**Brant James Pitre**

The Oxford Bible Commentary John Barton, John Muddiman, 2001-09-07 The Oxford Bible Commentary is an exciting new ecumenical verse-by-verse commentary on the whole Bible, including all the books of the Apocrypha, for use by Christians, Jews, and members of other religious traditions, or of none. 1.5 million words long, it has been written by a team of internationally respected biblical scholars chosen for their expertise and ability to communicate rather than for their adherence to any particular faith. Now available in paperback, the Oxford Bible Commentary will provide the one-volume resource for the Bible for the 21st century.

The Meaning of Sex Dennis P. Hollinger, 2009-06 An ethicist provides an engaging exploration of the meaning of sex and articulates a Christian ethic for addressing a host of sexual issues facing readers today.

**Jesus the Bridegroom** Brant James Pitre, 2014 In *Jesus the Bridegroom*, Brant Pitre once again taps into the wells of Jewish Scripture and tradition, and unlocks the secrets of what is arguably the most well-known symbol of the Christian faith: the cross of Christ. In this thrilling exploration, Pitre shows how the suffering and death of Jesus was far more than a tragic Roman execution. Instead, the Passion of Christ was the fulfillment of ancient Jewish prophecies of a wedding, when the God of the universe would wed himself to humankind in an everlasting nuptial covenant. To be sure, most Christians are familiar with the apostle Paul's teaching that Christ is the 'Bridegroom' and the Church is the 'Bride'. But what does this really mean? And what would ever possess Paul to compare the death of Christ to the love of a husband for his wife? If you would have been at the Crucifixion, with Jesus hanging there dying, is that how you would have described it? How could a first-century Jew like Paul, who knew how brutal Roman crucifixions were, have ever compared the execution of Jesus to a wedding? And why does he refer to this as the great mystery (Ephesians 5:32)? As Pitre shows, the key to unlocking this mystery can be found by going back to Jewish Scripture and tradition and seeing the entire history of salvation, from Mount Sinai to Mount Calvary, as a divine love story between Creator and creature, between God and Israel, between Christ and his bride--a story that comes to its climax on the wood of a Roman cross. In the pages of *Jesus the Bridegroom*, dozens of familiar passages in the Bible--the Exodus, the Song of Songs, the Wedding at Cana, the Woman at the Well, the Last Supper, the Crucifixion, and even the Second Coming at the End of Time--are suddenly transformed before our eyes. Indeed, when seen in the light of Jewish Scripture and tradition, the life of Christ is nothing less than the greatest love story ever told.

*The Meaning of Singleness* Danielle Treweek, 2023-05-09 Drawing upon ancient and contemporary theologians, Dani Treweek offers biblical, historical, cultural, and theological reflections to retrieve a theology of singleness for the church today. Far from being a burden, she shows that singleness presents the church with a foretaste of the eschatological reality that awaits all of God's people.

Procreation and the Spousal Meaning of the Body Angel Perez-Lopez, 2017-02-15 This book attempts to aid those who are serious about the study of Pope Saint John Paul II's theology of the body. It is directed especially to those who teach it at both an academic and a parish level. It offers them the necessary scholarly background to be able to faithfully present John Paul II's work, understanding it with depth, and in continuity with Saint Thomas Aquinas and the Second Vatican Council.

**Commentary on the New Testament Use of the Old Testament** G. K. Beale, D. A. Carson, 2007-11-01 Christianity Today 2008 Award of Merit (Biblical Studies) Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure. In order to fully understand the teachings of Jesus and his followers, it is important to understand the large body of Scripture that preceded and informed their thinking. Leading evangelical scholars G. K. Beale and D. A. Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and echoes that appear from Matthew through Revelation. College and seminary students, pastors, scholars, and interested lay readers will want to add this unique commentary to their reference libraries.

**Sex and the Single Savior** Dale B. Martin, 2006-01-01 Probing into numerous questions about gender and sexuality, Dale Martin delves into the biblical texts anew and unearths surprising findings. Avoiding preconceptions about ancient sexuality, he explores the ethics of desire and marriage and pays careful attention to the original meanings of words, especially those used as evidence of Paul's opposition to homosexuality. For example, after a remarkably faithful reading of the scriptural texts, Martin concludes that our contemporary obsession with marriage--and the whole search for the right sexual relationships--is antithetical to the message of the gospel. In all of these essays, however, Martin argues for engaging Scripture in a way that goes beyond the standard historical-critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ.

*Theology of the Body Explained* Christopher West, 2003 Christopher West makes John Paul II's theology of the body available for the first time to people at all levels within the Christian community. Love, sexuality, and human flourishing are inseparable. Those who doubted this will find West's book a transforming experience, and those who have been wounded will find liberation and peace. A wonderful education on the meaning of being human. Christopher West teaches the theology of the body and sexual ethics at St John Vianney Theological Seminary in Denver. He is also visiting faculty member of the John Paul II Institute for Studies on Marriage and Family in Melbourne, Australia.

The Delights of Wisdom on the Subject of Conjugal Love Emanuel Swedenborg, 1996 Excerpt: ...the learned; for thereby we discover what influx is, and what it effects. By influx we mean all that which precedes, and constitutes what follows, and by things following in order constitutes what is last; as all that which precedes with a man, and constitutes his wisdom; or all that which precedes with a statesman, and constitutes his political skill; or all that which precedes with a theologian, and constitutes his erudition; in like manner all that which proceeds from infancy, and constitutes a man; also what proceeds in order from a seed and a twig, and makes a tree, and afterwards what proceeds from a blossom, and makes its fruit; in like manner all that which precedes and proceeds with a bridegroom and bride, and constitutes their marriage: this is the meaning of influx. That all those things which precede in minds form series, which collect together, one next to another, and one after another, and that these together compose a last or ultimate, is as yet unknown in the world; but as it is a truth from heaven, it is here adduced for it explains what influx effects, and what is the quality of the last or ultimate, in which the above-mentioned series successively formed co-exist. From these considerations it may be seen that the states of the minds of each of the parties proceeding in successive order flow into the state of marriage. But married partners after marriage are altogether ignorant of the successive things which are insinuated into, and exist in their minds (animis) from things antecedent; nevertheless it is those things which give form to conjugal love, and constitute the state of their minds; from which state they act the one with the other. The reason why one state is formed from one order with such as are spiritual, and from another with such as are natural, is, because the spiritual proceed in a just order, and the natural in an unjust

order; for the spiritual look to the Lord, and the Lord provides and leads the order; whereas...

**God's Mystery That Is Christ** Seok Lyun Chang Soppe,2014-04 At some point during our religious maturation, we have to ask ourselves how much do we really know God? What phase is our faith in? And are we spiritually dead or alive? This book was written for those on a quest to make a connection with God. The purpose of this book is to support the readers' relationship with Christ. It is meant to be read along with The Holy Bible and not in place. The objective is to stir our preconceptions about biblical truths so that we may be able to discern God's intent with the Spirit of Truth. When people ready the Bible receptively they will find that it gives a feeling of transcendence. This book is a great guide for the spiritually thirty. It is a must read for all those seeking the Truth. The deep intentions, within God's Word, are revealed to those who eagerly search for it. - Rev. B. So Jin Church of True Life
