Unprotected Billy Porter,2021-10-19 From Billy Porter, the incomparable Emmy, Grammy, and Tony Award winner, *Unprotected* is a powerful and revealing autobiography about race, sexuality, art, and healing. “Bold, hilarious, honest, and singular . . . *Unprotected* is a record of survival, commitment to authenticity, and healing; a road map out of hell.”—Leslie Odom Jr. It’s easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show *Pose*; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway’s *Kinky Boots*; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn’t fit in. At five years old, Porter was sent to therapy to “fix” his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter’s *Unprotected* is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amid deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and *Unprotected* is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

Guide to the Tuba Repertoire, Second Edition R. Winston Morris,2006-11-08 Guide to the Tuba Repertoire is the

most comprehensive investigation ever undertaken into the literature and discography of any single musical instrument. Under the direction of R. Winston Morris and Daniel Perantoni, this publication represents more than 40 years of research by dozens of leading professionals throughout the world. The guide defines the current status of the tuba and documents its growth since its inception in 1835. Contributors are Ron Davis, Jeffrey Funderburk, David Graves, Skip Gray, Charles A. McAdams, R. Winston Morris, Mark A. Nelson, Timothy J. Northcut, Daniel Perantoni, Philip Sinder, Joseph Skillen, Kenyon Wilson, and Jerry A. Young.

Etude Theodore Presser, 1886 Includes music.

Drew's Blues Drew Page, 1999-03-01 "Congratulations on a much needed book on the Big Band era, especially from the viewpoint of the 'side man'. Having been one for about eight years before becoming a 'leader' I can really appreciate your approach. A bandleader is no better than the men behind him and I have had some great ones, including of course Drew Page." —Freddy Martin Having lived behind the scenes during the Big Band era of the thirties and forties, Page invites us to share that era with him. An instrumentalist or sideman, in many touring bands, he recounts friendships with now-famous as well as unknown musicians who made American dance music. Like them, Drew Page loved his music and the road. He did not want to stay in one place and one job for thirty years, repeating one year or experience thirty times. He wanted to see things, to observe people and places. After a lifetime of traveling and music, "every town began to seem like home." Page's life was touched with humor, disappointment, triumph, and some tragedy. "Perhaps it's the variety of my experiences, none seeming to relate to the others, that has given my life its discontinuity." Certainly, discontinuity characterized his daily life, but continuity—his music—characterized its essence. Brought together by their art, the traveling bandmembers were apt to encounter each other any place, any time, and so they avoided goodbyes. "I'll be seeing you." That's the way I left Harry James and the boys in the band," recalls Page. In this well-illustrated autobiography, he tells us what it was like to travel in the days before paved roads, and how the Great Depression, the death of vaudeville, and World War II affected the music business. He gives us anecdotes about the famous musicians he worked with—Harry James, Red Nichols, Freddy Martin among others—and he talks about his fellow sidemen. His narrative unrolls like a scroll inscribed with the names of those who made American dance music and jazz famous. Every music lover, nostalgia seeker, and student of American culture will want to own this book.

Catalog of Copyright Entries, Third Series, 1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.).

Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical

acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

Musical Merchandise Combined for the Duration [with] The Music Trade Review ,1929

The Amazing Story of The Fantasticks Donald C. Farber, Robert Viagas, 2005-11 The Amazing Story of the Fantasticks is the detailed history of how this fabulously successful show by Tom Jones and Harvey Schmidt came into being and how and why it succeeded. In tracing the evolution of the show from an idea to a cultural phenomenon, the book takes readers through the countless auditions to attract backers, the search for theaters to hold tryouts (which indicated disaster), and eventual popular success. Among the actors who have performed in the musical are Anna Maria Alberghetti, Richard Chamberlain, Elliott Gould, Bert Lahr, Liza Minnelli, Robert Goulet, and Glenn Close.--Jacket.
