Leap of Faith: The Personal Story of Bob and Charlene Pagett, Founders of Assist International William

Carmichael, Nancie Carmichael, Bob Pagett, Charlene Pagett, 2022-05-23 Bob and Charlene Pagett's story offers a clear example of what it means to live a life of profound meaning motivated by faith. Theirs is a story of optimism and the belief that every person in the world is valuable. It is a story of perseverance, of overcoming challenges and obstacles, all in the pursuit of the greater good. Their story is also a powerful one about what it means to take a chance. Not just any chance, but the chance to follow God's plan for your life to make a difference. If you need inspiration to take your own leap of faith, this book is for you. Leap of Faith not only shares the remarkable story of two people who in midlife took the leap, but it offers timeless and approachable principles you can apply wherever God has called you in your own life. Leaps of faith often begin with steps of faith—sometimes very small steps. You Have 30 Days Starting Now Anthony "TJ" D'Apolito, 2022-04-05 I want you to think of something you've always wanted to do but never did. I want you to think of where you want your life to be in the next thirty days, which in turn will point you in the direction you want your life to be in the future. Is there something you haven't been able to finish or even get started? Is there a habit that is not helping you that you'd like to remove from your life? Is there a habit that you like to add to your life which will improve the rest of your days? Is there a relationship in your life that you've always wanted to make better? Is there something you've always wanted to try but never did get around to even trying? The questions are endless. What do you need to get done before you leave this planet? So, with all that as the backdrop, I'm asking you to make that one thing a priority for the next thirty days. I want you to focus like a laser beam on that one thing. We all have busy lives and many things to do. We all wear many hats throughout the day. I'm just saying that you keep that one thing at the forefront of your mind for thirty days. You'll be amazed that with that type of focus, how much you will head toward it. If you want to change your life and do something you haven't done before, you're gonna have to do some things a little differently. That is what the simple exercises are going to do for you throughout the day. It should take you less than thirty minutes every day to do the simple tasks I am asking. But they will put your mind and your thoughts in a different place. It'll show you the

abundance you have in your life rather than the scarcity. You'll be thankful rather than regretful. You will be looking forward rather than looking back. You will be heading toward something rather than running from something. You will be finishing something, rather than saying someday I will. You get the idea. This works. This will work for you. It's working for people right now. I guarantee you will be in a different place in thirty days. Or your money back. I challenge anyone to do the things I'm asking for thirty days and not be moved. It's definitely changed my life a hundred percent and I know it can do the same for you. Take a chance, I know you will be pleasantly surprised. I know it in my heart that this will work for you and I can't wait to hear about your challenge, your breakthrough. It's right around the corner. It's only thirty days away. Best wishes and good luck on your journey.

Coach: The Greatest Teachers in Sports and Their Lessons for Us All Justin Spizman, 2022-02-08 Every great sports coach is a life coach. This book identifies 168 outstanding coaches who have much to teach us about optimizing our performance, our character, and our lives. Coaches build winning teams and enable each athlete they mentor, guide, cajole, and nurture to achieve top performance. More than this, every great sports coach is first and last a life coach. Sportswriter Justin Spizman identifies and profiles 168 of the greatest coaches and managers of all time. They have much to teach us about optimizing our performance, our character, and our lives. *Coach: The Greatest Teachers in Sports and Their Lessons for Us All* profiles coaches in every significant sport, from football, basketball, baseball, and hockey to gymnastics, skating, rowing, rugby, soccer, and more. From field to court, diamond, rink, and pitch, the big leagues to the Olympics, college, and high school, Coach delivers the most teachable moments and methods—for play, for competition, and for life. Rich in quotations, each profile ends with lessons for top performance on and off the field, in and beyond the arena. Justin Spizman tracks all the relevant stats—for every sport keeps score—but he seeks first and last to disclose the mind, the heart, and the force of character that drive each of the indispensable men and women behind the world's most envied and admired athletes. His profiles range from the likes of Cardinals manager Tony La Russa (already an MLB legend), to Aimee Boorman and Cecile Canqueteau-Landi (who both coached gymnastics phenom Simone Biles), Bill Belichick (the take-no-prisoners field general of the New England Patriots), Pat Summitt (who racked up 1,098 wins as coach of the University of Tennessee Lady Vols basketball team from 1974 to 2012), Marián Vajda (the coach behind tennis titan Novak Djokovic), and David Leadbetter (golf guru to champions Kathy Baker, Nick Faldo, and Michelle Wie).

Courage for the Journey Wendy Weikal-Beauchat, 2013-09-16 *COURAGE FOR THE JOURNEY* assembles a collection of wisdom to ignite courage, hope, and strength in those caught in the inevitable storms of life. In his 1965 masterpiece *I Had Trouble in Getting to Solla Sollew*, Dr. Seuss observed, And I learned there are troubles of more than one kind. Some come from ahead and some come from behind. Adversities arise in all shapes and sizes. The death of a loved one, divorce, business failure, job loss, health issues, and natural disasters are only but a few examples. None of us is immune from the life events

that can shake or even obliterate our foundations. Personal disasters leave us dazed and shell-shocked. We find ourselves standing in the rubble of our lives, wondering how to move forward and what to do next. Winston Churchill asserted, If you are going through Hell, keep going! This is sage advice for anyone in distress. The question is how, when you have totally lost direction, do you keep going? When fear, discouragement, failure, loss, and regret have taken firm root in the gardens of our heart, mind, and soul, how do you vanquish them? During adversity, attitude will always dictate outcome. The key to overcoming any obstacle is to tune out the negative noise of the storm and society in general. The positive emotions of courage, faith, hope, perseverance, and peace contain far greater power than negative emotions. COURAGE FOR THE JOURNEY explores strategies for: Finding courage and faith in place of fear Finding hope and perseverance in place of discouragement Finding opportunity and choice in place of failure Finding clarity and accepting change in place of loss Finding recovery, reinvention, and peace in place of regret

Contemporary Black American Cinema Mia Mask,2012-08-21 Contemporary Black American Cinema offers a fresh collection of essays on African American film, media, and visual culture in the era of global multiculturalism. Integrating theory, history, and criticism, the contributing authors deftly connect interdisciplinary perspectives from American studies, cinema studies, cultural studies, political science, media studies, and Queer theory. This multidisciplinary methodology expands the discursive and interpretive registers of film analysis. From Paul Robeson's and Sidney Poitier's star vehicles to Lee Daniels's directorial forays, these essays address the career legacies of film stars, examine various iterations of Blaxploitation and animation, question the comedic politics of fat suit films, and celebrate the innovation of avant-garde and experimental cinema.

Living the Questions of the Bible Luke A. Powery, 2023-05-16 Living the Questions of the Bible presents questioning as a viable and faithful Christian practice. We may think the Bible is only about getting answers, but the Bible is also a question book, revealing how the life of faith is a quest with and for God. By exploring various passages in the Bible, this book attempts to invite readers into an interrogative spirituality, one in which we learn that even God questions. Faith seeks and keeps on seeking. It may reach understanding, or it may not. Either way, our questions are a way to live the Christian life honestly, faithfully, and doxologically.
