

Saint X Who Killed Alison

Sabine Zange

Saint X Alexis Schaitkin, 2020-02-18 A New York Times Notable Book of 2020, now a Hulu Original Series! 'Saint X' is hypnotic. Schaitkin's characters...are so intelligent and distinctive it feels not just easy, but necessary, to follow them. I devoured [it] in a day. -Oyinkan Braithwaite, New York Times Book Review When you lose the person who is most essential to you, who do you become? Recommended by Entertainment Weekly, included in Good Morning America's 20 Books We're Excited for in 2020 & named as one of Vogue's Best Books to Read This Winter, Bustle's Most Anticipated Books of February 2020, and O Magazine's 14 of the Best Books to Read This February! Hailed as a "marvel of a book" and "brilliant and unflinching," Alexis Schaitkin's stunning debut, *Saint X*, is a haunting portrait of grief, obsession, and the bond between two sisters never truly given the chance to know one another. Claire is only seven years old when her college-age sister, Alison, disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X. Several days later, Alison's body is found in a remote spot on a nearby cay, and two local men-employees at the resort-are arrested. But the evidence is slim, the timeline against it, and the men are soon released. The story turns into national tabloid news, a lurid mystery that will go unsolved. For Claire and her parents, there is only the return home to broken lives. Years later, Claire is living and working in New York City when a brief but fateful encounter brings her together with Clive Richardson, one of the men originally suspected of murdering her sister. It is a moment that sets Claire on an obsessive pursuit of the truth-not only to find out what happened the night of Alison's death but also to answer the elusive question: Who exactly was her sister? At seven, Claire had been barely old enough to know her: a beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly shadows Clive, hoping to gain his trust, waiting for the slip that will reveal the truth, an unlikely attachment develops between them, two people whose lives were forever marked by the same tragedy. For readers of Emma Cline's *The Girls* and Lauren Groff's *Fates and Furies*, *Saint X* is a flawlessly drawn and deeply moving story that culminates in an emotionally powerful ending.

The Brother of Sleep Maggie A. Wheeler, 2004 Farran Mackenzie couldn't have been more surprised when Alison Perry walked into her University of Waterloo office. It had been thirty years since she had last seen her best friend in high school, and thirty years since her best friend's father, a police officer, had been killed in the line of duty. And now Alison was asking for help in discovering who had really killed her father. Farran has doubts about helping her long-lost friend. A lifetime has

passed since Alison walked out of her life with no explanation but doubt fades when a car bomb results in the death of Sergeant Perry's old partner, nearly killing Alison and Farran, as well. Someone obviously doesn't want them to dig up old skeletons, so Farran takes them to the only place she feels safe - the St. Lawrence Seaway. But the past keeps catching up with them there, too. A fated meeting in the local cemetery with Paul Vaughn, a police officer from Newfoundland, has Farran revisiting the origins of the St. Lawrence Seaway, a journey that turned her own life upside down only a year ago, and threatens to do so again. She feels a strange attraction to Paul, whose life seems to mirror her own, but what about Jerry Strauss, the OPP inspector to whom she owes so much? Too many police officers in her life, both past and present, and too many coincidences. Farran's heart is playing havoc with her instincts, which could prove dangerous, if not deadly. Whom can she trust? And is the truth worth the price of knowing?--Back cover.

Kirkus Reviews ,1987 Adult books are categorized by genre (i.e., fiction, mystery, science fiction, nonfiction). Along with bibliographic information, the expected date of publication and the names of literary agents for individual titles are provided. Starred reviews serve several functions: In the adult section, they mark potential bestsellers, major promotions, book club selections, and just very good books; in the children's section, they denote books of very high quality. The unsigned reviews manage to be discerning and sometimes quite critical.

Embark on a transformative journey with is captivating work, Discover the Magic in **Saint X Who Killed Alison** . This enlightening ebook, available for download in a convenient PDF format Download in PDF: , invites you to explore a world of boundless knowledge. Unleash your intellectual curiosity and discover the power of words as you dive into this riveting creation. Download now and elevate your reading experience to new heights .
