**The Quote Verifier** Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's The Quote Verifier considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, The Quote Verifier also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, The Quote Verifier is not only a fascinating piece of literary sleuthing, but also a great read.

*It's Gonna Be Fine* Renuka Gunasekaran, 2019-12-11 Sometimes, we all go through difficult moments in life, crumbling inside and longing for clarity, direction, and love. We find ourselves standing at crossroads, not knowing whether to walk away or try harder. We feel as though we have lost our ability to tap into our deeper instinctual intelligence. That's when we look for a shoulder to cry on, a friend or a family member to rely on, someone who is willing to listen to our problems and give sympathy, emotional support, and encouragement. A heart-to-heart conversation with them could be the moment of hope, perceptual breakthrough, and awakening. This book brings out stories of women who sailed safely through such situations embracing life.

*Catfish Rolling* Clara Kumagai, 2025-08-26 A debut young adult coming-of-age book with magic realism elements, *Catfish Rolling* is perfect for fans of Studio Ghibli films and Laura Ruby's *Bone Gap*. There's a catfish under Japan, and when it rolls, the land rises and falls. At least, that's what Sora was told after she lost her mother to an earthquake so powerful that it cracked time itself. Sora and her father are some of the few who still live near the most powerful of these zones — the places where time has been irrevocably sped up, or slowed down. When high school ends, and her best friend leaves for university, Sora finds herself stuck and increasingly alone. She begins secretly conducting her own research, tracking down a time expert in Tokyo. She also feels increasingly conflicted in her quasi-romantic feelings for her best friend — and for the time expert's assistant, a striking and confident girl named Maya, another hafu (half-Japanese, half-non) girl with whom Sora forms an instant bond. But when Sora's father disappears, she has no choice but to return home and venture deep into the abandoned time zones to find him, and perhaps the catfish itself . . .

**Rainy Day People** Susan Haley, Robert J. Delany, 2005-11 She's weathered the squalls of despair. He's still riding the storms. Was it chance, or destiny, that led them on a journey neither sought nor prepared for?

*The Beguiling* Zsuzsi Gartner, 2020-09-22 FINALIST FOR THE WRITERS' TRUST FICTION PRIZE A GLOBE AND MAIL BEST BOOK The perfect next read for fans of Ottessa Moshfegh and George Saunders, an electrifying debut about a woman who is transformed into a real life "flesh-and-blood Wailing Wall" as strangers unburden their sins to her at every turn. Lucy is a lapsed Catholic whose adolescent pretensions to sainthood are unexpectedly revived following the disturbing deathbed confession of her cousin Zoltán. Afterwards, Lucy becomes a magnet for the unshriven, and she's transformed into a self-described "flesh-and-blood Wailing Wall" as strangers unburden themselves to her. Lucy finds herself addicted to these dark stories, craving hit after hit. As the confessions pile up, Lucy begins to wonder if Zoltán's death was as random and unscripted as it appeared. She clutches at alarming synchronicities and seeks meaning from the strangers' stories,

wondering why they seem connected to each other and eerily echo elements of her own life. With ruthless wit and dizzying energy, *The Beguiling* explores blessings and curses, sainthood and sin, mortality and guilt in all its guises. Weaving together tales of errant mothers, vengeful plants, canine wisdom, and murder, this electrifying debut novel lays bare the sacrifices some are willing to make to get what they think they desire.

Double Cup Love Eddie Huang, 2017-03-07 From the author of *Fresh Off the Boat*, now a hit ABC sitcom, comes a hilarious and fiercely original story of culture, family, love, and red-cooked pork Eddie Huang was finally happy. Sort of. He'd written a bestselling book and was the star of a TV show that took him to far-flung places around the globe. His New York City restaurant was humming, his OKCupid hand was strong, and he'd even hung fresh Ralph Lauren curtains to create the illusion of a bedroom in the tiny apartment he shared with his younger brother Evan, who ran their restaurant business. Then he fell in love—and everything fell apart. The business was creating tension within the family; his life as a media star took him away from his first passion—food; and the woman he loved—an All-American white girl—made him wonder: How Chinese am I? The only way to find out, he decided, was to reverse his parents' migration and head back to the motherland. On a quest to heal his family, reconnect with his culture, and figure out whether he should marry his American girl, Eddie flew to China with his two brothers and a mission: to set up shop to see if his food stood up to Chinese palates—and to immerse himself in the culture to see if his life made sense in China. Naturally, nothing went according to plan. *Double Cup Love* takes readers from Williamsburg dive bars to the skies over Mongolia, from Michelin-starred restaurants in Shanghai to street-side soup peddlers in Chengdu. The book rockets off as a sharply observed, globe-trotting comic adventure that turns into an existential suspense story with high stakes. Eddie takes readers to the crossroads where he has to choose between his past and his future, between who he once was and who he might become. *Double Cup Love* is about how we search for love and meaning—in family and culture, in romance and marriage—but also how that search, with all its aching and overpowering complexity, can deliver us to our truest selves. Praise for Eddie Huang's *Double Cup Love* "Double Cup Love invites the readers to journey through [Eddie Huang's] love story, new friendships, brotherhood, a whole lot of eating and more. Huang's honest recounting shouts and whispers on every page in all-caps dialogues and hilarious side-commentary. Huang pulls simple truths and humor out of his complex adventure to China. His forthright sharing of anecdotes is sincere and generates uncontrollable laughter. . . . His latest memoir affirms not only that the self-described "human panda" is an

engaging storyteller but a great listener, especially in the language of food.”—Chicago Tribune “An elaborate story of love and self-discovery . . . Huang’s writing is wry and zippy; he regards the world with an understanding of its absurdities and injustices and with a willingness to be surprised.”—Jon Caramanica, The New York Times “Huang is determined to tease out the subtle and not-so-subtle ways in which Asian-Americans give up parts of themselves in order to move forward. . . . Fortunately for us, he’s not afraid to speak up about it.”—The New Yorker “Huang connects in Chengdu the same way he assimilated in America—through food, hip-hop and a never-ending authenticity, which readers experience through his hilarious writing voice and style.”—New York Daily News

