Manual of Romance Forensic Linguistics Victoria Guillén-Nieto,Dieter Stein,2025-06-02 It is evident that published, serious, science-based work in Forensic Linguistics is predominantly written in English and focuses on casework from the English-speaking world. While the first aspect is understandable – given that English serves as an international lingua franca in scientific discourse –, the second aspect presents a significant limitation for the field. Should researchers assume that there is simply less crime in non-English-speaking areas of the world? A more pertinent question might be: What cultural, disciplinary, legal, or legal-cultural factors contribute to the lack of research in (and on) languages other than English? In addition to addressing the underrepresentation of Romance languages in scientific publications related to forensic work, the chapters in this handbook will also explore the reasons behind this unfortunate situation. Designed to engage readers, whether they are linguists, legal professionals, or simply interested individuals, and to spark interest in Romance Forensic Linguistics, this handbook follows three key objectives: First, we are committed to providing a comprehensive overview of the casework and research conducted in (and on) several Romance languages, including Peninsular Spanish, Catalan, Brazilian Portuguese, French, Canadian French, Italian, and Romanian. Second, the chapters in this volume seek to understand why Forensic Linguistics has thrived more in some Romance-speaking countries than in others. Finally, we aim to uncover the reasons for the slower development of Forensic Linguistics in regions where Romance languages are predominantly spoken.

Diario de un cura rural Georges Bernanos,1999-01-25 *Diario de un cura rural* no es -o, al menos, no sólo- una novela sobre el sacerdocio, sino una obra sobre la fe y sobre la Iglesia. Encerrado en su «mediocridad», el joven cura de Ambricourt no se siente capaz de oponerse al mal que ve en sí mismo y en los demás. Pero descubrirá que la grandeza de la Iglesia no depende de la brillantez de sus miembros, sino del triunfo del Resucitado que se refleja en los suyos, los más débiles, los pequeños como él, y que sólo quienes tienen la sencillez que da el espíritu de infancia pueden reconocer. En ésta una novela sobre la Gracia, que se impone al estupor y el rechazo del protagonista y que convierte su miseria y su incapacidad en camino para una salvación que es de otro mundo. Y es una novela sobre la Iglesia, cuyo rostro resplandece a la luz de la

Gracia.

Breve Historia de las Leyendas Medievales David González Ruiz, 2010-07-01 En esta obra se recopila la mejor selección de las leyendas medievales de las crónicas, los poemas y la tradición oral de toda Europa para relatarnos el verdadero trasfondo histórico de cada una de ellas. Así, permite conocer la historia real de aquellos hombres y mujeres que vivieron durante la Edad Media y cuyas hazañas extraordinarias los convirtieron en leyenda. Las historias están excelentemente esbozadas en apenas unos párrafos y en su estudio se nos mencionan fuentes de la época, cómo han sido tratadas a lo largo de la historia, y qué dicen las corrientes historiográficas al respecto de su veracidad. Muy alejado de las fantasías que rodean a muchos de sus temas (fantasías que el mismo libro trata de desmontar en la mayoría de los casos), está escrito con rigor y amenidad. Relatos de héroes, batallas y amores más allá de la muerte tan impresionantes que desde su nacimiento se cargaron de elementos maravillosos e inmortales. Todo el mundo ha oído, alguna vez, historias sobre Juana de Arco, El Cid Campeador, el Rey Arturo, Beowulf o Jaime I El Conquistador, pero pocos saben qué parte de aquellas historias que conocemos hoy día son verdad y qué parte son pura invención. La figura de estos hombres y mujeres memorables ha sido tan determinante en la historia de sus respectivos pueblos que no tardaron en envolver sus hazañas en un halo de magia que les convirtió en seres mitológicos. David González aborda estos mitos y los compara con los datos rigurosos que se conocen para, en un relato vivo y veloz, ayudarnos a discernir entre el mito y la realidad de estos personajes que marcaron la Edad Media y que aún siguen presentes en la historia. Breve Historia de las Leyendas Medievales ciñe su campo de estudio a lo que se ha considerado unánimemente como Edad Media, es decir desde la caída del Imperio romano en el 476 d.C. hasta la toma de Constantinopla en el 1453 d.C.

Redes de comunicación Yvette Bürki, Henriette Partzsch, 2016-05-27 En el presente volumen se exploran los roles que desempeña la prensa hispánica en las redes culturales a la hora de construir, transmitir, transformar y mediar ideas y representaciones. Gracias a esta perspectiva temática compartida, sus 16 contribuciones establecen un diálogo que cruza las fronteras disciplinarias entre los estudios históricos, discursivos, literarios y culturales. Se hilvana así un diálogo que tiende puentes en el tiempo y en el espacio: arranca a finales del siglo XVIII y llega hasta el siglo XXI, abarcando los tiempos del auge masivo de la prensa y sus épocas más triunfales hasta los desafíos digitales recientes, y va desde Manila a Nueva York, de Salónica a Madrid, Buenos Aires y Santiago de Chile, siempre con la ambición de dilucidar el contexto específico de los procesos de comunicación con su engranaje local.

