Impossibilia (Short Story Collections, #1) Douglas Smith, 2016-11 Aurora Award Finalist. We all have things we hide inside — secrets, fears, aspects of ourselves we keep locked away. Or try to. In that respect, the characters we meet in IMPOSSIBILIA are like any of us. They have things inside them too. Only their things are a little...different. A dead wife that won't leave. A wolf with a past. The secret to being the luckiest man alive. And through all the stories, these characters share one more thing beyond what they hold inside. In the decisions they face, in the choices they make, they do what they do out of love. Lost love, found love, the love of their child. But love. So maybe they aren't that different from us after all. "Doug Smith is, quite simply, the finest short-story writer Canada has ever produced in the science fiction and fantasy genres... His stories are a treasure trove of riches that will touch your heart while making you think." —Robert J. Sawyer, Hugo Award-winning author "One of Canada's most original writers of speculative fiction." —Library Journal A great storyteller with a gifted and individual voice." —Charles de Lint, World Fantasy Award winner

Dread in the Beast Charlee Jacob,2024-04-08 DREAD IN THE BEAST used to be a novella about the goddess of waste and the king of wasters. Now it is a novel, stuffed full of the gruesome and horrible. Taken from the mythologies and histories of humankind, it follows the trail of the Mother Spirit of the worst that the world is capable of producing. From the catacombs of ancient Rome where a blasphemous sect twisted the message of the early Christians—to modern America with its obsession with violence, deities and saints and the reincarnations of beasts battle over sublime and profane, where the very reasons for existence for us all may lie in the unthinkable. Edward Lee (author of CITY INFERNAL, MONSTROSITY, INCUBI, and SUCCUBI) says in his introduction to this new novel-length version, What's most unique of all here (and jealously fascinating) are the creative guts of the author. If there's an ultimate dichotomy in the horror genre, it's got to be Jacob...armed with a talent to write the most beautiful prose yet using that talent to examine the most unspeakable and detestable horror. ...It's one of my all time favorite novels in the field.
