**53 Quotes to cange your perception** Prasanna M S, I believe that Life is always ready to teach, it depends on us whether we choose to learn from it or not. I have been guided by this principle and have continuously looked at several ways to acquire knowledge. During pandemic, I was looking for ways to keep the team motivated and engaged. It occurred to me that we can keep the team motivated by regularly bringing some relevant quotes from leaders around the world that can lift the spirits of the team. I started posting a quote on Monday each week, this was well received by the team and I extended this to share with social media on LinkedIn. Looking at an encouraging engagement and reaction to my posts. I continued this practice and that is how I ended up with more than a year worth of motivational quotes that I present to you as part of this journal/book. Initially I posted quotes that were already familiar or famous personalities who have had significant impact to society. Later this led to lot of research and learning on my own part. Here as part of this collection, I present to you what I learnt about the quote, the leaders and the quotes in turn had some meaningful thought provoking learning overall.

**Domo's Quotes of Inspiration Part 1** D.J. Domo ,2023-07-24 On a daily we all go through things. Some expected and some unexpected. Some we can control the outcome and others we can't. As I went back and thought about my hard times and the quotes I came up with while trying to press forward through all my tribulations and trials. These quotes seem to make a lot of sense today. So why not share them, and hopefully they can help you right along with words of inspiration. For so long after dealing with my hard times I've always been someone who people can come to talk to. We all need someone to vent to. Not everyone is genuine with that listening ear either. I've given real advice and am not judgmental while giving it. I allow people to see things both ways and advise them of what I would do. When I approach the conversation with the advice, I give I don't force a person to take my advice and use it. The final choice is up to you to make the final decision in whatever choice you choose to use and I'm going to support you every which way. Everyone needs, deserves, and go looking for encouragement. That happens often. So why not a better way to incorporate quotes with genuine words of encouragement to inspire someone within this book.

**Dreaming in Christianity and Islam** Kelly Bulkeley, Kate Adams, Patricia M. Davis, 2009 Throughout history to the present day, religion has ideologically fueled wars, conquests, and persecutions. Rarely are similarities addressed. *Dreaming in Christianity and Islam*, the first book to explore dreaming in these religions through original essays, fills this void. The editors reach a plateau by focusing on how studying dreams reveals new aspects of social and political reality.
