

# What Are The 5 Gospels

**James Hastings**

**The Five Gospels** Robert W. Funk, 1996-12-19 Did Jesus claim to be the Messiah? Did he promise to return and usher in a new age? How did Jesus envision the Kingdom of God? The Five Gospels answers these questions in a bold, dynamic work that will startle traditional readers of the Bible and rekindle interest in it among secular skeptics. In 1985 the Jesus Seminar, comprising a distinguished group of biblical scholars, was founded by Robert W. Funk. They embarked on a new translation and assessment of the gospels, including the recently discovered Gospel of Thomas. In pursuit of the historical Jesus, they used their collective expertise to determine the authenticity of more than fifteen hundred sayings attributed to him. Their remarkable findings appear in this book.

The Apocryphal Gospels Paul Foster, 2009-02-26 This Very Short Introduction offers a clear, accessible, and concise account of the apocryphal gospels - exploring their origins, their discovery, and discussing how the various texts have been interpreted both by the Church and beyond. Looking at texts from the Gospels from Nag Hammadi to the Dialogues with the Risen Saviour, Paul Foster shows how the apocryphal gospels reflect the diversity that existed within early Christianity, and examines the extent to which they can be used to reconstruct an accurate portrait of the historical Jesus. Including discussions of controversies and case-studies such as the alleged hoax surrounding the discovery of Secret Mark, Foster concludes that the non-canonical texts, considered in the correct context, offer us an important window on the vibrant and multi-faceted face of early Christianity. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**The Five Gospels** Robert Walter Funk, Roy W. Hoover, 1993 An assessment of authenticity of the more than 1,500 sayings attributed to Jesus, including those from the Gospel of Thomas.

**Who Chose the Gospels?** C. E. Hill, 2012-04-05 How did the Church get Matthew, Mark, Luke, and John instead of Thomas, Mary, Peter, and Judas? C. E. Hill presents evidence for how and why, despite the numerous Gospels that appeared in the earliest Christian centuries, four (and only four) Gospels came to be embraced by the Protestant, Roman Catholic, and Eastern Orthodox churches alike.

**The Gospels and Jesus** Graham Stanton, 2002-03-08 Jesus of Nazareth and the four New Testament gospels continue to fascinate people from many cultural and religious backgrounds. Who was Jesus? Are Christian claims about him supported by solid historical evidence? How reliable are the evangelists' portraits of Jesus which were written some fifty years after his crucifixion? These questions can be explored only on the basis of a sound grasp of the intentions and methods of the four evangelists. Professor Stanton insists that the evangelists are concerned with both the story and the significance of Jesus of Nazareth. Part I of this book examines the distinctive emphases of all four evangelists and discusses the apocryphal gospels, with special reference to the Gospel of Thomas. Part II deals with the ways of assessing the evidence for Jesus and explores his teaching, intentions, and the reasons for his downfall. This book pays particular attention to appropriate methods for careful study of the gospels and the historical Jesus to provide an excellent textbook and a penetrating study for the general reader. NEW TO THIS EDITION: - Every chapter updated to take account of recent scholarly developments - Fuller discussion of literary criticism (chapter 2); the Gospel of Thomas (chapter 7); archaeological evidence (chapter 8); and methods for reconstructing the teaching of Jesus (chapter 9) - Bibliography is extended, updated, and partly annotated - New cross-references added to increase usability - Map now included - Material within some chapters and sub-sections has been reorganised to increase accessibility - Biblical quotations are now taken from the NRSV text - New larger format and text design

The Five Gospels Robert Walter Funk, Roy W. Hoover, 1997

**The Oral Gospel Tradition** James D.G. Dunn, 2013-10-03 The traditions about Jesus and his teaching circulated in oral form for many years, continuing to do so for decades following the writing of the New Testament Gospels. James Dunn is one of the major voices urging that more consideration needs to be given to the oral use and transmission of the Jesus tradition as a major factor in giving the Synoptic tradition its enduring character.

**Christology in the Synoptic Gospels** Sigurd Grindheim, 2012-03-22

**Jesus and the Gospels** Clive Marsh, Steve Moyise, 2015-09-24 This book offers an ideal introduction to the Gospels and explains why it is that scholars and lay people have such different understandings of the person of Jesus. The first half of the book looks at the main sources for the life of Jesus, principally the Gospels of Matthew, Mark, Luke and John, but also the so-called apocryphal Gospels. The second half of the book begins with an examination of the criteria employed by scholars to determine the earliest and most reliable forms of the tradition. The third edition interacts with developments in modern scholarship, particularly the advance of memory studies. With study questions at the end of each chapter, updated reading lists, and a new chapter bringing scholarship up to date the third edition of this classic text will provide a perfect companion for students coming to grips with academic study of Jesus and the Gospels.