En Defensa de los Ociosos Robert Louis Stevenson, 2023-05-25 En estos tiempos en que todo el mundo está obligado, so pena de ser condenado en ausencia por un delito de lesa respetabilidad, a emprender alguna profesión lucrativa y a

esforzarse en ella con bríos cercanos al entusiasmo, la defensa de la opinión opuesta por parte de los que se contentan con tener lo suficiente, y prefieren mantenerse al margen y disfrutar, tiene algo de bravata y fanfarronería. Sin embargo, no debería ser así. La supuesta ociosidad, que no consiste en no hacer nada, sino en hacer muchas cosas que no están reconocidas en las dogmáticas prescripciones de la clase dominante, tiene tanto derecho a exponer su posición como la propia laboriosidad. Se suele admitir que la presencia de personas que se niegan a tomar parte en la gran carrera de obstáculos por un poco de calderilla no hace más que insultar y desalentar a quienes participan. Un individuo cabal (como tantos que vemos) toma su decisión, opta por la calderilla y, con esa enfática expresión tan americana, «va a por ella». Y, mientras este hombre va ascendiendo trabajosamente por la senda marcada, no es difícil comprender su resentimiento cuando ve que, junto al camino, hay personas cómodamente tendidas sobre la hierba del prado, con un pañuelo sobre las orejas y un vaso al alcance de la mano. La indiferencia de Diógenes tocó una fibra muy sensible de Alejandro. ¿Dónde estaba la gloria de haber conquistado Roma si cuando aquellos turbulentos bárbaros se precipitaron en el Senado encontraron allí a los Padres sentados en silencio e indiferentes a su hazaña? Es descorazonador haberse esforzado para escalar escarpadas cumbres y, al llegar arriba, encontrar que la humanidad permanece indiferente a tu proeza. De ahí que los físicos condenen a quienes se ocupan de lo que no entra en las leyes de la física, que los financieros no toleren más que superficialmente a los que no entienden de alzas y bajas de valores, que los literatos desprecien a los iletrados, y que los de todas las profesiones coincidan en su desprecio hacia quienes no desempeñan ninguna.

Fonética Y Fonología Descriptivas de la Lengua Española Juana Gil, Joaquim Llisterri, 2024-06-03 The most up-to-date and comprehensive description of the Spanish language's phonetic and phonological system Though there has been considerable research in Spanish phonology, until now, no in-depth and complete descriptive reference work has existed. Fonética y fonología descriptivas de la lengua española Volumes 1 and 2 is a comprehensive reference, written in Spanish, describing the phonetics and phonology of Spanish. Edited by Juana Gil Fernandez and Joaquim Llisterri, this set provides a comprehensive overview for understanding segmental and suprasegmental topics in Spanish phonology, making clear what further research is needed. The international set of contributors in this essential reference present evidence never before analyzed, introduce new theoretical concepts and issues not considered previously, extend the scope of the case studies, and organize its many subtopics, as well as suggest new topics for future research. A descriptive reference with copious figures and tables, this book is the key to the field's assumptions and a presentation of accepted research on which future scholarship is based. With state-of-the-art information on all topics related to the sounds of Spanish, Fonética y fonología descriptivas de la lengua española will be a valuable resource for researchers, students, and scholars of Spanish linguistics who wish to deepen their understanding of the phonetic and phonological characteristics of all the varieties in the Spanish language.

Las variedades de la lengua española y su enseñanza Francisco Moreno Fernández, 2010 Esta obra presenta unos datos, ideas y argumentos fundamentales acerca de las variedades lingüísticas en la enseñanza de la lengua española. Los destinatarios de este libro son todas aquellas personas que se sientan atraídas o tengan curiosidad por la lengua española, su diversidad, su uso y enseñanza, pero muy especialmente los profesores de lenguas, que inevitablemente se enfrentan, tanto en su formación como en su experiencia profesional, a una pregunta ineludible - qué variedad enseñar; qué español enseñar.

Memoria para el olvido Stevenson, Robert Louis, 2020-06-14 Toda lectura debe ser absorbente y voluptosa: es la memoria activa y creadora que nos despoja del traje habitual para olvidarnos de nosotros mismos y habitar la imaginación. Los ensayos nos llevan a la reflexión sobre temas tan diversos como la literatura, las costumbres y los recuerdos, todos ellos dominados por un poder evocativo directo y profundo, y nos permiten descubrir en los gestos de la vida el germen de una epopeya.

The Syllable and Stress Rafael A. Núñez-Cedeño, 2016-03-21 In this volume, notable scholars honor James W. Harris for his contributions to Romance phonology. Inscribed within generative grammar, the studies seek to explain various phonological processes, structured around glides, aspects of onsets/codas as well as stress and weight. This book will be a useful reference tool for specialists in theoretical phonology, language acquisition, language in contact, bilingualism, and Spanish dialectology.

