Seasons of the Son David Winter, 2008-07-31 In recent years, churches within and without the liturgical tradition have begun to rediscover the rhythms of the Christian year. With its two great cycles of incarnation and redemption, centred on Christmas and Easter, it is the church's time-honoured way of ensuring that the whole story of salvation is retold in all its fullness every year. With its times of preparation and celebration, watching and waiting, sorrow and rejoicing, it also allows space for every human emotion to find expression. And the Calendar of Saints allows us to pause throughout the year and consider the many role models of faith we have - from biblical characters to modern day martyrs such as Janani Luwum. Here is an inspirational tour through the Christian year from a much loved writer. Whether it is a familiar to readers or a completely new concept, this devotional companion will provide many ideas for enriching worship and discipleship throughout the year.

Mother's Magazine ,1833

Mothers as the Image of God Juliann Bullock,2022-12-12 Is God a man? If God is our Heavenly Father, does that require God to be male? Does the Bible ever describe God as a mother, as well as a father? If human fathers can show us what God is like, can we see God's image in our mothers too? How do women uniquely reveal the nature of the One who created both male and female in the image of God? *Mothers as the Image of God* explores answers to these important questions, along with many others. This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture, and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God, an image that is exquisitely

displayed through mothering--whether that takes place biologically, through adoption, or by pouring into spiritual children.

Times and Seasons Uboho Bassey, 2022-06-01 In her fourth collection of poems, Uboho turns her attention to the Times and Seasons of our existence - the inescapable transitions between our experiences. Sometimes people will step into a scene of your life and think they know the whole story, but the scene is not the entire story. The present scene is nothing but a phase you pass through. Don't stop the story just because you don't like the scene. It may be just a chapter of your book. It is not your destination. While grappling with the desire to find meaning in life's journey, we find the truth in the book of Ecclesiastes: To everything there is a season, and a time for every purpose under heaven. God has enacted certain eternal principles regarding time. In congruence with nature, we all experience the four seasons of Summer, winter, autumn, and spring. In this book however, the times are represented as waiting, wilderness, warring and winning seasons. Times and Seasons is written to remind you that your dreams, praise, hope, faith, and love can carry you through every phase, every season of your life. You hurt and you heal, you build and release, and it's all part of the same process: it's life. Whether you are in a season of stagnation or expansion, each season is a signal that you're not stuck. And even though you'll lose some things, like the trees lose their leaves in fall; you're strong enough to keep going long after you think you can't. Our individual paths are unique and when you understand time and season, you will envy no one. If you want to know how your present season is evolving, or why the last one had to end, or when the next one is coming - read these poems. Let them ground you in the truth that every single shifting season brings with it new life, another chance and an experience you are here in the world for.