*Jesus and YHWH-Texts in the Synoptic Gospels* Scott Brazil, 2024-02-21 Scott Brazil examines the frequent practice of

applying Old Testament YHWH-texts to Jesus in the Synoptic Gospels. He argues that this YHWH-text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself. He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels. Brazil surveys the Synoptic Gospels in canonical order, exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus. He observes the frequency, diversity, and ubiquity of the practice, as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus. And from the data he offers several ramifications, including the early deliberate employment of YHWH-texts to Jesus, the likelihood that Jesus is the source of the practice, the high Christology of the Synoptics, and the redemptive-historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures. Ultimately, Brazil argues that understanding the prolific application of OT YHWH-texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology.

**How the Gospels Became History** M. David Litwa, 2019-08-06 A compelling comparison of the gospels and Greco-Roman mythology which shows that the gospels were not perceived as myths, but as historical records Did the early Christians believe their myths? Like most ancient--and modern--people, early Christians made efforts to present their myths in the most believable ways. In this eye-opening work, M. David Litwa explores how and why what later became the four canonical gospels take on a historical cast that remains vitally important for many Christians today. Offering an in-depth comparison with other Greco-Roman stories that have been shaped to seem like history, Litwa shows how the evangelists responded to the pressures of Greco-Roman literary culture by using well-known historiographical tropes such as the mention of famous rulers and kings, geographical notices, the introduction of eyewitnesses, vivid presentation, alternative reports, and so on. In this way, the evangelists deliberately shaped myths about Jesus into historical discourse to maximize their believability for ancient audiences.

**Four Other Gospels** John Dominic Crossan, 2008-03-01 The four canonical gospels are long set in established sequence as Matthew, Mark, Luke, and John. This book is about four other gospels, the Gospel of Thomas, the Secret Gospel of Mark; the Gospel of Peter, and Egerton Papyrus 2. These four other gospels have generally been regarded as mere digests or collages of the canonical gospels, whereas in fact, as Professor Crossan persuasively shows, the four others hold within their mutilated fragments independent or earlier traditions than those tradition has canonized. Four Other Gospels proposes a spectrum of relations between the canonical gospels and these others. This spectrum ranges from the Gospel of Thomas, which is a parallel and independent tradition, to Egerton Papyrus 2, on which both John and Mark are dependent, to the Secret Gospel of Mark, on which Mark directly and John indirectly are dependent, and on to the Gospel of Peter, which contains an original Passion-Resurrection source used by all four of the canonical gospels, but which submitted to their

eventual ascendancy by attempting a harmonization between it and them, and placed the new complex under the authority and authorship of Simon Peter. Four Other Gospels does not propose a new or alternative canon. The canon is a fact both of history and of theology. But the thesis of this book is that anyone who takes the four other gospels seriously and thoughtfully will never again be able to read the four canonical gospels in quite the same way. A new light has been shed.

*Dictionary of Jesus and the Gospels (2nd edn)* J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible, the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909. In the more than eight decades since Hastings, our understanding of Jesus, the Evangelists and their world has grown remarkably. New interpretive methods illumined the text, the ever-changing profile of modern culture has put new questions to the Gospels, and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day. But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs. The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors, teachers, students and lay people desiring in-depth treatment of select topics in an accessible and summary format. The topics range from cross-sectional themes (such as faith, law, Sabbath) to methods of interpretation (such as form criticism, redaction criticism, sociological approaches), from key events (such as the birth, temptation and death of Jesus) to each of the four Gospels as a whole. Some articles - such as the Dead Sea Scrolls, rabbinic traditions and revolutionary movements at the time of Jesus - provide significant background information to the Gospels. Others reflect recent and less familiar issues in Jesus and Gospel studies, such as divine man, ancient rhetoric and the chreiai. Contemporary concerns of general interest are discusses in articles covering such topics as healing, the demonic and the historical reliability of the Gospels. And for those entrusted with communicating the message of the Gospels, there is an extensive article on preaching from the Gospels. The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century - committed to the authority of Scripture, utilising the best of critical methods, and maintaining dialog with contemporary scholarship and challenges facing the church.

**The Synoptic Gospels** Keith Fullerton Nickle, 2001-01-01 Nickle provides an updated edition of a proven textbook that fills the gap between brief treatments of the Synoptics by New Testament introductions and exhaustive commentaries. In a clear and concise manner, The Synoptic Gospels explores the major issues of faith that influenced the writers of the Gospels while utilizing the full range of critical and literary methods.

*Hidden Gospels* Philip Jenkins, 2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas, the Gospel of Mary, and even the Dead Sea Scrolls undermine the historical validity of the New Testament. Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that, far from being revolutionary, such attempts to find an alternative Christianity date back at

least to the Enlightenment. By employing the appropriate scholarly and historical methodologies, he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible. Produced by obscure heretical movements, these texts have attracted much media attention chiefly because they seem to support radical, feminist, and post-modern positions in the modern church. Indeed, Jenkins shows how best-selling books on the hidden gospels have been taken up by an uncritical, drama-hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity.

