*Serendipity* Catharina Maura,2021-06 You've read Alyssa's side of the story in *The Tie That Binds*. Now it's Daniel's turn. I thought I could stay away from her. I thought wrong. What was I supposed to do when I found out that Charles Moriani's last wish was for me to marry his only daughter? I owed the man everything - he taught me all I know and took on the role my late father was unable to fulfil, never asking for anything in return. Until now. The choice was easy to make. Too easy, perhaps. I tried to make myself believe I married her for honourable reasons, but nothing could be further from the truth. Alyssa was never meant to find out how I feel about her. She was never meant to end up in my bed. And she was definitely never meant to love me back. Author's note: *Serendipity* is based on *The Tie That Binds*. This book follows the same events, but was written from Daniel's point of view. While it is technically a standalone, I highly recommend reading *The Tie That Binds* first.