Las heroínas silenciadas en las independencias hispanoamericanas Ana Belén García López, 2016-11-07 “Las heroínas silenciadas en las independencias hispanoamericanas” revela la participación de las mujeres en los procesos independentistas hispanoamericanos denunciando el silencio histórico al que fueron condenadas, rescatándolas de la ingratitud con que fueron tratadas y reivindicando el mérito, la dignidad y el protagonismo de aquellas mujeres cuya labor fue decisiva en el triunfo de la independencia.

Actas del VI Congreso de Hispanistas de Ucrania, Mykolaiv, 25 y 26 de septiembre de 2015 Pronkevich O., Kushnir O. (eds), 2022-08-15 Pronkevich O., Kushnir O. (eds). Actas del VI Congreso de Hispanistas de Ucrania, Mykolaiv, 25 y 26 de septiembre de 2015. — Lviv, Astolabio Editorial, 2015. El libro contiene las ponencias presentadas durante el VI Congreso de Hispanistas de Ucrania que tuvo lugar en la ciudad de Mykolaiv, el 25-26 de septiembre, 2015. Las obras publicadas pueden servir en el proceso de las investigaciones relacionadas con diferentes temas de historia, literatura, lingüística, traducción y didáctica.

Obras Completas (Tomo I): Historia de las ideas estéticas en España Marcelino Menéndez y Pelayo, 2018-01-30 Con esta edición digital de «Historia de las ideas estéticas en España», que unifica en uno sus tres volúmenes impresos, da comienzo la publicación de la Edición del Centenario de las Obras Completas de Menéndez Pelayo. Esta publicación emblemática de la Real Sociedad Menéndez Pelayo, editada con esmero por la Editorial de la Universidad de Cantabria, está

llamada a convertirse por su aparato crítico en la edición de referencia entre los investigadores de la obra del maestro santanderino.

La leyenda negra en los personajes de la historia de España Javier Leralta,2013-10-10 Un libro que explica las facetas más perversas y enigmáticas de varios personajes que han pasado a la historia. Son vidas a veces maquilladas por intereses partidistas, por la tradición y el tópico. Los acontecimientos de la historia y el paso del tiempo acomodaron la vida de las personas a la realidad del momento, para eso estaban los cronistas, los poetas de artificios literarios y los juglares de imaginación desbordante. Y de ello dieron fe las obras medievales, adaptadas para la ocasión, lo que ahora denominaríamos propaganda. Es posible que la humanidad prefiera quedarse antes con la leyenda que con la verdad porque la verdad se olvida con frecuencia y la ficción se recuerda con agrado. ¿Qué hay de verdad en algunos acontecimientos históricos, notables por su crueldad?, ¿realmente ocurrieron como sabemos o fueron el resultado de la fantasía o distorsión interesada de algún cronista? Muchos personajes de nuestra cultura han pasado a la historia acompañados de una leyenda negra que ha ocultado, a veces, las buenas obras realizadas. Con frecuencia el investigador tropieza con historias amañadas, difíciles de entender por la falta de documentos y a veces, cuando los encuentra, nota que el cancionero o el romanticismo de una época ha contaminado su espíritu. Dice la Real Academia que la leyenda negra es una opinión contra lo español difundida a partir del siglo XVI; y añade una segunda acepción de opinión desfavorable y generalizada sobre alguien o algo, generalmente infundada. Y es en este segundo supuesto donde se detiene la obra, en una selección de hechos históricos, más o menos legendarios, que bautizaron a sus protagonistas con la aureola de leyenda negra. Hechos diversos marcados siempre por la sangre, la violencia, el dolor o la excentricidad que con el paso del tiempo o por intereses varios desvirtuaron la verdad.

Five Hundred Years of LGBTQIA+ History in Western Nicaragua Victoria González-Rivera,2024-10-08 This groundbreaking book reframes five hundred years of western Nicaraguan history by giving gender and sexuality the attention they deserve. Victoria González-Rivera decenters nationalist narratives of triumphant mestizaje and argues that western Nicaragua's LGBTQIA+ history is a profoundly Indigenous one. In this expansive history, González-Rivera documents connections between Indigeneity, local commerce, and femininity (cis and trans), demonstrating the long history of LGBTQIA+ Nicaraguans. She sheds light on historical events, such as Andres Caballero's 1536 burning at the stake for sodomy. González-Rivera discusses how elite efforts after independence to "modernize" open-air markets led to increased surveillance of LGBTQIA+ working-class individuals. She also examines the 1960s and the Somoza dictatorship, when another wave of persecution emerged, targeting working-class gay men and trans women, leading to a more stringent anti-sodomy law. The centuries prior to the post-1990 political movement for greater LGBTQIA+ rights demonstrate that, far from being marginal, LGBTQIA+ Nicaraguans have been active in every area of society for hundreds of years.
