Joshua 1-12 Thomas B. Dozeman,2015-01-01 An acknowledged expert on the Hebrew Bible, Thomas Dozeman offers a fresh translation of the Hebrew and Greek texts of the book of Joshua and explores the nature, function, and causes of the religious violence depicted therein. By blending the distinct teachings of Deuteronomy and the Priestly literature, Dozeman provides a unique interpretation of holy war as a form of sacred genocide, arguing that, since peace in the promised land required the elimination of the populations of all existent royal cities, a general purging of the land accompanied the progress of the ark of the covenant. This essential work of religious scholarship demonstrates how the theme of total genocide is reinterpreted as partial conquest when redactors place Joshua, an independent book, between Deuteronomy and Judges. The author traces the evolution of this reinterpretation of the central themes of religious violence while providing a comparison of the two textual versions of Joshua and an insightful analysis of the book's reception history.

Order as Meaning Isaac Gottlieb,2023-12-31 Jewish Bible commentary in the Middle Ages took on two aspects, the

Sephardic and the Ashkenazic. The first, Spanish interpretation, developed in a Muslim surrounding, which appreciated secular studies, the sciences, and Arabic literature, much of which it had translated from Greek. These studies made their mark on Bible exegesis, which sought the simple straightforward sense (peshat) of a verse and its grammatical meaning. The Ashkenazic school, however, situated in France and Germany, was firmly anchored in the rabbinic study hall and its exegesis was a continuation of the methods of Midrash and Aggadah as practiced in Mishnah and Talmud. In the beginning of the twelfth century, Ashkenazic commentary in northern France took on a new face. Contact with the outside world, including Christian scholarship, and partial knowledge of general studies, brought the Ashkenazi Jewish commentators to the realization that the Bible, besides being a religious text, was also literature. As literature, many features including the order of biblical pericopes or units attracted attention. The classic commentators, Rashi in France, Ibn Ezra in Toledo and Ramban (Nahmanides) in northern Spain all dealt with biblical order. Order as Meaning cites many cases of sequential arrangement and juxtaposition taken from the rabbinic period as well as from the above three commentators, explaining what there was to learn from such a study.

Day by Day Kid's Bible Karyn Henley, 2002 Popular children's author Karyn Henley, author of *The Beginner's Bible*, has created a unique tool to help children establish Bible-reading habits for a lifetime—with an investment of just seven minutes per day. In this revised version of *God's Story*, daily Bible readings lead readers ages seven and up through the Scriptures in just one year. The *Day by Day Kid's Bible* bridges the gap between a Bible storybook and a full-text Bible since the Scriptures are simplified for young readers. New features include dated Bible readings for every day of the year, two-color interior, and full-color pictorial time line of events.
