The Needle's Eye Chimeremeze Ernest Okeugo, 2024-07-02 In *The Needle's Eye*, it shares that the road to success is often narrow, but through perseverance, anything can be achieved. The whole point of this book is to inspire people to become the best they can be despite their background or what they have passed through in life. There are moments when life hits you so hard that you don't know how and where to start over again. This book will explain what it means for someone to go through the pain and trials of life. It will also explore the fall from grace moments of people who were once great and further explains that the next stage preceding failure is not the season of blame but a season of questions about how to start over and how to bounce back again. This book will be to the reader an eye-opener on peculiar heart-to-heart instructions geared toward encouraging and stirring him up to build a wall of strength and commitment around everything he's looking forward to becoming in the remaining part of his life. This book creates an insight on how the reader can stand in their own power to build themselves again in spite of the past ugly experiences. As the book comes to a satisfying end, the reader finds solace in realizing that he can be whatever he wants to be.

A Place of Yes Bethenny Frankel, 2011-03-22 The four-time New York Times bestselling author, talk show host, and "Mommy Mogul" Bethenny Frankel takes us on an empowering journey in *A Place of Yes*. Bethenny Frankel's no-nonsense, tell-it-like-it-is personality won over countless fans, and made her a nationally bestselling author and the star of her own hit Bravo show *Bethenny Getting Married?* Now Bethenny opens up and shares the obstacles she overcame and the great success she has enjoyed while discovering how to approach life from "A Place of Yes." Bethenny's path was not always clear

as she overcame a difficult childhood, failed relationships, entrepreneurial efforts that never quite got off the ground, and lifelong money struggles. To deal with these challenges, Bethenny developed ten rules for pursuing her goals with authenticity and drive, including:

- Find your truth: Dig deep inside and figure out what is authentic for you, not anybody else.
- Act on it: You don't have to have a master plan. But unless you do something, you've done nothing.
- Everything's your business: Treat every job, person, and experience as if it could lead to your next big opportunity.
- Own it: If you do it, say it, think it—then own it. Stand up for yourself and fully acknowledge who you really are.

Each rule is illustrated with compelling, sometimes funny, sometimes outrageous examples that are pure Bethenny. It's easy to say no, to say "I can't," to expect the worst, and to doubt yourself. But your life can be better than "not bad" or "good enough." It can be amazing. And by putting Bethenny's rules together, you can use them to be more successful, more fulfilled, healthier, and happier than ever before.

How to Face My Fear of Dogs Stefani M. Cohen, 2024-08-26 Many children are afraid of dogs. The fear can range from mild to debilitating. The fear of dogs is also known as cynophobia and is often misunderstood. It does not usually get better without some intervention. When a child has a strong fear of dogs, it is important to address this fear as soon as possible. If your child is afraid of dogs, you know firsthand how much this fear can interfere with social and emotional development and everyday activities. They avoid sleepovers and play dates where a dog is in residence. They often refuse to go to a park in case they might encounter a dog. Some children will even endanger themselves by running into the street to avoid a dog. Facing the fear of dogs is ultimately easier than living with the fear. There is much to gain when children are able to overcome their fears. They develop self-confidence, self-esteem, and feel empowered. Children who face their fears learn coping skills and self-control, two of the biggest predictors of success later in life. In addition, they learn to speak up and ask for help. Based on decades of experience as a licensed psychotherapist, parenting coach, and mother of a child who was afraid of dogs, I developed an expertise in helping people of all ages overcome their fear of dogs. *How to Face My Fear of Dogs* provides a kid-friendly vehicle for kids to explore their fear of dogs and to find ways to feel safer with them. This book can be used on its own, but is designed to be a companion to my previous book *Overcoming Your Child’s Fear of Dogs: A Step-by-Step Guide for Parents*. The book includes colorful and easy to understand informational graphics as well as many interactive opportunities for kids to personalize their bravery journey. Used together, these books replicate what I might do if I was working with you and your child directly. This guide can be used by children of all ages. Parental support is recommended up to Grade 3. The activities and information in the book will help your child: Recognize and understand more about how they became afraid of dogs. Identify and understand the emotional and physical feelings that accompany their fear of dogs. Use coping mechanisms for their anxiety, such as mindfulness and breathing exercises. Learn different ways to face the fear of dogs and feel brave and empowered. Learn about dogs and some important ways to stay safe with them. My

ultimate goal is to enable children to feel comfortable around dogs so their lives aren't disrupted by their fear. This activity guide provides an easy and fun way to begin the journey of feeling safe with dogs.

The More or Less Definitive Guide to Self-Care is here to help you exist in the world. Borges gathers over 200 tips, activities, and stories (from experts and everyday people alike) into an A-to-Z list—from asking for help and burning negative thoughts to the importance of touch and catching some Zzz's.
