Dr. Joel A. Nelson

The God Who Hears James Merritt, 2024-03-05 Praying for God's Power in Your Times of Need Life's storms serve as sharp reminders of our profound need for God's strength. But how do we pray when the trials we face bring us to our knees? And how do we cry out to God when we don't know how to put our heart's trouble into words? From author and pastor James Merritt, *The God Who Hears* is a 40-day journey designed to help you seek the Lord in every circumstance. Guiding you through the apostle Paul's prayers from prison, Dr. Merritt illuminates how these petitions and praises provide a model for communicating with God today, enabling you to draw nearer to him as you trust his perfect ability to meet your every need. No matter the challenges you face, *The God Who Hears* is an inspiring reminder of the power and privilege the Lord has given us through prayer. Rooted in Scripture, this encouraging devotional provides insightful teaching and practical takeaways, equipping you to pray through hardship with clarity and confidence.

The Westminster Collection of Christian Quotations Martin H. Manser, 2001-01-01 This absorbing anthology includes insightful sayings from major figures in Christian history, as well as from the Bible, making it an ideal companion for every stage of the spiritual journey.

1001 Quotes, Illustrations, and Humorous Stories for Preachers, Teachers, and Writers Edward K. Rowell, 2008-05 Anyone who speaks for a living knows that at some point you just run out of relevant stories to tell. And there's nothing more embarrassing to a preacher or teacher than a listener pointing out that they've heard a story three or four times now. What's a busy speaker to do? Edward K. Rowell and *Leadership Journal* have come to the rescue with this fresh compilation of quotes, idea starters, illustrations, and humor to jump-start or add kick to speeches, sermons, and lessons. This easy-to-use volume is the perfect addition to the library of any pastor, teacher, or public speaker.

The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Vol. 7 Hughes Oliphant Old, 2010 *The Reading and Preaching of the Scriptures in the Worship of the Christian Church* is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times. In Volume 1, *The Biblical Period*, Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel. He then examines the preaching of Christ and the Apostles. Finally, Old looks at the development and practice of Christian preaching in the second and third centuries, concluding with the ministry of Origen.

1001 Unforgettable Quotes About God, Faith, and the Bible Ron Rhodes,2011-04-01 Bible scholar and avid reader Ron Rhodes gathers his favorite quotes from classic and contemporary Christians about Scripture, belief, God, and life. For added spiritual insight, Rhodes provides Bible truths behind each presented quote. Topical selections can be read in order or as areas of interest arise for a reader. Attitude "If you can't change circumstances, change the way you respond to them." Tim Hansel (1941-2009), Seminar leader Bible Truth Behind the Quote: "For those who love God all things work together for good, for those who are called according to his purpose" (Romans 8:28). This recognition helps us to respond positively to our circumstances. This rich collection will be a must-have for home and church libraries and will be a great gift for those who love gathering words of wisdom for their Christian walk.

Seeing Is Believing Gregory A. Boyd,2004-04-01 One of the most common problems with Christians in our modern secularized world is that they don't feel the reality of Jesus. Sure, they believe in him and love him, but he somehow doesn't seem to enter their daily lives in a real sense. Some might say, You ought to pray more. Others would advise, You ought to witness more. While this may be true, we don't get closer to God just because we ought to. Boyd believes that the way to true spiritual transformation and feeling the presence of God in your life comes from a little R and R: rest and reality. Boyd encourages readers to stop striving and learn to rest in an experience of Jesus as real. The best way to do this, he says, is through imaginative prayer. Experiencing Jesus will teach readers how to use God's gracious gift of creative imagination to know him better and feel his presence in their daily lives.

The Trouble With Christians Jon Jaroszewski,2014-12-29 What if Jesus is smarter than we think? What if we valued his words like we do other great literature? What if we shrugged off shallow interpretations and looked for cohesive and purposeful insight from the mind of a master communicator? Might we come to a deeper understanding of his vision for humanity? This book attempts to do just that and shows us that the Sermon on the Mount is not just beautiful and profound, it also remains controversial and revolutionary in ways we have forgotten.

Resilience and the Virtue of Fortitude Craig Steven Titus,2006-11 The present study employs the thought of Thomas

Aquinas and his sources on fortitude and its related virtues, while taking his dialogal method as a basis for critically appropriating reflections from other perspectives as well. The book offers a renewed, classic vision of the human person and the ordering of the sciences as read through the complementary and, at one level, corrective insights of empirical psychosocial studies on resilience. Such a vibrant natural-law approach to ethical norms and moral development offers guidelines and a framework for understanding human resilience. Moreover, it recognizes a theological transformation of such human capacities--a spiritual resilience--by proposing the New Law of grace, Christ's teaching, and the infused virtues as vital bases for Christian ethics. Craig Steven Titus is research professor at the Institute for the Psychological Sciences, as well as lecturer and researcher at the University of Fribourg, Switzerland.

Jesus, the Powerful Servant Tim Spivey, 2006

Hippie Voices to God's Heart David L. Ream, 2024-01-24 Here is a phenomenological inquiry into the fruitful ministry of Calvary Chapel Costa Mesa's Sunday Morning Worship Service. The purpose was to uncover and explicate the quintessential elements of worship leading from the life experiences of those worship leaders who shared the platform with Pastor Chuck Smith, known as the father of the Jesus Movement. The book examines Calvary Chapel's inauspicious beginnings in a senior citizen trailer park recreation center as it explores key elements of Kay and Chuck Smith's ministry. The church and the couple combined in 1965. By 1968, the church and the Smiths became a spiritual home replete with a spiritual mama and papa, ministering to hippies seeking everlasting love and eternal peace. The fruitfulness of Calvary Chapel's ministry is its ability to reproduce maturing Christians that reproduce maturing Christians. This replication occurred thousands of times as the movement blossomed and spread to new churches and new ministries across the United States and globally. The phenomenon spawned a megachurch movement and birthed the modern Christian worship music industry. The hippies were alternately loathed and loved in their era. Perhaps the hippies' most enduring and endearing contributions to twenty-first-century culture are traced to the Jesus movement.

