QUOTES SAMPLES: When someone shows you who they are, believe them the first time. The truth is, no one of us can be free until everybody is free. We may encounter many defeats but we must not be defeated. You are the sum total of everything you've ever seen, heard, eaten, smelled, been told, forgot - it's all there. Everything influences each of us, and because of that I try to make sure that my experiences are positive. Courage is the most important of all the virtues, because without courage you can't practice any other virtue consistently. You can practice any virtue erratically, but nothing consistently without courage. If you have only one smile in you give it to the people you love.

Five Generations, One Nation, Under God Cecelia Benford, 2024-06-12 Cecelia's passion for developing people to be their best selves reflects her purpose to build connections by using her voice and various pursuits while portraying her faith journey. Her memoir reflects on the influences of her family and their role in displaying what One Nation Under God, Indivisible means for all of us. In her own words, she looks at her character arc and why authenticity is important. A life well-lived means different things to different people, but I hope people will see that I lived life well with many people and places stretching across decades. I have great appreciation and love for many throughout my life. I always believed it wasn't too late to change, with the help of God, despite confronting the swirling good and evil in American society. If one is a big thinker, one must consider that this person also feels a lot. It has only been in recent times that people are into tell-alls. Every story doesn't need to be told. We all have trials where things could have gone a different way. I hope others see this memoir as something more relevant, an ordinary woman with strong faith, leading others to be their best selves. Visualize my walk even though you cannot walk in my shoes.

George Gershwin Howard Pollack, 2007-01-15 This comprehensive biography of George Gershwin (1898-1937) unravels the myths surrounding one of America's most celebrated composers and establishes the enduring value of his music. Gershwin created some of the most beloved music of the twentieth century and, along with Jerome Kern, Irving Berlin, and Cole Porter, helped make the golden age of Broadway golden. Howard Pollack draws from a wealth of sketches, manuscripts, letters, interviews, books, articles, recordings, films, and other materials—including a large cache of Gershwin scores discovered in a Warner Brothers warehouse in 1982—to create an expansive chronicle of Gershwin's meteoric rise to fame. He also traces Gershwin's powerful presence that, even today, extends from Broadway, jazz clubs, and film scores to symphony halls and opera houses. Pollack's lively narrative describes Gershwin's family, childhood, and education; his early career as a pianist; his friendships and romantic life; his relation to various musical trends; his writings on music; his working methods; and his tragic death at the age of 38. Unlike Kern, Berlin, and Porter, who mostly worked within the confines of Broadway and Hollywood, Gershwin actively sought to cross the boundaries between high and low, and wrote works that crossed over into a realm where art music, jazz, and Broadway met and merged. The author surveys Gershwin's entire oeuvre, from his first surviving compositions to the melodies that his brother and principal collaborator, Ira Gershwin, lyricized after his death. Pollack concludes with an exploration of the performances and critical reception of Gershwin's music over the years, from his time to ours.

Where Is Heaven? and Attitude, Friend or Foe? Duane C Hess, 2016-11-09 This book looks at the possible location of heaven. The Bible says very little about this; herein is another way to think about it. The author thinks it gives a different reality to the subject. This book also looks at an important Bible quotation from John the Baptist and compares it with a somewhat similar secular quotation. This is important to our daily lives.

Last Man Standing James Curtis, 2017-05-02 A Times Literary Supplement 2017 Book of the Year On December 22, 1953, Mort Sahl (1927-2021) took the stage at San Francisco's hungry i and changed comedy forever. Before him, standup was about everything but hard news and politics. In his wake, a new generation of smart comics emerged—Shelley Berman, Mike Nichols and Elaine May, Lenny Bruce, Bob Newhart, Dick Gregory, Woody Allen, and the Smothers Brothers, among others. He opened up jazz-inflected satire to a loose network of clubs, cut the first modern comedy album, and appeared on the cover of Time surrounded by caricatures of some of his frequent targets such as Dwight Eisenhower, Richard Nixon, Adlai

Stevenson, and John F. Kennedy. Through the extraordinary details of Sahl's life, author James Curtis deftly illustrates why Sahl was dubbed by Steve Allen as "the only real political philosopher we have in modern comedy." Sahl came on the scene the same year Eisenhower and Nixon entered the White House, the year Playboy first hit the nation's newsstands. Clad in an open collar and pullover sweater, he adopted the persona of a graduate student ruminating on current events. "It was like nothing I'd ever seen," said Woody Allen, "and I've never seen anything like it after." Sahl was billed, variously, as the Nation's Conscience, America's Only Working Philosopher, and, most tellingly, the Next President of the United States. Yet he was also a satirist so savage the editors of Time once dubbed him "Will Rogers with fangs." Here, for the first time, is the whole story of Mort Sahl, America's iconoclastic father of modern standup comedy. Written with Sahl's full cooperation and the participation of many of his friends and contemporaries, it delves deeply into the influences that shaped him, the heady times in which he soared, and the depths to which he fell during the turbulent sixties when he took on the Warren Commission and nearly paid for it with his career.

Black Music, Black Poetry Gordon E. Thompson, 2016-04-15 *Black Music, Black Poetry* offers readers a fuller appreciation of the diversity of approaches to reading black American poetry. It does so by linking a diverse body of poetry to musical genres that range from the spirituals to contemporary jazz. The poetry of familiar figures such as Paul Laurence Dunbar and Langston Hughes and less well-known poets like Harryette Mullen or the lyricist to Pharaoh Sanders, Amos Leon Thomas, is scrutinized in relation to a musical tradition contemporaneous with the lifetime of each poet. Black music is considered the strongest representation of black American communal consciousness; and black poetry, by drawing upon such a musical legacy, lays claim to a powerful and enduring black aesthetic. The contributors to this volume take on issues of black cultural authenticity, of musical imitation, and of poetic performance as displayed in the work of Paul Laurence Dunbar, Langston Hughes, Sterling Brown, Amiri Baraka, Michael Harper, Nathaniel Mackey, Jayne Cortez, Harryette Mullen, and Amos Leon Thomas. Taken together, these essays offer a rich examination of the breath of black poetry and the ties it has to the rhythms and forms of black music and the influence of black music on black poetic practice.