*Judas* Peter Stanford, 2017-01-10 This fascinating biography “asks Christians and non-believers alike to look anew at Judas”, revealing the Apostle’s cultural significance and impact on world history (Fox News). Deconstructing the myths and hatred—often anti-Semitic in nature—surrounding the most vilified of Bible characters. In this fascinating historical and cultural biography, Peter Stanford brings to life Judas Iscariot, who famously betrayed Jesus with a kiss. Beginning with the gospel accounts, Stanford explores 2,000 of cultural and theological history to investigate how the very name Judas came to be synonymous with betrayal and, ultimately, human evil. But as Stanford points out, there has long been a counter-current of thought that suggests that Judas might in fact have been victim of a terrible injustice: central to Jesus’ mission was his death and resurrection, and for there to have been a death, there had to be a betrayal. This thankless role fell to Judas. Should we in fact be grateful to him for his role in the divine drama of salvation? “You’ll have to decide,” as Bob Dylan sang in the 1960s, “whether Judas Iscariot had God on his side.” An essential but doomed character in the Passion narrative—and thus the entire story of Christianity—Judas and the betrayal he symbolizes continue to play out in much larger cultural histories, speaking to our deepest fears about friendship, betrayal, and the problem of evil. “A satisfying left-field approach to the entire history of Christianity.” —The Sunday Telegraph

**The Gospel of Matthew and the Sayings Source Q** Frans Neirynck, 1998

The Institute Tie, 1913

**A Dictionary of Christ and the Gospels** James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ - His Person, Life, Work, and Teaching. It is in a sense complementary to the Dictionary of the Bible, in which, of course, Christ has a great place. But a dictionary of the Bible, being occupied mainly with things biographical, historical, geographical, or antiquarian, does not give attention to the things of Christ sufficient for the needs of the preacher, to whom Christ is everything. This is, first of all, a preacher's dictionary. The authors of the articles have been carefully chosen from among those scholars who are, or have been, themselves preachers. And even when the articles have the same titles as articles in the Dictionary of the Bible, they are written by new men, and from a new standpoint. It is thus a work which is quite distinct from, and altogether independent of, the Dictionary of the Bible. It is called a Dictionary of Christ and the Gospels, because it includes everything that the Gospels contain, whether directly related to Christ or not. Its range,

however, is far greater than that of the Gospels. It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world. There will be articles on the Patristic estimate of Jesus, the Medieval estimate, the Reformation and Modern estimates. There will be articles on Christ in the Jewish writings and in the Muslim literature. Much attention has been given to modern thought, whether Christian or anti-Christian. Every aspect of modern life, in so far as it touches or is touched by Christ, is described under its proper title. James Hastings (1852-1922) was a distinguished scholar and pastor. He was founder and editor of the Expository Times and is also well known for editing the five-volume Dictionary of the Bible, as well as the Encyclopaedia of Religion and Ethics, the Dictionary of Christ and the Gospels, and the Dictionary of the Apostolic Church.

**The Gospel of Jesus Green** Neil J. Whitehouse, 2024-06-11 This is a gospel of personal stories, science, and existential hope for the Jesus-curious and those who want to know what Green means. Modern people are like the passengers on the Titanic; the triumphs of technology have real limitations. They face the necessity to share the planet that takes them to hard politics. Economics can be integrated with ecology and the essentials of human relationships. The history of Jesus may make him an uncertain figure, but his demand to live for the best can still be felt. Whitehouse draws on paleontologist Fr. Pierre Teilhard de Chardin and existentialist Paul Tillich to claim “home for all, not just for humans” is a universal biological phenomenon and a truth named by Jesus. A biodiversity of illustrations entertains and reveals; trees can speak, dead birds teach, and rivers become persons. Then Jesus Green emerges, as a systems thinker, for the home. If Jesus was homeless for a cause, he found his home on the cross, now a paradoxical symbol that lifts up our place within nature. This creative, passionate account delivers the punch other Green Christian books lack. It could not have come sooner.

## What Are The 5 Gospels Introduction

What Are The 5 Gospels Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. What Are The 5 Gospels Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. What Are The 5 Gospels : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular

resource for finding various publications. Internet Archive for What Are The 5 Gospels : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks What Are The 5 Gospels Offers a diverse range of free eBooks across various genres. What Are The 5 Gospels Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. What Are The 5 Gospels Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific What Are The 5 Gospels, especially related to What Are The 5 Gospels, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to What Are The 5 Gospels, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some What Are

The 5 Gospels books or magazines might include. Look for these in online stores or libraries. Remember that while What Are The 5 Gospels, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow What Are The 5 Gospels eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the What Are The 5 Gospels full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of What Are The 5 Gospels eBooks, including some popular titles.

## FAQs About What Are The 5 Gospels Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader

engagement and providing a more immersive learning experience. What Are The 5 Gospels is one of the best book in our library for free trial. We provide copy of What Are The 5 Gospels in digital format, so the resources that you find are reliable. There are also many Ebooks of related with What Are The 5 Gospels. Where to download What Are The 5 Gospels online for free? Are you looking for What Are The 5 Gospels PDF? This is definitely going to save you time and cash in something you should think about.
