I Want to Die but I Want to Eat Tteokbokki Baek Sehee, 2022-06-23 _____ THE PHENOMENAL KOREAN BESTSELLER TRANSLATED BY INTERNATIONAL BOOKER SHORTLISTEE ANTON HUR 'Will strike a chord with anyone who feels that their public life is at odds with how they really feel inside.' - Red PSYCHIATRIST: So how can I help you? ME: I don't know, I'm - what's the word - depressed? Do I have to go into detail? Baek Sehee is a successful young social media director at a publishing house when she begins seeing a psychiatrist about her - what to call it? - depression? She feels persistently low, anxious, endlessly self-doubting, but also highly judgemental of others. She hides her feelings well at work and with friends; adept at performing the calmness, even ease, her lifestyle demands. The effort is exhausting, overwhelming, and keeps her from forming deep relationships. This can't be normal. But if she's so hopeless, why can she always summon a desire for her favourite street food, the hot, spicy rice cake, tteokbokki? Is this just what life is like? Recording her dialogues with her psychiatrist over a 12-week period, Baek begins to disentangle the feedback loops, knee-jerk reactions and harmful behaviours that keep her locked in a cycle of self-abuse. Part memoir, part self-help book, *I Want to Die but I Want to Eat Tteokbokki* is a book to keep close and to reach for in times of darkness.

Burmese Looking Glass Edith T. Mirante, 2007-12-01 "Burmese Looking Glass is a contribution to the literature of human rights and to the literature of high adventure." —Los Angeles Times Book Review As captivating as the most thrilling novel, *Burmese Looking Glass* tells the story of tribal peoples who, though ravaged by malaria and weakened by poverty, are unforgettably brave. Author Edith T. Mirante first crossed illegally from Thailand into Burma in 1983. There she discovered the hidden conflict that has despoiled the country since the close of World War II. She met commandos and refugees and learned firsthand the machinations of Golden Triangle narcotics trafficking. Mirante was the first Westerner to march with the rebels from the fabled Three Pagodas Pass to the Andaman Sea. She taught karate to women soldiers, was ritually tattooed by a Shan sayah "spirit doctor," lobbied successfully against US government donation of Agent Orange chemicals to the dictatorship, and was deported from Thailand in 1988. "A dramatic but caring book in which Mirante's blithe tone doesn't disguise her earnest concern for the worsening conditions faced by the Burmese hill tribes." —Kirkus Reviews

Living and Dying with Cancer Angela Armstrong-Coster, 2004-06-24 Living and Dying with Cancer is a powerful and moving account of the experiences of those affected by one of the most common causes of death in the Western world. Through a series of individual narratives based on extensive interviews carried out by the author, the book explores the impact of being diagnosed with cancer on those with the disease and the people around them. It follows the different trajectories of the disease from the very first symptoms, through treatment to death and shows how the experience of the disease and even the way it develops is affected by the social context of the people involved, as well as their own physical and psychological characteristics. This book will be an invaluable resource not only for social scientists and health professionals but also for those coming to terms with the impact of cancer on their own lives.

Life-Study of Genesis Witness Lee, 1987-12-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of

