of things-a world which he can manipulate, hold up, examine and change about. When he comes to subjective psychology, he leaves all this behind he has to face a world of intangibles, a world of definitions, and it takes him weeks to find out what this kind of psychology is about. Rare indeed is the individual who ever thoroughly awakens to the problems discussed in the general text books of introspective psychologies current today. . Because behavioristic psychology deals with tangibles, the reader sees no break between his physical, chemical, and biological world and his newly-faced behavioristic world. He may not like the simplicity and severity of behaviorism, but he cannot fail to understand Behaviorism if he but gives it a little honest reading. Therefore, the author hopes that this book will offer a happy approach to the whole field of psychology.....

The Perfect Question Angeline Fortin, 1901 They both had their demons in their pasts... Captain Richard MacKintosh returned from Egypt wounded, not only in body but also in spirit, after making a daring getaway from the rebel band that held him and his military unit captive for months. Plagued by guilt for leaving his brothers-at-arms behind, he is determined to force the crown to garner their forces to search all of Egypt if necessary for them. He wanted - no, needed! - to spend each waking moment finding the help he needed and nothing was going to make him lose focus on that goal. That was until he ran into an angelic face from his past. Scarred from a tragic accident, under the scornful eyes and words of the ton, Abby Merrill has become a shadow of the impetuous she once was. However, when she sees nothing more than caring and

affection in Richard's eyes, the hopes and fantasies she'd thought long buried are rekindled. She would do anything for the man she has long loved and knows that if she is to have any chance of a future with him, she must first help free him from the past. As he has freed her from hers. Together, they learned to live again... In Abby's arms, Richard finds a welcome haven against the storm of guilt and disappointment. But he can't let go of the past and embrace the future until he's freed his brothers from their imprisonment. But once he is free to love Abby, will there be a future left for them to share?

Say Yes to the Highlander Angeline Fortin,2022-01-25 What is it that holds them back? Is it love? Trust? A fear that what they feel is no more than lust? These are the questions the siblings of clan MacKintosh seek the answers to in the Questions for a Highlander series. The Perfect Question Richard MacKintosh returned from Egypt wounded, in body and in spirit. Determined to force the government to search for the brothers-at arms he left behind, he has no time for distractions...until Abby Merrill comes back into his life. The once brash, bossy tomboy he once knew is now a lovely sophisticated woman who stirs anything but brotherly feelings. But Abby has a few demons of her own. If they have any chance at a future together, they must first free themselves from the past. A Question of Love Since meeting Eve Preston years before, Francis MacKintosh has become a man embittered by life, a disgraceful wife, and the scandalous divorce that has darkened his family's name. He never thought that fate would bring Eve back into his life or that he would dare to love and trust once more. But for his bonny lass, he's willing to take a chance. If only he can convince Eve to do the same! A Question of Trust When Jack Merrill inherits not only a title of Earl of Haddington but the devastating debt that comes with it, his friends convince him that there is no better way to gain quick wealth than to marry into it! On the hunt for a wealthy bride, Jack stumbles upon the perfect solution. Kitty Hayes is everything her sister Eve was not—full of a fire and spirit that challenges him. She's also possesses Eve's finest quality—the fortune he needs. But Kitty is a married woman and swears never to wed again once she gets the divorce she longs for. When Jack becomes first friend then lover then rescuer, can Kitty set aside her troubled past, and not only love, but trust again? A Question of Lust Moira MacKenzie is thrilled that the man she loved for so long is coming home again believing he'd been killed in action five years before...until she remembers one thing. She may have loved Vin MacKintosh, but he'd never loved her back. Tormented by his years as a prisoner of war, Vin must readapt to a world far different from the one he left and Moira offers the friendship and encouragement he desperately needs to carry

on. However, he discovers he cannot see her as sister any longer. She is a woman...one too desirable to resist. Will it be too late before he realizes that what he feels is more than a mere question of lust? A Question for Harry They say hell hath no fury like a woman scorned. As one of them, Fiona MacKintosh isn't inclined to entrust her heart to a man again. Especially not the same man! But there's just something about Harry Brudenall and when danger looms unexpectedly, and it is her life rather than her heart that is in peril, Fiona soon realizes that there is only one man she wants to turn to. A Question Worth Asking Primrose Eames has more than enough men trying to control her already. There's no chance she'll relent and marry again, despite her brothers' dogged "encouragement" on the matter. What she needs is a decoy and James MacKintosh is just the man for the job. James is happy to engage in a false courtship with Prim for reasons of his own. However, he soon discovers that even a fictitious courtship with a woman set on never remarrying has its own challenges. A Question for the Ages For more than two years, Piper Brudenall has successfully hidden herself away. She'd be a fool to let her guard down now, however when Connor MacKintosh comes along offering a friendly ear, a helping hand, and something more unexpected, she's torn between her head and the heart that knows he's a man like no other. As her past catches up with her, can she learn to trust Connor with not only her heart but her life? That's a question for the ages.

The Complete Life of Krishna Vanamali, 2012-05-22 The first book to cover Krishna's entire life, from his childhood

pranks to his final powerful acts in the Mahabharata war • Draws from the Bhagavad Purana, the Bhagavad Gita, the Mahabharata, and India's sacred oral tradition • Shows how the stories of Krishna's life are expressed with such simplicity and humor that they enable anyone--man, woman, or child--to see the wisdom of his teachings • Provides a valuable meditative tool that allows the lessons of these stories to illuminate from within Krishna, one of the most beloved characters of the Hindu pantheon, has been portrayed in many lights: a god-child, a prankster, a model lover, a divine hero, an exemplary ruler, and the Supreme Being. In *The Complete Life of Krishna*, Vanamali, a leading Krishna expert from a long line of prominent Krishna devotees, provides the first book in English or Sanskrit to cover the complete range of the avatar's life. Drawing from the Bhagavad Purana, the Bhagavad Gita, the Mahabharata, and India's sacred oral tradition, Vanamali shares stories from Krishna's birth in a dungeon and early days as a merry trickster in Vrindavana, through his time as divine ruler at Dwaraka, to his final powerful acts as the hero Arjuna's charioteer and guru in the Kurukshetra war. She explains how Krishna became a mahayogi, the greatest of all yogis, and attained complete mastery over himself and nature. By integrating the hero-child with the mahayogi, the playful lover with the divine ruler, Vanamali shows how the stories of Krishna's life are expressed with such simplicity and humor that they enable anyone--man, woman, or child--to see the wisdom of his teachings. This complete biography of the man who was also a god provides a valuable meditative tool allowing Krishna's lessons to illuminate from within.
