[Future Grace, Revised Edition](#) John Piper,2012-09-18 Explore this stunning quality of God's grace: It never ends! In this revision of a foundational work, John Piper reveals how grace is not only God's undeserved gift to us in the past, but also God's power to make good happen for us today, tomorrow, and forever. True life for the follower of Jesus really is a moment-by-moment trust that God is dependable and fulfills his promises. This is living by faith in future grace, which provides God's mercy, provision, and wisdom—everything we need—to accomplish his good plans for us. In *Future Grace*, chapter by chapter—one for each day of the month—Piper reveals how cherishing the promises of God helps break the power of persistent sin issues like anxiety, despondency, greed, lust, bitterness, impatience, pride, misplaced shame, and more. Ultimate joy, peace, and hope in life and death are found in a confident, continual awareness of the reality of future grace.

GRACE to birth REVIVAL Ric Steininger, 2025-01-07 **POWER OF GOD IS FOUND IN THE SECRET PLACE VOLUME 4. G R A C E T O B I R T H R E V I V A L** This book is centred around the incredible prospect that as born again believers we have capacity to initiate Moves of God. Initiate Outpourings of the Spirit and Revivals of God. That you and I have capacity inherent within us, through the Blood and gifted Holy Spirit ... to release the Salvation of the Lord. Over the generations, Christian culture has held the vision of looking only up to God in times of need. When it has been God, all this time, who has been longing to relocate you. Reposition and restore you back in realms of Dominion, where you release the Power of God. Today, as we look about the world, there is so much grief and sorrow. So much evil spreading across the land. But you and I, we are not alone ... we are not orphans! Hence, I so deeply encourage you, now is the time to enter into your true identity. To rise up in your sonship 'revealed' — as a child of the Living God. As is said: "Creation waits in eager expectation for the children of God to be revealed." Jesus came to "Pour out Fire on the earth". And what is that ... this Fire? But to walk in the Glory of God where you make change, where you move Heaven and earth ... where you trigger great moves of God. "Being a stepping-stone of God's Glory on earth. A portal for your family and loved ones ... and all that you hold dear." Copyright © 2025 Ric Steininger All rights reserved. ISBN: 000-0-000000-0-0 e. The Holy Spirit and Christian Origins Graham Stanton, Bruce W. Longenecker, Stephen C. Barton, 2004-11-04 Anyone who is interested in the rigorous study of early Christianity and who has not engaged with the works of James D. G. Dunn is not really interested in the rigorous study of early Christianity. No one would dispute that Professor Dunn is one of the most prolific New Testament scholars of the late twentieth and early twenty-first centuries. And while a handful of scholars might have a list of publications to rival his own extensive publications list, none of them could claim to have set the agenda of scholarly study to the extent that Jimmy Dunn has done for a sustained period of time since the 1970s. The Holy Spirit and Christian Origins comprises a selection of original essays that explore a topic that has held a prominent and distinctive place in the majority of Professor Dunn's publications. Written by twenty-seven leading scholars, this singular volume probes deep into the nascent Christian communities and their writings and investigates the early Christians' convictions concerning the Holy Spirit. Ranging widely through Scripture and across early church history, many of these essays introduce groundbreaking research in biblical studies, and some engage directly with Dunn's work in the field. Presenting some of the best new work in New Testament studies as well as celebrating a respected career, The Holy Spirit and Christian Origins will help to stimulate further discussion and reflection in the theological academy and in the Christian church -- two sectors that Jimmy Dunn has consistently and passionately sought to straddle, nurture, and refresh.