Faith-Based ACT for Christian Clients Joshua J. Knabb, 2022-07-12 *Faith-Based ACT for Christian Clients* balances empirical evidence with theology to give mental health professionals a deep understanding of both the why and how of acceptance and commitment therapy (ACT) for Christians. The new edition includes updated discussions in each chapter, more than 20 new and updated exercises, and new chapters on couples and trauma. The book includes a detailed exploration of the overlap between ACT and the Christian faith, case studies, and techniques that are explicitly designed to be accessible to both non-Christian and Christian (including evangelical Christian) counselors and therapists. Chapters also present the established research on Buddhist-influenced mindfulness meditation and newer research on Christian-derived meditative and contemplative practices and lay a firm theological foundation through the use of engaging biblical stories and metaphors.

What Do We Do About Sunday School? Dr. Joel A. Nelson, 2024-06-18 No matter what people may think, feel, and say,

Sunday school ministries are never going away. They are the Christian education ministry impacting the most children across the country, maybe even the world. Sadly, too many Christian congregations' Sunday school ministries are floundering. Poor attendance, lack of direction, zero enthusiasm, and trouble seeking and keeping volunteers have church leaders sighing, What do we do about Sunday school? It doesn't have to be that way. Dr. Joel A. Nelson's book *What Do We Do About Sunday School? What 44 Years of Ministry Has Taught Me* provides a tightly written, well-researched, hyper-practical, and very entertaining pep talk for how to create and maintain a winning Sunday school ministry. The book challenges its readers to seriously consider the following questions: Why do we care about Sunday school? What do we want Sunday school to be? How do we make a quality Sunday school happen? How do we find the winning Sunday school team? *What Do We Do About Sunday School? What 44 Years of Ministry Have Taught Me* ends with final encouragements and discussion questions for each book section, inspiring readers and Sunday school teams to carry on the Sunday school turnaround conversation and process.

The Bishop and the Apostle Edwina Murphy,2018-09-24 This study examines how Cyprian of Carthage, the most significant bishop in the early Latin tradition, appropriates the canonical Paul. Cyprian, like Paul, is a pastoral theologian, so his pastoral concerns provide a helpful lens through which to study his use of the apostle. These include divine truth and eternal glory; the church's unity, ministry and sacraments; discipline and repentance; and wealth and welfare. Examining Cyprian's use of Paul in these areas allows us to move beyond a simple literal/allegorical paradigm to appreciate the wide range of reading strategies used by Cyprian: model, image, maxim, title, contextual exegesis, direct application, prophetic fulfilment and qualification. It also provides a different perspective on Paul than the one arrived at by privileging a handful of texts. This study of Cyprian's appropriation of Pauline texts therefore illuminates the interplay between text, context and theology in his exegesis. It also deepens our understanding of the early North African hermeneutical tradition and the early reception of Paul.

77 Positive Poetic Gospel Messages Joseph Conboy,2016-06-28 Reader's will experience a little taste of truth and Heaven when reading this book. The book was written by a clinically depressed person and started out as positive songs to help him and others get through rough times in life. The songs then turned into short messages and stories that he thought would be a helpful guide for everyone during these last days: to inspire, comfort, and make one aware of the world around them today. It serves as a tool to get people strong with the word when they need it the most. The works can engage people of all ages. Anyone can help change and inspire the world no matter their struggles, as struggles only truly do make us stronger. This book is intended to give a message for the day or week, and then bunches together and compiles scripture

pertaining to that message. The word will keep you strong, while using different methods to get that word across to keep it fun and feeling new. No matter if one is a new or committed devout Christian; the book gives people the meat and cheese surrounded by the bread of life (Jesus Christ) to help one stay strong. The messages can be used for Gospel songs to help inspire and lift up as well. We all make mistakes, so we can learn firmly how to always overcome them, along with those bumps in the road. A poetry book with many metaphors that will make you want to take another look, as the writer shows how he was once a part of sins hook, and still needs himself a daily look at the word during these perilous times. (2Timothy 3:1-2)

Full-Time Father and the Pursuit of Wisdom Ken Alcorn, 2025-03-14 Why do people build furniture or houses, plant trees, solve problems, dig up bones from ancient ruins, or invent? Each of us is distinct with individualized aptitudes for myriad explorations. As God created, is it possible we emulate it in His honor? I do not believe we are here to concentrate on one particular creative expression. Live long enough, and we vacillate from this to another. My resume is diverse and varied. As much as creativity dominates my life, so too does my family. In my first book, *Body Mime and Soul: When Actions Speak Louder Than Words*, I cover my artistic bent and training. My intention this time is to further talk about my experience as a full-time father and husband. It is not a how-to book. I present ideas and philosophies I have come to embrace. How many lives are touched because I have shared some of who I am? What I have learned is to inspire more parents to be contributing guides for their children. It follows that your importance in your child's life will resound for a hundred years. And I will have contributed to the world by being important to my children in a definite way a hundred years hence. Whatever lasting consequence I had as an entertainer in making an audience think or laugh pales to raising my children. -Ken Alcorn ...it is rare for an American author to discover such a natural, astute philosophical tone as Mr. Alcorn finds himself underpinning. As a reader, you find yourself connecting to the psychological and philosophical acumen of every passage Ken Alcorn introduces. This is reason, alone, for foreseeable readers to trust the arrival of this author. -Frederick Smith Canada- Writer, Book Critic Berlin, Germany