**The Fork in the Road** Steven K. Tegovich, 2008-11-04 It was September of 1985. Nick Stavros was barely 24 years old and going nowhere fast. Two years ago, the day before he found out he had to drop out of college, his life seemed full of promise. Today, he, his best friend, Max, and their merry band of misfits sold cars by day and chased women by night.. Hung over, every morning. Broke, at the end of every week. Going nowhere fast, with nothing but blind hope ahead. It was, perhaps, Prometheus who saw their plight who sent the lightning bolt from the Heavens. On September 5, 1985, Nick Stavros and Max Davis held in their hands the only winning ticket for the Arizona Lottery's biggest jackpot ever the biggest jackpot in United States history the biggest jackpot ever awarded in the world! And just like that everything changed forever. The Fork In The Road is a laugh-out-loud adventure that starts with a bang and never lets up for a moment. It's a Butch and Sundance buddy story, a deeply romantic love story, a side-splitting comedy, and a classic tragedy. Nick's and Max's windfall touches the lives of many, for both better and worse. This novel brings to life, in vivid detail, unforgettable characters, exotic locations, and twisting plots that are guaranteed to keep the reader at the edge of their seats, laughing, crying, and turning pages to its climactic conclusion and inescapable moral awakening. It has a message that will resonate in every reader it touches. Once read, you too will declare, 'The Fork In The Road' is my favorite book ever! Steven K. Tegovich's next novel is called, Nine Tenths Of A Cent, a legal thriller detailing a trillion-dollar class-action lawsuit against the Oil Industry, for decades of over-billing the American people, a tenth of a cent at a time. A compelling premise ripped right from today's headlines! Coming soon!!!

I Am \* You Are \* Love Is Curtis Christian, 2016-09-12 Throughout the ages philosophers, saints, and sages have described a state of pure love, bliss, peace, and joy. Many have studied the words of such beings and practiced their ways, seeking the experience of which they spoke. However, humanity is currently embarking upon a shift where many of the seekers are beginning to experience themselves as they were created to be. I AM \* YOU ARE \* LOVE IS explores basic truths of existence and experience that will deepen your understanding of the source of who you are. Becoming Who You Want to Be Albert Cruz ,2018 In his early twenties in Hong Kong, Albert Cruz was undisciplined, discouraged, and unmotivated. Determined to change, he embarked on a vigorous quest to take charge of his life. Albert started writing down what he wanted to own and who he wanted to become — early “wish lists” that would evolve into his balanced goal-setting method. He searched for motivation and new ideas in books, speakers, courses, and mentors — knowledge he would eventually refine into his nine guidelines. At age 38, Albert’s goal setting and guidelines were put to the test when he left behind a comfortable life in Hong Kong and immigrated to America. Adapting to a foreign culture and establishing a new career was often painful, occasionally hilarious, and always rich with powerful lessons. Becoming Who You Want to Be traces Albert’s journey and introduces readers to the practices that helped him achieve success. After forty years of goal setting, Albert has checked off most items on his wish list, including higher education and financial independence. He truly has become the person he always wanted to be. **Joy in the Morning** Hopolang Phororo,2011-12-29 Hopolang was sexually abused by a neighbor and for nineteen years she didnt divulge her experience because she feared that she would be blamed. In the first edition of Joy Comes in the Morning she shared her battle to regain her self-confidence and self-esteem by running into the arms of the One who can heal - God. Through poems, she expresses emotions, such as confusion, pain, fear, betrayal, guilt, regret, approval, self-pity, mistrust and forgiveness that she had to work through. In this revised edition of Joy Comes in the Morning, Hopolang recounts how she overcame, not only the trauma of being sexually abused but also other challenges, such as working through relationships and climbing Mount Kilimanjaro- something that she never imagined she could accomplish. As she narrates her experiences, her hope is that the lessons she learned will motivate and inspire her readers. No matter how difficult the circumstances are that we encounter in our lives, we can triumph, and joy always comes in the morning. As she walked the paths of recovery from sexual abuse, Hopolang Phororo longed to read stories she could relate to, of those who had suffered abuse and overcame it. Because such stories were not available, she decided to share her story, to reach out and inspire other women with the message that there is hope. Her passion to see young women realize their fullest potential has led her to set up the Daughters of Destiny (DoD) Ministry (mentoring young women), in countries where she has lived.

in which governments and business actors are seeking data-driven change, assuming that Artificial Intelligence is now inevitable and ubiquitous. But we have not even started asking the right questions, let alone developed an understanding of the consequences. Urgently needed is debate that asks and answers fundamental questions about power. This book brings together critical interrogations of what constitutes AI, its impact and its inequalities in order to offer an analysis of what it means for AI to deliver benefits for everyone. The book is structured in three parts: Part 1, AI: Humans vs. Machines, presents critical perspectives on human-machine dualism. Part 2, Discourses and Myths About AI, excavates metaphors and policies to ask normative questions about what is 'desirable' AI and what conditions make this possible. Part 3, AI Power and Inequalities, discusses how the implementation of AI creates important challenges that urgently need to be addressed. Bringing together scholars from diverse disciplinary backgrounds and regional contexts, this book offers a vital intervention on one of the most hyped concepts of our times.