life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

"No More" I Woke Up Out of a Dream Vandell Middlebrook, 2025-04-04 In the beginning, Fuzz and Trendy were churchgoing, loving people, two people who loved God and worshipped God all the way. Fuzz was an usher, and Trendy a church-loving wife. Fuzz was an outstanding music producer who loved his work very much. Fuzz promoted a song that made millions of dollars in which turned his love around for his wife. Women were coming at Fuzz left and right, and his head got so big, he started disrespecting his wife, cheating with other women, cussing her out, and beating her for whatever reason possible. Trendy caught Fuzz having sex with another woman in someone else's office, and it broke her heart. Fuzz then hit Trendy and killed her, but the paramedics brought her back to life. Afterward, they went to court, and the judge gave Fuzz six months to think about what he'd done. Fuzz was confronted in jail by some men who served Satan, the devil. They beat Fuzz so bad, he couldn't tell anybody anything or they would kill him. They put Fuzz in the hole to protect him, but after a while, Fuzz went back to population. Those guys were waiting for Fuzz. They told him he had to do something for them or they would kill him. Fuzz didn't know what to do. He was scared. They made him sell his soul to the devil. Fuzz was released soon from jail. When he got home, he didn't know what to do. His life had changed. He went to work for the devil the next day, and they gave him something that almost killed him. But his wife had his back 100 percent, and she was there to help him. God had been trying to talk to Trendy to tell her to leave her husband, and she had every right to. But Trendy didn't listen. Trendy's mother tried to get her to come back home, but Trendy wouldn't listen. A friend of Trendy whom she hadn't seen in years stopped by to talk to her about what had happened to Fuzz in jail. Trendy invited Amber in to talk. They were glad to see each other. Amber told Trendy all about that happened to Fuzz while he was in jail. Amber told Trendy that these guys had beaten Fuzz up so bad, they had to put him in the hole for recuperation, but when they let him out, the guys who beat him made him sell his soul to the devil and then told Trendy not to say a word to anybody about this or it could mean life or death. Trendy was frightened and didn't know what to do. She thanked Amber for the information, then Amber left. Trendy called her mother to let her mother know what was going on, and her mother told her to leave him and come home. Trendy told her mother she wasn't leaving her husband. Trendy was going to get her husband's life back from the devil, so she went head-on with the devil and she got her husband's life back. After all that she did, Fuzz went back to doing the things he was

doing before. God finally got a hold of Trendy and told her what she had to do, and Trendy finally listened. Trendy's friend, Blanca, told Trendy to come to her house and relax, so Trendy went to Blanca's. Blanca called Monique and Patsey to come over to spend some time with Trendy. The girls hadn't spent time like this in a long time. It felt good, but Trendy was sad and she made up her mind to leave and go start her life over. Everyone was sad. One of Fuzz's girls had come by Blanca's house and asked to speak to Trendy. Blanca called Trendy to the door. Trendy remembered her and told her, You need to leave before something happens. So the girl left, then Trendy told her friends she better be leaving before, so she went and told her husband where she was, and he came over. Trendy hugged and kissed each of her friends and told them goodbye, and she would call them when she got to where she was going. They all waved to Trendy as she drove down the road.

I Die, but My Memory Lives On Henning Mankell, 2005-12-01 "A deeply moving account of Henning Mankell's personal responses to AIDS and its victims, both parents and children left behind far too soon." —Archbishop Desmond Tutu The internationally famous creator of the bestselling Kurt Wallander mysteries tells the true story of a heartrending tradition spawned by a major health crisis: the invaluable Memory Book Project, which gives those dying of AIDS an opportunity to record their lives in words and pictures for the children they leave behind. In Uganda, Mankell finds village after village populated only by children and the elderly—those left behind after AIDS swept away an entire generation. These slim, intensely personal volumes can contain words, pictures, a pressed butterfly, or even grains of sand as ways to represent the lives lost to this devastating plague. Excerpts from Ugandan memory books appear throughout *I Die, but My Memory Lives On* and, together with Mankell's narrative, they tell the stories of individual lives while sounding a powerful warning about the threat of AIDS. Featuring a foreword by Archbishop Desmond Tutu, the book includes an appendix listing AIDS organizations and resources. A portion of the book's proceeds will be donated to AIDS charities in Africa.

I want to go to Jiuzhou Michael Lincolnhol, In autumn, the weather under U Do mountain is getting colder and colder, Dai U palace near the top of the mountain is about to be as cold as winter. In such weather, having to climb Han Ngoc cave at the top of the mountain every day to release blood is not for humans! That fox is more ruthless than a bloodsucker. Although I have been ejecting a lot less these days, the hematopoietic function still cannot keep up with the discharge rate. Dizziness is no longer a strange thing to me, early this morning I woke up and passed out. But fortunately did not miss much time. I pushed up the brass-jumping mask, patted my chest panting and said, Oh this damned body. Resting for a while, wrapping my robe tightly, I continued to climb to the top of the mountain. In fact, at first, Thuong Tieu asked for the wrong person to take me up, but I refused very emphatically. I didn't want to admit that I did it just in exchange for his pain. Because I understand, the only person who can make him heartbroken is the beautiful woman who has slept for four hundred years in the Han Ngoc cave - Tu Dan - only.
