Sarah J. Maas

House of Earth and Blood Sarah J. Maas, 2020-03-03 The first book in the #1 bestselling Crescent City series by Sarah J. Maas, author of the Court of Thorns and Roses (ACOTAR) series. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive fantasy series by #1 bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom, and the power of love. Other eBooks in this series include: House of Sky and Breath House of Flame and Shadow

Dangerous Fictions Lyta Gold,2024-10-29 In a political moment when social panics over literature are at their peak, Dangerous Fictions is a mind-expanding treatise on the nature of fictional stories as cultural battlegrounds for power. Fictional stories have long held an uncanny power over hearts and minds, especially those of young people. In Dangerous Fictions, Lyta Gold traces arguments both historical and contemporary that have labeled fiction as dark, immoral,

frightening, or poisonous. Within each she asks: How “dangerous” is fiction, really? And what about it provokes waves of moral panic and even censorship? Gold argues that any panic about art is largely a disguised panic about power. There have been versions of these same fights over fiction for centuries. By exposing fiction as a social danger and a battleground of immediate public concern, we can see what each side really wants—the right to shape the future of a world deeply in flux and a distraction from more pressing material concerns about money, access, and the hard work of politics. From novels about people driven insane by reading novels to “copaganda” TV shows that influence how viewers regard the police, Gold uses her signature wit, research, and fearless commentary to point readers toward a more substantial question: Fiction may be dangerous to us, but aren’t we also dangerous to it?
