**Not My Fight** Brian V. Wieck, 2022-07-20 As Brian V. Wieck wrote the papers that became the basis for his debut book, *The War Within*, he learned to forgive his offenders of their trespasses as well as himself of the sins he had committed against God. As Brian continued to write, he began to feel guilty and unworthy to be loved by God after so many years of anger and depression blamed directly on God. “How could God still love a long-term sinner such as I?” he asked. As Brian digs deeper into his spiritual needs, he learns the role Jesus Christ plays in the forgiveness of sins. It’s the blood of Jesus that washes away our sins and makes us worthy to stand before God. Bent, but not broken. Dinged, but not destroyed. Accepted, loved, and forgiven.

*Blood Betrayal* Tessa Dawn, 2017-06-05 Saxson Olaru is one of the select, the few, the elite... As a ruthless sentinel sworn to protect the ancient Vampyr king and the house of Jadon, he has “HOJ” literally inscribed on his heart: a heart that was tragically broken centuries earlier, when human hunters slayed his mother and Dark Ones murdered his father. Having survived the unthinkable, he never dreamed he would come this close to another human predator, let alone a female pretending to be his destiny. Kiera and Kyla Sparrow are twin sisters: humans, living very different lives. While Kiera is selfless, clever, and talented, Kyla is dark, duplicitous, and damaged—she belongs to a secret society of vampire-hunters, and she has sworn to destroy as many as she can. When Saxson’s Blood Moon appears in a February sky, and the matching constellation, Cetus the Sea Monster, appears on Kiera’s wrist, Kyla knows exactly what it means: The celestial gods have chosen her beautiful sister to be the eternal mate of an immortal vampire—she just doesn’t know which one. And it really doesn’t matter. If Kyla can recreate the sacred emblem on her own inner wrist, she can take Kiera’s place and commit the ultimate Blood Betrayal. When duty, obedience, and honor clash with a deep, gnawing intuition, an honor-bound warrior will be forced to choose between allegiance to the house he loves and the quiet voice within, whispering: “Warning!” One wrong move. One wrong choice. And all will be lost forever.

*What Is Your Choice?* Eric Blake, 2024-02-08 “This volume by Eric Blake is one of the most practical and helpful resources I’ve seen for people who are new in their faith or for those who struggle with doubts about their faith. Not just loaded with facts or arguments, *What Is Your Choice?* reads more like a conversation you’re having in a coffee shop with the various contributors who share about their own spiritual journeys. God is going to use this book in a powerful way!” —Anthony George, senior pastor of First Baptist Atlanta “If you are questioning God’s character, His authority, or honestly just have a lot of questions, this book is a safe place to ask those questions and receive some answers. We remember each going through a season of doubt and feeling so lonely. But this book would have been such an incredible resource for us at the time. We are confident this book will aid you in your journey with God!” —Nick and Chelsea Hurst, authors of *Marriage Minded* “I have had the pleasure of talking to Dr. Blake several times, and I can truly see God’s light shining through him. This book clearly and thoroughly answers some of the most-asked questions about the Christian faith and God’s Word, and I can attest that Dr. Blake lives his life in accordance to what he writes. Being easily comprehensible for the nonbeliever who is curious about the foundation of God’s Word but thoroughly written for the lifelong Christian who is questioning his or her faith, this book is a straight shot to a closer walk with God.” —Carson Peters, musician from NBC’s *The Voice* “I first met Eric when he got plugged into The Journey Church in NYC. His reason for doing so—‘I love the way this church is outwardly focused and determined to share the life-changing Gospel of Jesus Christ with New York City.’ Eric is determined to use his life and giftedness—not just to share the Gospel but to equip, empower, and encourage others to do the same because there is nothing more important to give our lives to (Acts 20:24). Let this book equip, empower, and encourage you to share your faith with your family, friends, and community.” —Kerrick Thomas, pastor of The Journey Church NYC

Whether we are asking *Why the Tempest?* or struggling when life doesn't make sense, God's Word is sufficient to answer all of our questions. Faythelma Bechtel knows the tempest, but she also knows the One Who calms the storm. After losing two daughters and her husband, Faythelma has clung tighter to her Savior and longs to help others who are struggling to find peace in their own storms. This devotional journal is not meant to be read as a daily plan, and instead offers meditations on Scripture to help for your unique circumstance.

Flutter by Eleanor Ditrick, 2008-12 *Flutter* by began just as its name implies ... with the sharing of little flutters of thought among co-workers and friends. The messages fluttered into their lives quietly and with serenity ... much like the Monarch butterfly -- a personal favorite of mine. My daily messages include a prayer and oftentimes a short story or quotation to show how that reflection applies to our lives and to our humanness. They revolve around the people, places, and particulars in my

world -- which are pretty much the same as those in yours. My prayer is that this book helps you through each day with a flutter of thought, a breath of calmness, and a reflection for peace, love, and endurance. I pray that these little thoughts help you smile and see the true beauty of God's touch in each day -- even in those filled with sorrow. For, as we flutter by, we flutter on. Through Flutter by, you'll meet my husband Howard (often referred to as Ole Buckeye ... Ohio State is his alma mater.); our daughters Diane and Lori; and, of course, Chaplain Ditrick the Third (our Shetland sheepdog). Most times, Chap concludes my prayerful thoughts with a flutter of his own. They usually involve treats. As a hospital chaplain, I got to know and become close to many of the staff, especially the nurses. One friend in particular was going through a very difficult time in her personal life. She faced continuous challenges and difficult decisions. Often, she confided that she didn't know how or even if she would get through it all. Each time that we talked, I came away feeling that I wanted to be so much more than someone who listened. I wanted to do something to ease her pain. I asked God to guide me to an answer to calm her burden. On one particularly busy day, I knew that our paths would not cross, but I wanted my friend to know that I was thinking about and praying for her. I wrote her a quick little prayer and sent it off through the inner-office mail. (This was before computers ) A few days, later, I sent another prayer ... then another ... and another. When we met up several days later, she thanked me again and again. She told me how much those little prayers meant to her and how she looked forward to receiving them. She asked if she could share them with friends at the hospital. I was touched and said of course From there, the prayer mailing list grew to over 300 co-workers and friends. (Thank goodness computers came along ) May you flutter by others as you have fluttered by me.

*Life and Letters in the Fourth Century* Terrot Reaveley Glover,2014-01-02 Originally published in 1901, this book examines life in the Roman Empire in the late fourth century through 'the writings of a series of typical men' from the period, focusing on literature rather than scientific writings. Glover analyses the works of Ammianus Marcellinus, Julian, Quintus of Smyrna, Ausonius, Symmachus, Macrobius, Claudian, Prudentius, Sulpicius Severus, Palladas, Synesius and the Confessions of St Augustine. A review of the work of women pilgrims and some Greek and early Christian novels is also included. This book will be of value to anyone with an interest in this often-overlooked period of literary history or in the history of the Late Roman Empire more generally.
